I can't believe this administrative year is almost over. And what a wonderful, exciting and very rewarding year it has been. First Lady Lynn and I have travelled all over the country, from Alaska to Florida, from Hawaii to New Hampshire and dozens of places in between. We are so appreciative of the wonderful hospitality we have received in all of those states and the events we have been invited to. By the end of the year we will have been to all 10 regions, 25 states and travelled approximately 100,000 miles. Most of them by plane.

I want to thank my Executive Team; Lawrence, Mike, Ariel, John and Stu for the many hours you have devoted to helping us have a very successful year. To all the National Vice Presidents and Appointed Officers thank you for your dedication and support. And to all the Program Managers, Committee Chairs and committee members, thank you for all the hard work you put in this year.

First Lady Lynn and I have been so fortunate to have a great group of Special Assistants. Thank you to Jon and Jenny Bruner, Brian and Kelly Trautman, Dave Anderson and Kris Fletcher for all the special things they have done for us. A special thank you goes to my Chief of Staff Denise Lyons-Conrad. She did a super job arranging all our trips, keeping me organized and out of trouble. I would have been lost without her help.

I want to thank the Iowa JCI Senate for hosting our Fall Board in Des Moines. Chairman Newton Standridge and his crew of Iowa Senators did an outstanding job of hosting us. Then he took some of his Iowa Senators to New Orleans to help Travis Boatright and the Louisiana Senators host our Winter Board in NOLA. These were two of the best Board of Directors meetings we have had for some time. Thanks for the great effort.

My theme for the year is "REACHING OUT". I want to thank everyone for Reaching Out to some of our long time, non-active Senators to get them involved. Part of the Reaching Out program was to work with and assist the Jaycees. I had the opportunity this year to attend several Jaycee meetings and have been impressed with their leaders. Hopefully they will be Senators in the future.

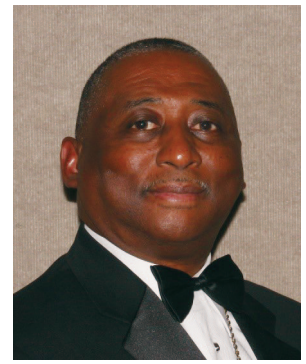

I look forward to seeing many of you in Portland for National Convention in June where we will elect and install our officers for next year. I would like to take this opportunity to wish Lawrence and his team the very best of luck for the coming year.

In closing I want to thank you for the opportunity to serve as the 47th President of the US JCI Senate. It has been the experience of a lifetime. Thanks for the memories.

Yours in the Senate Spirit

Fellow Senators,

It has been a great year of "Reaching Out", as many states and regions have taken the challenge set forth by President Pete to find those Senators in their area that have for some reason become inactive. Also, you continue to contact Jaycees in your communities and offer to assist them in any manner they deem appropriate. This year has offered several high points, but there have been some sad times as several of our beloved Senate friends have exited life's stage and left a void in our lives.

It's been great meeting so many new Senators nationally and internationally and discovering that our organization truly transcends the sovereignty of nations. I have enjoyed serving as your Administrative Vice President this year. It has been my pleasure to work with an outstanding group of National Vice Presidents, Program Managers, Committee Chairs and Ambassadors.

As chair of the Convention and Bid Review Committee, we have had a busy year with meeting bids and updating some areas in the Policy Manual. Thanks to the committee members for all their hard work and dedication this year. I also want to thank the Meeting Coordinators and their committees that hosted our national meetings in Des Moines, IA and New Orleans, LA. They were both great meetings. We're also looking forward to a wonderful time in Portland, OR and a fantastic celebration of President Pete's year of service. If you have not sent in your registration for National Convention or gotten your room, please do so as soon as possible. The Oregon JCI Senate and Region 9 have been working very hard to give us a great convention and celebration. This meeting will provide us with an opportunity to renew friendships, enjoy wonderful fellowship, and say thanks to so many that serve our great organization.

I know I speak also for Karol when I say "Thank You" for the hospitality and friendship that everyone has shown us this year. I want to especially thank the NC JCI Senate and Region 4 for their

continued help and support throughout my Senate career. Finally, a special thanks to a great group of officers with whom I've had the opportunity to serve. To President Pete, Mike, Ariel, John and Stu, it has been a privilege serving with you this year.

Respectfully submitted,

Greetings fellow Senators,

What a great finish to a phenomenal year of 'Reaching Out'. It has been an honor to serve as your National Secretary this year with President Pete Reinecker #11777 leading us. There have been many changes in the Secretarial role this year with the following as high-lights;

- ◆ Senate Directories updated and published electronically every 90days
- ◆ Communications team conference calls every other month open to those who are responsible for communications in their states/regions
- ◆ Communications team effectiveness survey – are we provided what is needed to enhance your needs of communication within the Senate

The high point of this year has certainly been working with an impressive communications team for our organization. We meet once a month via conference call to discuss a round-robin table of communication topics that are essential to our organization. To Lowell, Marsha, Angie and Jennifer – thank you for your time and most of all – your honesty.

I was so blessed to be working with Lowell Vahl #40315, our webmaster. As a result of your feedback, the website was updated to include a 'search' feature to allow navigation to more than 1500 documents available for your review. If you look back on previous years, you can easily tell how much it has improved and become user friendly.

E-news editor, Marsha Phillips #47528 has done a tremendous job in delivering the bi-monthly E-news to you in sending up to date news to approximately 2000 of our members. And as noted in our survey, E-News is definitely a valuable resource for you as she has placed her stamp of excellence on it making it available to you always in a timely manner.

Angie Jelinek #60570 who has done an astonishing job as the editor of the Mentors Magazine continued to amaze us with her ability to put forth the best unsurpassed issues of our Mentors magazine – which reinforces her background and accolade as a 4-time Nolan Terrill Memorial Award winner. Remember, that your Mentors magazine is available electronically as well.

Finally, new to the Communications team was Jennifer Ray #68957 in the first appointed position ever of Social Media Director. We are thrilled to have a Past JCI USA National President helping us move forward on the technology front by highlighting the importance of Social Media to our organization. Please visit us on the only official Facebook page of the U.S. JCI Senate with the Senate Logo to know you have the correct page. Be sure to be on the lookout for Jennifer's Tuesday Trivia, reminders for deadlines and more. She has been

First, I would like to thank the U.S. JCI Senate for the opportunity to serve as Treasurer this year. Gary Pittenger #24804 Membership Information Services Manager and Susan Hatcher #58143 Mentors Business Manager have been great to work with and make my job look easy! Also, the Sweepstakes Committee has worked hard all year raising funds that support our organization. I also can't forget to thank the State Treasurer's for all their hard work with getting with turning their dues kits and checks in this year. Thank you everyone for all your hard work this past year.

The year started off on the road! First up was the Michigan Post Holiday Party followed by the Indiana Kentucky Joint Meeting. Next up was the Winter Board Meeting in New Orleans. What a great city to spend time in! Linda and I had a great time. Thank you to Louisiana, Iowa, and the Region 7 Senate for all your hard work.

Next up, we were off on the Region Elections Tour. First up was Pigeon Forge for some "brown" water rafting. The rain was unbelievable, but that didn't dampen anyone's spirits and we still had a great time! NVP Mary Allred #46602, Region VII and the Tennessee Senate outdid themselves with their great hospitality.

Then we were at the Region V Spring Fling led by Vicky Dempsey #58206 and the Ohio Senate. As usual the hospitality was top notch and we all had a great time. Unfortunately, First Lady Lynn spent Friday night in the emergency room, but fortunately she was well enough to travel home by Sunday.

Next up was time out for a side trip to Indiana's 50th Anniversary celebration. Chairperson Linda Andrews #71434 and her committee did an outstanding job. We had a great time reconnecting and reminiscing with old and new friends. President Pete and First Lady Lynn joined us in the festivities and President Pete was there to help us present a Senatorship.

Heading back to the tour we were in Region IV for the Calabash. Thank you NVP Marty Wase #53142, Chairman Jimmy Maness #38844 and the rest of Region IV for a great weekend! We will definitely be back.

Nothing like bouncing across the country the following weekend heading to Minnesota for the Region VI Meeting. NVP Ken Fischer #43036, President Susan Adams-Friksen #65312 and all the Peanuts gang did a great job. Thanks for sharing your German town. We definitely enjoyed the underground winery!

Next up it will be time for me to pick up my bags and travel to Riggins, Idaho for the Region IX meeting. Thanks, NVP Bev Briskey #58992 and President Greg Wherry #52579 for the great hospitality and relaxing day.

I will finish my tour in San Jose with the Region X Senate, NVP Wendy Bell #45198 and California President Lynne Hansen #68753. I am looking forward to spending time with Region X and

As the end of my journey through the leadership of the USJCI Senate approaches its final turn, it provides an opportunity to “Reflect” on the last several years with the hope that I have had been able to “Inspire” others to make an impact through their efforts with their State JCI, Regional JCI and USJCI Senate organizations. In each endeavor that I undertook, “Keeping Promises” made has been of utmost importance to me as I worked to serve you to the best of my ability. I hope that I was able to show my “Belief” in the Jaycees, “Service” to the USJCI Senate and shared “Brotherhood” with our members! I cannot thank enough all of those who provided such gracious and thoughtful hospitality at each and every stop during my travels over the years. Each visit demonstrated the high-level commitment each of our members and leaders have in advancing the JCI Senate movement.

It has, also, been gratifying to witness how much “We Believe” in the USJCI Senate Foundation through the exceptional fundraising efforts at our regional and national functions. Working in higher education, I get to see first hand how much scholarships, like those awarded by the USJCI Senate Foundation, can impact the ability of a student to complete their degree and make a difference in the world.

We must continue “Reaching Out” to bring JCI Senators who may not currently be actively involved back into the fold of our great organization. As well as “Reaching Out” to our Jaycees to provide them the impactful mentorship and support they need to be successful and remain the greatest young person’s organization in the world preparing active citizens to make positive change.

The past several years has been an experience of a lifetime. It is impossible to thank enough all of those who were part of my amazing journey; especially all of those I have served with and all of those who served as part of my exceptional team. For all of our leaders stepping up now and, in the future, my wish for you is to serve well and with honor while Living the Creed!

instrumental in helping other state organizations with the Facebook pages as well.

Wow – as I look back, I realize how far we have come in the communications arena and there is still so much to be done to give YOU as members – an added value. Thank you again to President Pete for the opportunity to serve and thank YOU as our members for your willingness to move forward with open communication – I hope the communications team has met and exceeded your expectations.

Fellow Senators,

Once again, we approach the end of another Senate year. I am pleased to report that we have experienced no law suits and, to the best of our knowledge, incurred no liens or attachment of our assets. A successful year, from a legal stand point!

Thanks again for this continued opportunity to serve the Senate as its legal counsel. Although, with such hard working, dedicated individuals as your officers, there is little enough for me to do. As we close out the Reaching Out Year, I’ll leave you with a little from the Bard, perhaps thinking of lawyers?

am certain it will be a great time!

Finally, we will be ending the year in Portland, Oregon to celebrate the year of “Reaching Out”. This year I have had the pleasure of working with a great “Reaching Out” Executive Team. President Pete has been a great example of “Reaching Out” to not only Senators that for whatever reason have dropped their membership in our organization, but to JCI USA to encourage the Jaycees to honor their members that work hard with a Senatorship. I hope to see many of you in Portland as we celebrate our accomplishments of the past year and continue in the fellowship that our organization is made of.

It was such a wonderful experience visiting New Orleans in January for our Winter Board Meeting. That was my first trip to the "Big Easy" and I would have to say that I can't wait to visit again!!!! The hospitality was second to none!!! Thank you to Region VII for such a warm welcome to Pigeon Forge, although we almost had to make our way out in boats (the rain just wouldn't stop), I think everyone had a fantastic time!!!! I'm excited to attend our Year End Celebration in Portland OR for our US JCI Senate 2019 National Convention. I'd like to take a moment to thank each and every one of you who sent information to me throughout the year, especially the State and Regional Chaplains; it is all of you who assisted with the communication to our membership. It has been a true honor to serve as your Chaplain during the 2018-2019 "Reaching Out" Year. Thank you to President Pete for giving me the opportunity to serve the membership in this capacity.

"Life is too short to wake up in the morning with regrets. So, love the people who treat you right, forgive the ones who don't and believe that everything happens for a reason. If you get a chance, take it. If it changes your life, let it. Nobody said it'd be easy, they just promised It would be worth it" ~ **Unknown**

The most difficult part of serving as Chaplain is having to share news of those we have lost. There comes a time in each of our lives that we have to face the loss of a dear friend or loved one, it is the strength from each other that provides the ability for us to continue on in life while keeping the memories and love of those we have lost in our hearts and minds.

We mourn the loss of the following Senators since the last publication of the Mentors. May we keep them in our hearts and minds and treasure all of the memories that we have shared.

Continue my heritage, I'm counting on you, Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest, remembering all, now I truly was blessed. Continue traditions, no matter how small, go on with your life, don't just stare at the wall. I miss you all dearly, so keep up your chin, Until the day comes, we're together again". ~ **Author Unknown**

As the 2018-2019 "Reaching Out" Year comes to a close, please continue to provide a helping hand, a shoulder to lean on or just a listening ear to those who may be less fortunate than yourselves. Keep others in mind that are struggling with various life challenges provide to them a smile or some time to sit and chat we are the best "healing" aspect to each other. Always keep in mind that is difficult for most individuals to ask for assistance or even guidance or reassurance, take it upon yourself to give to others and "Reach Out" in support and comfort.

Please continue to be strong and positive through the daily journey of life. Keep a positive aspect throughout your lives, as this will prove to give you the determination, dedication and pride to be the best that you can be in all that you do.

Please keep sending me what is happening within your States and Regions and I will be sure to pass this communication on to all in our Senate family through the E News Reports. Please submit the information by the 13th and 28th of each month to: vette1019@att.net

I've been sitting and reflecting on this past year and it has been one of the greatest years of my life thanks to all of you. Even though we were often home only two days a week. As this year progressed, I realized there were a lot of changes happening within me. It was a slow change but it was in a way I didn't expect.

So often we make the comment that we are a Senate family and don't think any more about it. I truly feel that God gives us a family and he lets us choose one of our own. We are all connected through our JCI Senate involvement, but we are also brothers and sisters. Sure, there are times when our relationships can get challenging, but that is what siblings do and does not discount the love of this organization that has brought us together. Family is so important! During a recent health scare, my Senate family was there and provided me with what I needed. Please don't ever hesitate to share those needs and call on each other for help.

Thank you to those that were there for me at Spring Fling and for everywhere I have traveled. Remember to REACH OUT and communicate with our Senate family members that you have not seen or talked to for a while. I'm sure they would love to hear from you as we never know when we are connecting to someone for the last time. For those of you that I have met or gotten to know better this year, you truly have enriched my life.

My year will soon be over and I know Karol will be a wonderful First Lady. Thank you for all the wonderful memories as it has been a real honor for me to serve as your First Lady. I really do love you all.

Greetings fellow Senators, Friends and supporters of our USJCI

In the third trimester Carol and I have had continued mapping New England and the country. It continues to be a great honor and privilege to serve as your NVP and represent you and the USJCI Senate and President Pete Reinecker #11777.

Region One continues to *Reach Out* to our lost and forgotten Senators. We are seeing results; it is my hope and conviction that Region One will grow again in the next reporting period. I continue to hope that Region One leads the nation for that period and the year.

Carol and I attended the Winter Board meeting in Kenner, Louisiana. President Pete #11777 ran an outstanding meeting, everything was timely and ran like a Rolex Watch. What an outstanding job done by all! We so enjoyed all that New Orleans has to offer. Congratulations on a job well done. In addition, New England was so well represented. Congrats, Region One!

After Winter Board we attended NEFLA in North Port, Florida, hosted by Jack Pasquale #32806 and Sue FR#17. We had the pleasure to be hosted by Colette #69240 and Charlie #11719 Welch for three days - thank you Colette and Charlie. We continued our travels and attended MAI in Hampton, Virginia between March 29th and 31st. As you know, MAI is a longstanding event, held with Regions II and III. Region III and the Virginia JCI Senate did an outstanding job of hosting and the event was very well attended. NVPs Tom King #59642 and George Fields #46096 did such a wonderful job along with the hosting committee. Carol and I certainly enjoyed the hospitality and friendship. This was our first MAI, but it will not be our last. The following weekend we attended the Carolina Calabash Bash April 5th through April 7th in Myrtle Beach, South Carolina. Wow, what a wonderful time was had at this great event. Region IV NVP Marty Wase #53142 and the hosting committee did such a great job at the event. I should add that a fine time was had by all.

Around the Region -
Maine: We visited Maine in early January.

What an adventure - we endured Sunshine, Rain and Snow and possibly some Sleet and an 80-minute stop on I-89 in Vermont awaiting removal of a jack-knifed truck. But in the end, we were hosted by a very gracious Maine Senate as we enjoyed an afternoon at a Japanese Steak house. Thank you, President Karen #71651, for such a fantastic time. On March 23rd Maine held a meeting at the Village Inn in Auburn. The meeting was well attended and included several Senators who had not been seen in some time. Congratulations President Karen on another job well done.

President Karen has Maine on a roll and continues to work towards *Reaching Out*. Maine is moving their meetings from place to place and reaching out to Senators in those areas. We expect to see participation and new adds from Maine in the next reporting period. Thank you, President Karen!

Vermont: We attended a February social in Montpelier hosted by President Rosaire Longe #28290. It was very well attended, Senators attended who Vermont had not seen in a while, which speaks well for their *Reaching Out* efforts. Lost Senators in Vermont are receiving personal letters from President Rosaire #28290 and will be receiving personal phone calls as well. Congratulations Vermont and President Rosaire - well done!

In addition, scholarship money was raised after a report was given on Vermont's scholarship efforts. Congratulations, Rosaire, on such a nice event.

Connecticut: Connecticut hosted its annual meeting on May 18 in Oxford, CT. The meeting was very well attended, and Carol and I wish to thank the Connecticut Senate and President Bonnie Blaisdell #69956 for their gracious hospitality. Connecticut will be holding its 55th Anniversary Celebration on July 20th in Niantic at the Kari-Hill Post of the VFW. Watch for more details to come.

New Hampshire: New Hampshire held the Region One Spring Caucus on May 4th - May 6th at the Marriott in Nashua, New

Hampshire. National Officers were in attendance and President Pete #11777 recognized some Senators who were in attendance. Gifts were also exchanged out of appreciation for all the work that President Pete and First Lady Lynn have done during the past year.

Your NVP presented gifts to state presidents and presented awards to those Senators who have done an outstanding job during this Senate year.

One of the very special moments of the caucus was the presentation of Friendship #88. This nomination was put forward by the Massachusetts JCI Senate. Signing off on the nomination was Paul Carney #10861, and President Deb Stefanik #67167. With great pleasure I signed and forwarded my recommendation to President Pete #11777. Without hesitation President Pete signed and forwarded our nomination. It was with great pleasure that on Saturday May 5th in the year of our Lord 2019 I presented Friendship #88 to Suzanne (Sue) McCallum. Congratulations Sue - this recognition is long overdue.

Congratulations to President Dick St. Jean #38089 and his committee on an outstanding regional event. Congratulations to the New Hampshire JCI Senate as they celebrated their 45th Anniversary as a senate organization. It has taken many hands to get this far - continue your great job as we look forward to your 50th Anniversary.

PRESIDENT CONNECTICUT

Hello from Connecticut,

Welcome to Spring and Summer with trees turning green and the flowers blooming with their beautiful colors.

I can't believe this year as president; the year has flown by so quickly.

I'm really looking forward to attending the Region One Spring Caucus on May 3-5 in Nashua, NH, it is always a lot of fun and Fellowship. I also want to Congratulate the New Hampshire Senate on their 45th Anniversary and Celebration.

Our CT Annual Meeting and Elections will be May 18, 2019 at Pies & Pints in Oxford, hopefully all our Florida members will be back home safely. We sure have missed them and were jealous that they didn't have to shovel. I am also looking forward to seeing the members that we only see in the Spring and Summer.

I'm looking forward to attending The US JCI Senate National Convention in Oregon, as that is one of the great parts of being a Senator is being able to travel all over the United States and going on tours seeing the Historical sites. Also seeing friends from all over and making new ones. Congratulations National President Pete and First Lady Lynn on their great year.

We have been planning the Connecticut 55TH Anniversary Celebration for July 20, 2019 @ VFW Kari Hill Post, Niantic, CT. It should be a lot of fun and seeing members sharing their stories with us from the beginning of the Connecticut Senate formation.

Best of Luck to the incoming 2019-2020 National Board.

In Senate and Friendship,

PRESIDENT MASSACHUSETTS

Greetings from Massachusetts! Happy Spring! With many of our snowbird Senators back, we have resumed our meetings which take place the second Wednesday of each month at the Foxboro Community Center in Foxboro MA.

We are meeting regularly to plan our 50th Anniversary for the Massachusetts JCI Senate organization. It is scheduled for Sunday, August 25th at the Chateau Restaurant, 195 School Street, Waltham MA 02451. More info will be forthcoming as everything is put together.

Many of our members attended the Region I Spring Caucus May 3-5 in Nashua NH. At this event, NH also celebrated its 45th Anniversary of their organization. It was a great event and everyone had a wonderful time celebrating this wonderful milestone.

Congratulations to Derek Joyce from Monson High school and Sydney Pacheco from Westport High School who have been chosen as our \$1000 scholarship winners and their applications have been sent to the JCI Senate National Committee. Madison Hartling from Chicopee High School is our \$500.00 scholarship recipient. As always, there were many worthy individuals and we wished we could have helped them all! A big Thank You to Ed and Marilyn Lariviere for heading up this project.

Elections will be held early summer and I will be looking for someone to replace me as President as I have served two consecutive terms and look forward to serving as Chairman of the Board.

In closing, I want to wish everyone a healthy and fun summer. And I will be busy finishing up the last details for my October wedding!

In Jaycee Spirit,

Debra Stefanik #67167
President
Massachusetts

Massachusetts: Carol and I had the pleasure of attending the April Massachusetts JCI Senate annual meeting held on the Cape. The meeting was well attended, and Carol and I were treated to the very special hospitality of the Massachusetts Senate and President Deb Stefanik #67167. We wish the Massachusetts Senate a great year and look forward to spending additional time in Massachusetts.

Rhode Island: Rhode Island is working diligently on Fall Frolic to be held in October in Woonsocket RI. President Tom promises all will have a great time as is the New England tradition of Fall Frolic. More to come on this - the hotel will start taking reservations in the middle of April.

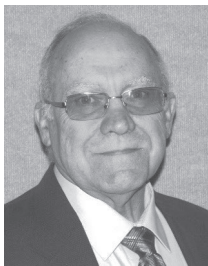

All states have held meetings, socials and events over the past quarter. It has been Carol's and my pleasure to have been able to attend so many. It continues to be very encouraging to see so many inactive senators coming forth around the region as each state continues to *Reach Out*. In the next few weeks we will attend events in Maine and Vermont.

In closing, I want to share with you the energy and spirit I've seen in Region One. At each of the meetings I've attended Senators who have not been active have come out to these meetings. It tells me that Region One is on the move and we shall continue to move by *Reaching Out*.

And, finally, I want to sincerely thank the Region One Presidents and their respective state senate organizations for the incredible and unwavering support and hospitality during my year as NVP. It truly has been the experience of a Senate lifetime.

Sincerely,
Bob King #36581 NVP Region One

PRESIDENT MAINE

News from Maine...

We are "On A Roll." President Pete's "Reaching Out" campaign is working well for us, with a little deviation. Our great state of Maine is so geographically large that we modified President Pete's campaign efforts. We plan our quarterly meetings at different parts of the state so different people can attend, making travel minimal for our aging population. We identify people who live in the meeting area and our secretary sends out a letter, inviting them to the next meeting. Before the meeting, some of our members call the inactive JCI Senator and offer a personal invitation. So far, this plan has worked very well for us. Our meetings are well attended and each meeting has a minimum of four new faces. Then, we invite them to become active members and most have.

Our "Reaching Out" efforts have also helped us update our mailing list. People move, become ill, change email address, drop their land lines, etc. Through the follow-up calls, we have heard some great stories about Jaycee days and have made some great personal connections.

So yea, "We're On A Roll."

PRESIDENT VERMONT

For an organization that is made up of retired Jaycees, and looking forward to socializing with old friends, it is unbelievable how busy we can be in our state Senate life. Being president is very rewarding, yet presents an active schedule with setting up meetings (we prefer to call them gathers!), and writing articles for our state newsletter and the Mentors, "thank you" notes to those that have honored us with donations, and contacting 'lost' Senators to join back in with us and renew friendships. At the same time, you appreciate the reconnecting with those you have not seen in a while, and getting things done that are meaningful.

Since our last article, we have had a winter 'gathering' in St. Johnsbury where we started a min-raffle to raise some funds, and a spring meeting near Montpelier to reaffirm our progress to bring back onto the active roster Senators we have not seen. Another letter is being mailed to invite them to participate with us once a year and keep their dues current. President Pete's *Reaching Out* program has been a center part of our year. We have added back on the roster several Senators. It was certainly worth the effort.

At the March meeting, we appointed the committee that will organize the 2020 Fall Frolic, as it will be Vermont's turn to host this very enjoyable event that includes a Region One Caucus. We are looking for a site that will be of interest to our fellow New Englanders, as well as our national officers. Vermont in the fall is always a beautiful place to visit. In the meantime, we look forward to attending Rhode Island's Fall Frolic October 25th thru 27th. Again, this year we had a successful response to the scholarship program. Three were awarded five hundred dollars per, with the top two in grades and activities sent on to national. The third was based in heavy part on grades, but with more consideration on need than on activities.

I have been fortunate to have had Board Members that have participated fully and faithfully this year. My public thanks to them can not be express more strongly. We have had an active year that hopefully sets a good foundation for the next administration. I will certainly be there to lend a hand, but will not be able to serve as president again this year, as I'll have been installed as Exalted Ruler of our Elks Lodge (Jaycee leader-

ship training at work). The scholarship program is my pet project, so I will continue as chairman and support the new president whatever way I can. All my best wishes go to the new Board. They will be elected at our annual meeting in Killington at the 'Inn at Long Trail' on May 25th. Anyone interested in attending is welcome and will be 'greeted' in their Irish Pub.

Lastly, I wish to thank our NVP Bob King #36581 for his support and riding herd on me with his reminders of deadlines and activities we should be involved with. His leadership is a big reason that we put so much effort into pushing forward with President Pete's program to be *Reaching Out* and bringing back in members.

Bob is constantly a professional, and will do whatever he needs to help his president get the job done. His traveling to meetings from state to state is most likely unmatched. I thank Bob and Carol with all my heart, and acknowledge that Vermont is very proud of them.

Where has the time gone. I can't believe it. It seems like yesterday that we were just in Pittsburgh getting ready to start our REACHING OUT year with President Pete.

I would like to commend the Louisiana and Iowa Senate for a wonderful winter BOD meeting in NOLA. New Orleans is a very interesting city. There was so much to see and do. I had 3 of my Presidents attending the meeting. Our Region has accomplished a lot of things this year. We started a webpage <https://usregion2.wixsite.com/usregion2> which was created by Terry Seeley #46163 from the New Jersey JCI senate. We also started a Facebook page U.S. JCI Senate Region 2 created by Sally Traczuk #68943 from the Pennsylvania JCI Senate. Communication is the key to keep the region to Senate stronger.

The Delaware JCI Senate was led this year by Carole Harlan #44468, this was her sixth year to as President. She will she will be serving a seventh year as their State President. Carol has been working very hard with her Jaycee chapters and has been doing a lot of traveling during this year to other state activities as well as attending the national meetings.

Pennsylvania JCI Senate was led by Jean Loose who had resigned for personal reasons. Pennsylvania Senate had also met with their Jaycees during their quarterly State meetings.

Rose Sebeski #41507 has been president of the New Jersey Jaycee Senate for the last 2 years. Their next election will be held in August at their summer picnic. They have been very active with the local Jaycees and also with Camp Jaycee which is in the Poconos of Pennsylvania.

Stephanie Kingsley #72949 has been President of the New York JCI Senate, she will be continuing as President for New York Senate next year. They have worked very hard with their Jaycees as well and meet with their state Jaycee chapters during their meetings.

My wife and I have been very busy attending other meetings including the

Winter board meeting held in Kenner Louisiana on January 24-26. I had three of my state presidents in attendance. We also traveled to the Pennsylvania JCI Senate state board meeting on February 8-10. Fellow National vice president Tom King #59642 and his wife Kathleen King #68704 were also in attendance. We next on our way to Region 7 on February 21-24 to Pigeon Forge Tennessee. It was a great meeting and it was fellow National vice-president Mary Allred #46602 year-end meeting. And I found lots of bears in this area of this meeting. Bear heaven!!!!

Our travels took us to Delaware on March 12th for their quarterly meeting. They had 20 members in attendance. March 15-17, we traveled the road to Region 5 Spring Fling held in Fairborn Ohio. Vicki Dempsey done an outstanding job at her year-end meeting. March 28-31 Mid Atlantic Institute (MAI) Region 2 & 3 meeting in Hampton Virginia. This was NVP Tom King & myself year-end meeting. We had a great time. Always fun to try something new. Region 3 held a Prom King & Queen competition. Everyone had a blast.

In April, our travels took us to New Ulm, Minnesota for Region 6 NVP Ken Fischer yearend meeting. We had a great time. May brings me back to Pennsylvania for their Senate meeting and installation of officers.

I would like to thank my fellow National vice-presidents for making this year fun and exciting. I always had a great time with our group, that is being led by National President Pete Reinecker #11777.

The most important job for a National Vice President it's to find their replacement for the coming year. So, with that said, I would like to commend Patrick Mahaney for stepping up to be the next Region 2 National Vice President. I know that he will do a fantastic job.

Thanks again for the Memories
See you all in Clackmas Oregon

PRESIDENT DELAWARE

The Delaware JCI Senate has been very busy this past few months, with even more events coming up in the near future.

We kicked off the holiday season with our annual Holiday party, held at the home of Marbeth and Walter Szczerban #25450. We always get to see many of our Senate friends that we might not see other times during the year. We were also honored to have several guests from the PA JCI Senate, including Beth Newill, Ken and Lois Martin, and our own Region II NVP George Fields.

In January, our social proved to be a blast! We travelled to Collingswood, NJ on the 12th to attend the production of "Avenue Q" at the Collingswood Community Theater. The production met with varied opinions, but dinner afterwards was a hit! We had Senators, family, and friends attend from PA, NJ, and DE. Bob and Jean Neumann from NJ came, as did PA's Sally Traczuk and John Robinson. And we cannot forget our NJ Senate friend Terry Seely, who was the show's producer. All in all, a great day!

Later in January, a few of the Delaware Senators made their way to the Winter Boards Meeting, held in New Orleans. What an interesting city! Definitely should be on everyone's bucket list!

February found Ann Harrison and I traveling to PA for their Winter Membership Meeting. We have done so many times in the past, and very much enjoy their hospitality and friendship.

Later in February, we traveled to Pigeon Forge, TN for Mini National. Another wonderful place to visit and spend time with our Senate friends.

(Continued on page 15)

(Continued from page 14)

MAI 2019 in Hampton VA! What more can I say? Hosted by the VA JCI Senate, the weekend was wonderfully planned, the outings were a success, and the fun never ended! Congratulations to the VA JCI Senate on a job well done!

What's coming up next in our plans, you ask? We will be having a Spring Social in the form of a Game Night, held at the home of one of our Senators. We also want to enjoy another Paint Night.

Of course, we are looking forward to National Convention in Portland in June! I know the OR JCI Senate will be offering wonderful hospitality and programs, and I for one, am ready for a great time!

PRESIDENT NEW YORK

Greetings from New York,

At the February convention in Manhattan, NY we bestowed 2 new Senatorships to Krista Shafer and Roselyne Barranda. They are two outstanding leaders who are very deserving of a Senatorship.

Our next meeting will be coming up sometime in May where we will be meeting with the JCINYS Jaycees.

In January, we were in New Orleans, LA for the JCI USA Winter Senate Board meeting. A great time was had. The Louisiana and Iowa Senate did a fantastic job.

PRESIDENT PENNSYLVANIA

The Pennsylvania JCI Senate started this year by hosting the National Convention in Pittsburgh PA. Pennsylvania has worked very hard with our local and state chapters during the year by helping at their local projects and programs. We also held our state meetings together. We attended the Pennsylvania Jaycee year and banquet in February.

We operate an ice cream stand at the national Apple Harvest Festival. The festival is run by the Upper Adams Jaycees. We have Senators helping out with the ice cream and other Jaycee stands at the festival.

Region 2 and Region 3 held their first annual social that was held at Sam & Marilyn Young's home in Maryland. We had a wonderful turnout from the regions.

We held two Christmas parties, one was held in the east at Jeff and Janet Kozak's home and one in the western part of the state in Pittsburgh. All the Senators had a great time at each party.

We had Senators in attendance at National meetings in Des Moines, Iowa, New Orleans, Region 1 Fall Frolic, Region 7 Pigeon Forge, Region 5 Spring Fling, Region 2&3 MAI and also Region 4 Calabash.

We also had a social at the Reading Royals hockey game. The battle of the badges is the Reading police and fire departments play against the Allentown Police and Fire Departments. Hockey was enjoyed by all who attended.

During this year, we have had great friendship and hospitality wherever we traveled.

We look forward to the new year and many more friendships and hospitality to come.

Hello fellow Senators!!! Thank God warm weather has arrived! I have enjoyed serving as the NVP for Region III this past year and while it's been a learning opportunity for me, I've had a ton of fun in the process! I want to say "Thank You!" to President Pete for the opportunity to serve as an NVP this year. I've enjoyed working with all the executive committee members, appointees and especially the state presidents...it has been a blast to say the least!

To my fellow NVPs Bob, George, Marty, Vicky, Ken, Mary, Neil, Bev and Wendy...a huge 'Thank you' for all the great conversations and fun we had together. Your hospitality when we traveled into your regions was incredible. Kathleen and I both felt like family. I'll treasure the friendships we have made and I look forward to us keeping in touch and continuing to 'Reach Out' to each other even after our time as NVPs is up. I wouldn't have wanted to serve with any greater group of people! Thank you!

To my Region III State Presidents, Charlie, Cia, Melissa and Sherry, I can't say enough about our year together. You have each kicked butt this year and I've very proud to be your NVP! I could not have asked for a better group of Presidents to work with this year...from the summer outings, to the Steak Fry, to the Crab Feed, to the Martini Shake Off to all the state meetings and social activities in between, it was a great year!! Thank you to each and every one of you for your support and efforts this year. I will look back on our time together fondly!

To Anne, Pam, Cori, Craig, Letha, Paul, Sabitha, Kay, Sam, Marilyn, Ariel, Rob, Jen and all of Region III...thank you from the bottom of my heart for all you have helped the region accomplish this year! From our awesome new Facebook page to the first ever regional mentorship program to a lip sync video to a new Region II/III Social, it has been a year of fun in the region! Your ideas, your support, your hard work and your friendship are things I'll always cherish!

To our new NVP Elect, John Cotter, enjoy your year as it will fly by and be over with before you know it!!! Region III is full of some awesome talent so take advantage of

Finally, to my wife and soulmate, Kathleen, none of this would have been possible without your love and support. Behind every successful man is an extremely patient woman!! Without a doubt the year was a million times better sharing it with you and I love you with all my heart!!!

Thank you, Region III, for your support!!! It is truly an honor and privilege to have served as your NVP this year!

PRESIDENT DISTRICT OF COLUMBIA

Hello from the District of Columbia JCI Senate.

Members of the DCJCI Senate attended our second meeting of this administrative year on January 26th during the USJCI Senate Winter Board in Kenner, Louisiana. A big thank for the accommodations that were made by the Louisiana/Iowa JCI Senate. During the meeting there was a very good discussion on how our goals have been coming along.

Attendance at the meetings have been very good this year. Thank you to all those in attendance at our meetings. We are currently updating our website and our newsletter. If you would like to contribute an article, please contact us.

During the meeting of the DCJCI Senate our Treasurer, Dexter Graef, JCI Senator #16177, was pleased to announce we now have 108 members. If you have not paid your dues at this time, please do so. If you know of any JCI Senator that would like to become a member of the DCJCI Senate, please let us know by contacting Dexter at iso.dex@usit.net.

The DCJCI Senate is a bit different than most State organizations in that we are a collection of JCI Senators from not only the D.C. area but also from across the country and across Canada. As we continue our focus on having an impact of the Jaycee (JCI USA) movement across the country and especially in the D.C. area, we are asking all JCI Senators and friends to do us a favor. We ask that you make contact with your US Representative and US Senators in search of Staff Members in the D.C. area that are JCI Senators. We also ask if you have any contact with any of the foreign Embassies to also contact them. Just imagine the impact we could have on the D.C. area.

The DCJCI Senate has just attended the Mid-Atlantic Institute meeting. There was great representation there. Many of missed Ole Orset, JCI Senator #72270, who was on assignment to Norway for a publication of his. We hope he will provide some pictures of his visit to Norway.

The DCJCI Senate will be having elections at our next meeting. If you would like to run for office, which I hope you will, please contact the Chair of the Elections and Nominations Committee, Sandy Kolodnar at sandy52468@hotmail.com.

In closing, thank you to all for your support of the DCJCI Senate. The District of Columbia JCI Senate wishes everyone a very safe spring and summer season. We wish you happiness and good health until we meet again. The next meeting of the District of Columbia JCI Senate will be held during the USJCI Senate Annual meeting in Clackamas, Oregon. The exact date and time of the meeting has not been set at this time. We are working with the USJCI Senate and the Oregon JCI Senate to get this set. An email will be sent out once we have confirmation. If you are a member and not receiving emails from us, please contact us. If you would like to become a member of the District of Columbia JCI Senate, please contact me at chasjaycee@aol.com or call 419-366-1695. Join us in having an impact in the D.C. area.

PRESIDENT VIRGINIA

Greetings from Virginia to my fellow USJCI Senators!

Virginia continues to maintain a very busy schedule as the year draws to a close. A number of us represented Virginia and Region III in New Orleans at the Winter Meeting and wow! did we have fun! New Orleans is such an amazing place and we all enjoyed what the city had to offer us, and fellowship and meetings with our Senate friends from around the nation too.

We gathered as a State in Virginia Beach in February, and we were so very proud to welcome President Pete and First Lady Lynn, Administrative VP Lawrence and Karol, as well as Chairman of the Board John. Virginia Jaycees State President Marissa Nyhill put together a joint project for the members, our Life Member Association, and the Senate, and we spent

an afternoon packaging nutritious food for the company Rise Against Hunger. We packaged 10,000 meals in just a few hours together! It was truly a wonderful way to manifest President Pete's theme of Reaching Out! We recently found out that the meals were sent to Nicaragua to help combat hunger in the neediest of regions! The evening banquet allowed us to present two new Senatorships! Congratulations Jodi and Kyle!

The end of March brought our annual MAI (Mid Atlantic Institute) meeting as Regions II and III came together to celebrate our accomplishments. Virginia was very proud to host in Hampton and our event was very well attended as always! Congratulations to Region II NVP George Fields and Region III NVP Tom King on a great year!

As we enter May, the Virginia Senate will hold the final quarterly meeting of the year, this time in conjunction with our Life Member Association. Besides our business meeting and election, we will celebrate the 50th anniversary of our Virginia JCI Senate. We will look back at five decades of Senators and Senate accomplishments, and look forward to the future. At the business meeting, I will turn over the running of the Virginia Senate to my very enthusiastic VP, Sabitha Venkatesh, #71858. She has put together a great team and I am excited to place Virginia in her incredibly capable hands!

I've been so proud this year to serve as Virginia's President and work with so many talented and passionate people as we celebrate the year of, We The Senate! I wish to thank Virginia, my incredible Board, and my Senate friends for a great year full of excitement and opportunities!

For We The Senate!

PRESIDENT WEST VIRGINIA

The West Virginia JCI Senate continues to forge ahead. Without a committed team and supportive membership, we would not be continuing an upward momentum. Thanks to all! To date our accomplishments, include:

- Year to date growth.
- Continued involvement with the WV Jaycees and chapters
- Activating the current membership and renewing many non-dues members
- Initiating more social functions during the year for the membership. Our second social is scheduled for May 18th after the Senate meeting. A picnic is planned poolside.
- The election of a new board. Thanks to everyone who remained and welcome our new Administrative VP, Randy Willhoite. Looking forward to finishing our year strong.

The WVJCI Senate attended MAI in Virginia in March. Anyone who didn't have a great time, it was your own fault. Thank you, Virginia, for a great week-end, Prom and all!

Lastly, our annual steak fry is scheduled for August 17th in Wheeling, WV. It is always a great time to reconnect with many Senators and entertain many National Officers and other State Senators. It is the premiere social of the WVJCI Senate. Thanks E J Miller and Wheeling for hosting this event. Make plans to attend and enjoy the Senate camaraderie.

In closing, Thank you to the WVJCI Senate for your support and confidence this past year. Looking forward to working with everyone in the new year and looking for bigger and better things to come from West Virginia.

Boy this year has really flown by! It has been a magnificent journey and a great year for Region IV. The overwhelming majority of the credit for Region IV's success this year goes to our excellent group of State Presidents. Many thanks to Alabama President Carla Bailey #62624, Florida President Bianca Deal #71182, Georgia President Mandi Howard # 62767, North Carolina President Aimee Scotton # 69448, and South Carolina President Stephanie Hamby #68237.

We've been busy in Region IV throughout 2019. I first traveled to Statesboro, Georgia January 18-20 for the Winter Meeting of the Georgia Jaycees, Georgia JCI Senate, and Honor Corps. The Honor Corps provided excellent hospitality all weekend especially with a terrific reception Saturday evening prior to the Jaycees banquet. President Mandi Howard ran a good meeting Saturday morning highlighted by a report from Thomas Michael #76512 about the raffle fundraiser for the Georgia JCI Senate Scholarship Fund. I presented Region IV medallions to the following Senators: President Mandi Howard; Treasurer Les Howard #66478; Secretary Sherri Carmack #76531; COB Larry MacQuirter #67377; and Thomas Michael.

Pam Padgett #51341, Crissie Lewis #72169, Jennifer Salmon #71393, and I traveled to New Orleans for Winter Board January 24-27. Many thanks to Travis Boatwright #40008 and his entire team for providing us with wonderful food and hospitality. Region IV was recognized as the Outstanding Return the Favor Region in the 2nd trimester and the #2 ticket seller for the Presidential Sweepstakes. Florida was recognized as the #2 State in Road Runner. South Carolina's Mike Lynch #54465 was honored as the Outstanding RTF Senator and Debra Jean Gronvold #52883 of Florida as the Top RTF Senator.

Lind Reid Oldham #46296 and I traveled to Greensboro, North Carolina for the N.C. Jaycees/N.C. JCI Senate Year-End Convention February 1-3. We were honored to have President Pete Reinecker #11777 and First Lady Lynn #66295 as our special guests for the weekend as well as Administrative V-P Lawrence Pittman

#53932. After a Friday night dinner featuring N.C. barbeque, we attended a Cardinal Corps silent auction, First Timers, and the Cardinal Corps meeting where President Pete was recognized as an Honorary Colonel in the North Carolina Cardinal Corps. President Pete spoke to the Jaycees at their Membership Meeting Saturday morning expounding upon his "Reaching Out" theme. President Aimee Scotton conducted an informative Senate meeting on Saturday afternoon complete with comments from President Pete and V-P Lawrence. Pete presented one of his Presidential medallions to Jennifer Salmon. I presented Region IV medallions to Newsletter Editor Suzanne Gill #67891, RTF Chair Sharon Reiss #74082, and Treasurer Nick Woods #62735. The highlight of the weekend was the Saturday evening banquet where we welcomed 6 new Senators into the fold.

The next trip was to Tuscaloosa, Alabama for the Alabama Senate/Bama Brigade Winter Meeting February 8-10. We greatly enjoyed a tour of the University of Alabama campus led by Debra James #48001 which included a trip to Bryant-Denny Stadium and the Walk of Fame outside the stadium. I was honored to induct Greg Kasloff as the newest Alabama Senator. Also recognized at the meeting was John Randolph #65885 who earned the First Timers award at Winter Board in New Orleans.

My wife Pam and I traveled the next weekend February 15-17 to Cocoa Beach, Florida for the 3rd quarter Florida JCI Senate Conference. The Florida Jaycees were also meeting during this weekend. President Bianca Deal conducted a fast-paced Senate meeting full of accomplishments. I presented Region IV medallions to the following: Treasurer CC Ackerman #62039; Administrative V-P Dawne Sutherland #68900; COB & Region IV Chaplain Bill Hossman #41293; Region IV Foundation Rep. Kelly Koch #69508; and Florida Bash Chair Doyle Sewell #63344. The big event of the weekend was the Outstanding Young Floridians banquet Saturday night with John Price #36383 doing an excellent job as emcee of the event. Michael Holliday

became the newest Florida Senator at the banquet.

Jimmy Maness #38844, Jennifer Salmon, and I next traveled to Pigeon Forge, TN for the Region 7 Meeting & Mini National. We had a great time despite the rising floodwaters. We attended a great dinner show at Hatfield & McCoy's on Friday night. Region 7 NVP Mary Allred #46602 led a good meeting Saturday morning and we had a Corps reunion Saturday afternoon. The Saturday night banquet was great. Many thanks to Tennessee and Region 7 for the great food and hospitality.

April 4-7 brought the fabulous Carolina Calabash Beach Bash in Myrtle Beach, South Carolina. Jimmy Maness did a wonderful job as Chair of this event. I also want to thank Pam Padgett, Crissie Lewis, and Hal Bowles for the great food. And special thanks to North Carolina President Aimee Scotton, South Carolina President Stephanie Hamby, and all North and South Carolina Senators for working together so well to make this event a great success! We were again honored to have President Pete and First Lady Lynn as our special guests for the weekend.

Future meetings prior to National Convention include Jekyll Island, Georgia May 2-5; Pinehurst, North Carolina June 1; and Leeds, Alabama June 7-9.

Thanks to all Region IV Senators for ALL your support this year and for "Putting Your Heart In It" the entire year. It has been an honor to serve you.

Congratulations to incoming Region IV NVP Don Ebbitt #58601 who I know will do a wonderful job. Hope to see many of you in Oregon.

PRESIDENT FLORIDA

As this year quickly draws to a close, what a wonderful and exciting time Florida's experienced and has yet to happen. The Florida Senate's support for JCI Florida continues to move forward. Florida Senators, you Returned the Favor at the Hollywood Jaycees Annual School Shopping Spree, Thanksgiving Baskets for the Needy, and Mr. & Mrs. Claus' trip south for the Christmas Parade. Then there was the Jacksonville Jaycees Project of Sports Equipment, games & gift cards for the

Rodeheaver Boys Ranch. Highlighting just a few.

We met twice with JCI Florida. First, the August Conference and luncheon on Saturday attended by over 92 Senators & JCI Florida members. We installed two new Senators, Beverly Newlin #77172 as a lost Senator and JCI Florida member Mike Souther as Senator #77173. Saturday evening was the Outstanding Young Floridian's Award Banquet attended by over 132 Senators, JCI Florida members, Outstanding Recipients, guests, & USJCI National President Tricia Buehne #69433.

Never been to one of Florida's Annual Bash Weekends, you missed a fantastic one this past Sept. in Vero Beach, with golf, a Paranormal Haunting, great food and music. Last Year's was a phenomenal success, special thanks to Chairman Doyle Sewell #63344 and his Committee. I know the one in 2019 will be just as great, plan on attending.

Thanks to our Florida Senate family who supported and gave generously to various Charities and functions throughout the year including the Easter Seals of North Central FL School, Nala's New Life Rescue, Rutherford High School's IB Senior Class Year End Awards Banquet and Wheelchairs 4 Kids. Don't forget the Naughty & Nice Bingo in Aug. and Grinchmas Exchange in Nov. supporting the FL Senate Scholarship Foundation. They give seven \$1000 scholarships to deserving High School Seniors each year. Did you check it out?

Keep up to date and enjoy our Newsletter "Chambers", browse the FLJCISenate.org website or FL Senate Facebook site. Just some of the ways Florida uses Best Practices for Communication. **READ ON** and you'll note the year while coming to a close is **"NOT OVER"**.

Highpoints as State President were many and all too soon a fond memory. Welcome to the 19 Senators that joined our Florida Senate Family this year and our newest Senators Leslie Jasmine Allen #77174 & Michael Holliday #77747. By year end, I will have traveled over 25,000 miles in and outside Florida, met with old friends and made many new friends. PRESIDENT GEORGIA

Greetings from Georgia!

It's hard to believe this Senate year is over – at least almost over. Time has truly flown by.

I want to begin by thanking the Georgia staff for the outstanding job done this year. Administrative VP, Mike Carter #44482; Treasurer, Les Howard #66478; Secretary, Sherri Carmack #76531 and of course Chairman of the Board, Larry MacQuirter #67377 have all been a true asset to our Senate Organization.

We are currently working on our biggest fund raiser of the year which is a Reverse Raffle with only 300 tickets of \$100/ticket to be sold. If you haven't purchased your ticket, you can contact any Georgia Senator for further information. You do not have to be present to win, but why miss out on all the fun?

Our year end meeting will be held as always on Jekyll Island. The dates for the meeting will be May 2-5, 2019. We will elect and install officers for the 2019-2020 Senate year at this meeting. Hope to see you there.

I look forward to the new Senate year and working with the new staff on making a successful 2019-2020. Thanks to all for the support and memories. It's been a great ride. GO DAWGS!!!

PRESIDENT NORTH CAROLINA

Raising the B.A.R. in North Carolina

When I got elected President of the North Carolina JCI Senate, I had a really hard time trying to come up with a theme for my year. I wanted it to be fun, but meaningful; insightful, but catchy. I finally settled on "Raising the B.A.R. (Believe. Achieve. Receive)." After all, as Senators, we can make a lot of jokes about the BAR (Raise the Bar; Belly up to the Bar; the Bar's Open, etc.). But I think we all know that if we truly Believe the creed, there's nothing we can't Achieve. And when we give to others, we Receive so much more. Nothing bolsters your faith like good times, and nothing tests it like hard times, and even though we're only a few months into 2019, North Carolina has had its share of both this year.

First, the good. North Carolina had a large delegation at the National Winter Board Meeting in New Orleans, and that delegation had a large time. The following weekend, we had a great meeting, held in conjunction with the North Carolina Jaycees year-end convention. At that meeting, we had the honor of hosting U.S. JCI Senate President Pete Reinecker (#11777) and his lovely First Lady, Lynn, and we inducted six new Senators. Two of our own national dignitaries, U.S. Administrative Vice President Lawrence Pittman (#53932) and Region IV Vice President Marty Wase (#53142) were also able to attend. It was a fantastic weekend.

Then, in April, we co-hosted the Calabash Beach Bash at Myrtle Beach with the South Carolina JCI Senate and held the Jim Ollis/Bobby Saunders Memorial Golf Tournament. Region IV came together for fun and fellowship and a little beach therapy. Like always, it was a fantastic time. And in mid-May (the 18th), we'll hold a cookout at the NC Boys and Girls Home, one of our favorite priority projects. It's been a great year.

Now, the bad. On January 22, my father

died suddenly. I had to cancel my plans to attend the Winter Board Meeting and instead assist with plans to bury my Daddy. Then, just a few weeks later, our own Peggy Lewis (#58375) passed away on February 6. If you knew Peggy, then you know what a hole her passing has left in our Senate family. Peggy was a force of nature, a supportive and encouraging mentor, full of spirit, gumption and determination. In fact, our cookout in May will double as a Senate memorial service for Peggy, since the Boys and Girls Home was so close to her heart. It's hard to believe she's gone.

It would be easy to dwell on these losses and to allow them to shake our foundations, but if you look closely, they can bolster your faith instead. For the six months preceding his death, my father seemed to be on a healthcare roller coaster. He was in the hospital, then rehab, then home; hospital, then rehab. While I was visiting him at the hospital and then in the rehab center, I kept thinking how hard it was to keep that schedule. It seemed like I was always either at work or in some facility. But when he died, I realized how thankful I am for those visits. I wouldn't have spent nearly as much time with him if he'd been at home, and I wouldn't have had so much one-on-one time with him. And I know where he is now and that he's happy. Peggy's last few months were a cycle of hospital stays. As hard as her passing is for us, she's at peace. We know where she is and we know that she's happy. We Believe—in God, in love and in each other.

It's also important to note that all of this adversity has also served to pull us together even closer as a Senate family. I feel the love and concern of my fellow Senators as I grieve my father. And I see the love that Senators from across Region IV have expressed for Peggy and how they want to honor her. It's a reminder that we're always here for each other, in good times and in bad, and that's such a comfort. It's the wind in our sails, the gas that keeps the motor running when things get tough. It's why we're able to Achieve the wonderful things we accomplish and it's why we're able to Achieve strength and resilience in hard times. This is what enables us to Receive the many gifts that God has given us this year—the gifts of good times and pride in our accomplishments, the gifts of love and support from one another, the gift of hope for a bright future. Life isn't really measured by what happens. It's measured by love and friendship and family. And life is good in the NC JCI Senate.

PRESIDENT SOUTH CAROLINA

Fellow Senators -

The South Carolina Senate met in conjunction with the South Carolina Jaycees the weekend of March 22 - 23, 2019 in Anderson, South Carolina. South Carolina Senators along with the South Carolina Jaycees attended the South Carolina Jaycee annual Jaycee Camp Hope clean up. During this event, we all worked to beautify our camp by cleaning up debris from the winter in order to welcome spring and begin the preparations for our campers this upcoming summer camp season.

The South Carolina Senate in conjunction with the North Carolina Senate hosted the annual Calabash Beach Bash in Myrtle Beach the weekend of April 5 - 7, 2019 at the Dayton House. A special thank you needs to be extended to Jimmy Maness, Pam Padgett, and Chrissy Lewis of the North Carolina Senate for their dedication and hard work they demonstrated organizing, planning and executing a fun-filled weekend at the Calabash Beach Bash.

The next South Carolina Senate meeting will be in conjunction with the South Carolina Jaycees in Clemson, South Carolina the weekend of July 19 - 21, 2019. On Sunday, July 21, the South Carolina Senate along with the South Carolina Jaycees will be attending our annual Jaycee Camp Hope Sunday, where we will fellowship and have lunch with our Jaycee Camp Hope campers. If you would like to join us for any of our events and/or meetings, feel free to contact me at s.hamby.0706@gmail.com.

Greetings from Region V,

It is so hard to believe this is the last Mentor's article of the Shakin' It Up in MOKII year. It has gone by so fast, but it has been filled with great times, good friends and lasting memories!

The Fab Five; MI President Matt Sernau #72678, OH President Joe Callison #71418, KY President Keith Schnell #43086, IL President Bill Patterson #47979 and IN President Tracie Pouch #72126 have been the best State Presidents ever! Thank you for your commitment and dedication to your respective states.

This last quarter has been a busy one in Region V. Michigan had another successful Post Holiday Party, February and May Senate meetings. They have elected a new board and will carry on the success of this year into next year. Ohio continues to promote Senatorships to JCI chapters. Their February and May meetings were well attended with new and old Senators. They had a good turnout to judge scholarships and sent two academic winners to the US JCI Senate Foundation for judging.

Kentucky meet jointly with Indiana in January and announced officers for next year. They are promoting the Bourbon Bash in August and the 2020 Spring Fling in Bowling Green.

Illinois had a good meeting in February and supported JCI Illinois at the TOYP in May. There were two inductees into the Hall of Fame, and both were very deserving.

Indiana also made announcements of their board for next year at the joint meeting in Clarksville, Indiana in January. The 50th Anniversary Celebration in March was excellent. With 17 Past Presidents in attendance there were some great memories shared. Senatorship #77787 was presented to First Gentleman, Mike Pouch. Not only was Mike surprised, but so was President Tracie Pouch as she was unaware Mike was receiving his Senatorship.

In March the 2019 Spring Fling was held

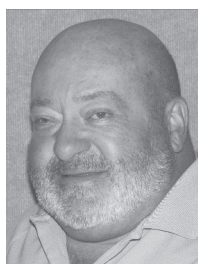

in Fairborn, Ohio. With 125 in attendance there was a great St Paddy's Day party Friday night to get the weekend activities started. For the first time the Memorial Service was a part of the Business Meeting Saturday morning. Mr. Will Chester from Kentucky was elected Region V Vice-President for the 2019-2020 year. The Terry "Stump" Laster Award was presented to Ohio JCI Senate President, Joe Callison as the Outstanding State President of Region V. Congratulations Joe! We were fortunate to have National President Pete Reinecker and First Lady Lynn with us for our year-end celebration. Thank you both for attending.

I have had the opportunity to serve with a wonderful group of fellow National Vice-Presidents. You have made this year fun and I know we will be friends for a long time.

Thank you, President Pete and First Lady Lynn, for your service and dedication this year. I hope you have enjoyed the travels and friendships in Region V!

I look forward to seeing everyone in Portland (Clackamas), Oregon to celebrate our "Reaching Out" year.

Shakin' It Up in MOKII,
Vicky Dempsey #58206

PRESIDENT ILLINOIS

Greetings from the Illinois Caddyshack!

Golf opportunities this winter have been few and far between. As spring returns and the snowbirds head back north we witness the rebirth of the land and find new hope for warmer weather. It's time to clean up the clubs and head back to the Caddyshack!

The weather in New Orleans for the National Winter Meeting was not great by Louisiana standards, but was much better than what we had been getting at home. We did get one round of golf in. The Illinois Senate was recognized as an Outstanding Road Runner State. Great job, Chris Curtis #35540! We had a nice size group in attendance. Susie Colbert-Curtis #73137 has done a fine job promoting all Senate events. Thanks to all of our chairmen for their dedication to the Illinois Senate.

The Mini National in Pigeon Forge was a great opportunity for fellowship and also well attended by Illinois. Thank you goes out to Tennessee President Nancy Cardwell #54264, Chair Sam Hamblen #44355 and your team for providing the excellent hospitality. The only "damper" on the weekend was again the weather. You could have floated an Ark in front of the hotel.

The Region V Spring Fling in Fairborn, Ohio was also well attended by the Illinois Travel Crew. Marilyn Burton #55106 put together an extremely touching Memorial Service. Region V Vice-President Vicky Dempsey #58206 threw a great party weekend. Our Vice-President for next year will be Will Chester #63037 of Kentucky. Joe Callison #71418 of Ohio received the "Stump Award" as The Outstanding State President in Region V. It was very well deserved!

The Indiana Senate's 50th Anniversary was a really nice, classy event, and very well attended. Congratulations to Indiana Senate President Tracie Pouch #72126, Chair Linda Andrews #71434, and their outstanding committee on a job well done. I hope that many of you will attend the TOYP and Hall of Fame Awards at the May 3-5 meeting in Springfield. Gary Hongsermeier #39708 and Mary Ann Gouveia Riggs #52696 will be inducted into the Illinois Jaycees Hall of Fame. It would be great to have a strong show of support for them and the Illinois Jaycees.

Please consider this to be your invitation to join us for the Illinois Senate Picnic in
(Continued on page 26)

(Continued from page 25)

Savoy, Illinois on July 23-28. You won't want to miss all the fun! There will be Bar-B-Que, two days of golf on the University of Illinois courses, "Bar-Burgers" an Illinois tradition, an outstanding Steak Dinner and some of the best hospitality that you will enjoy anywhere!

We have only a short time left in this Senate year. It took a great deal of hard work to be honored with a Senatorship. Receiving a Senatorship should not be the end of the story; it should be the beginning of a new chapter in your story. Please take the time to invite one of our less active Senators to get back involved with our group. We need them, and they will appreciate that you cared enough to ask. Please take the leap and "Reach Out"!

I hope to see you all in Springfield and on to Savoy! Keep them in the fairway!

**PRESIDENT
OHIO**

Greetings to you all from the Ohio JCI Senate. It's kind of crazy to think that my last Mentors article of the year is the first one of 2019. But then again, crazy sort of sums up the past few months.

After spending a lot of quality time with our loved ones during the holidays, we got back to spending more quality time with our Senate family. In January, we visited the Michigan JCI Senate at their annual Post Holiday Party. Thanks to President Matt Sernau and the gang for your awesome hospitality. Of course, in true Ohio JCI Senate fashion, the night before we had the PRE-Post Holiday in the Toledo area, where we also celebrated the birthdays of Earl Rice #47046 and Stu O'Hara #39768.

In January, we also had a large Ohio delegation travel to New Orleans for the USJCI Senate Winter BOD. I'm pretty sure everybody had a fantastic time down there. I know I did, even if Jean Geddes tried to leave me locked in the car. A special thank you to JCI USA President Tricia Buehne and Deputy National President Justin Wutzke for attending the PIE meeting. After returning from New Orleans, I had the opportunity to attend the Chillicothe Jaycees Appreciation Banquet, where I got to see my good friend Jennifer Harper being honored with Senatorship #77672.

We started off February by spending the day in Delphos, OH while judging scholarships for the Ohio JCI Senate C & E Foundation. Later that evening, we attended the North Columbus Jaycees Year -End where they presented 3 more Senatorships. They were Karen Huffman #77668, John Skaggs #77669, and Greg Thirtyacre III #77670. The following weekend, we held our February meeting as we joined the Ohio Jaycees at their Year-End Convention. Congratulations to 2018 JCI Ohio President Melissa Salamon #76805 on a successful year, and best of luck to 2019 President Annie Yoder. Congratulations, as well, to Jenny Bruner #64688 as the 2018 Ohio Jaycees Senator of the Year. Then we closed out the 3rd

(Continued on page 27)

(Continued from page 26)

quarter with 4 more new Senators from the Riverside Jaycees.

Congratulations to Jeff Strausbaugh #77741, Jana Mixon #77742, Nina Thompson #77743, and Shelley Shewmaker #77744. For those of you who are keeping count... that's 8 brand-new Ohio Senators so far this year.

In March, we welcomed everybody to my hometown of Fairborn, OH for the Region V Spring Fling. We had a blast celebrating our NVP, Ohio's own Vicky Dempsey #58206. We also elected next year's NVP, Will Chester #63037, from Kentucky. Thank you so much to everybody who came out and made it such a fun event. Then we helped the Indiana JCI Senate celebrate their 50th Anniversary. President Tracie and her team threw one heck of a party.

By the time you read this, we will have had our Year-End Meeting and Elections. I know we have a full slate of candidates who will continue to lead the Ohio JCI Senate to another successful year, which we will kick off with the 39th Annual Ohio JCI Senate Pig Roast in Montpelier, OH on July 19th & 20th.

I look forward to seeing many of you in Portland for the USJCI Annual Convention. I hope that you all have safe travels until then.

Yours in JCI Spirit,

PRESIDENT MICHIGAN

Spring is nearly upon us! After a grueling winter it is great to see the flowers and trees beginning to bloom. Just as the new season kicks off, it's also a great time to reflect on the past year in the senate.

My presidential theme for the '18- '19 Michigan JCI Senate year has been "Your Life Is Now". My hope has been to encourage camaraderie amongst our

members and to live life to the fullest. This really hit home at Spring Fling during the memorial service when paying respects to those who have passed. Reflecting on the experiences that the senate provides reminds us just how important every day is.

While it's important to honor the past, we must also look to the future. Spring is a season of motivation and encouragement. I challenge you to use this season to reconnect with your fellow Senators and to reach out to inspire and mentor current Jaycees.

This May, JCI Michigan and the Michigan JCI Senate are returning to Boyne! JCI Michigan President Steve Fappas has a goal to bring 400 people to Boyne. If you enjoy world class golf, wine tasting, or just a downright good time, this is a great occasion to visit Michigan! We will also be holding the elections for our 2019-2020 officers. I can't wait to see everyone there!

Finally, thank you for the opportunity to serve over the past year. I am eternally grateful for the friendships and connections that I've made not only within my home state but across the country. I will forever cherish this experience.

Regards,

Matt Sernau
2018-19 President

Howdy Senators

I would like to thank Louisiana, Region VII along with senators from Region VI for a wonderful Winter National BOD in New Orleans. The cooperation between these regions was impressive.

The meeting and food were great. New Orleans showed us how they can party. Mardi Gras world was fun to tour and get firsthand knowledge how the floats are assembled and what goes into making them.

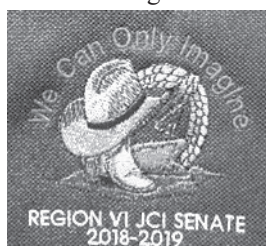

The beignets were fantastic. With the powder sugar that is on them, it is best not to wear dark clothing. The French Quarter had lots of interesting shops.

February, I had the opportunity to visit the great state of Tennessee for Region VII meeting. Thank you, Mary Allred #46602, Region VII and Tennessee, for a wonderful meeting. Even flooding did not stop us from enjoying ourselves. The Hatfield's and McCoy's dinner theatre were enjoyable.

In March, Deb Rothweiler 65300 and myself headed to MAI hosted by Regions 2 and 3 or as they would like to call Region 23. Thank you, George Fields #46096 and Tom King #59642, for hosting a dynamite meeting. It was a welcome change to get someplace warmer even for a weekend.

April 12-14, Region VI had their spring Regional meeting and election for the next NVP in New Ulm, Minnesota. In April and May most of the states in Region VI will have their elections for the upcoming year.

PRESIDENT IOWA

Greetings from Iowa:

Where to start... where to start, the Iowa Senate has been very busy over the winter and spring.

In January the Iowa Co-Hosted Winter boards in New Orleans with the Louisiana Senate. I would like to thank the Louisiana Senate, Louisiana Senate President, Mary Henry #58491 and Co-Chair Travis Boatright #40008 for all their hard work and great hospitality. Also, a big thank you to Newton Standridge #29407 and his committee and the Iowa Senators who also helped with this event. As at any Senate event, lots of great food, good fun with lots of laughter, and connecting with our Senate family.

February brought Scholarship judging and more snow which caused several Senators to miss out on the judging, myself included. Thank you to John Buttolph #46346 for the great job as Scholarship Chair. Iowa had 160 applications that were judged by 13 Senators including two of our newer Senators, Emily Vaughn #77301 and Jason Hancock #75970. Iowa sent two fantastic candidates onto National, Amanda Dougherty of Epworth, Iowa and Bridget Berns of Waukon, Iowa. Good luck to both of Iowa finalists.

The Senate meeting in February, in conjunction with the JCI Iowa Year End Meeting, brought the election of the 2019-2010 Senate officers. Congratulations to President Elect Angie Taylor #71600, Treasurer Elect, Tim Kalvig #63828 and Secretary Elect, Joanna Schwab #71117. I know they will have a fantastic year and do an excellent job leading the Iowa

Senate in the upcoming year.

The evening Awards at the Year End banquet saw the Iowa Senate family grow as we welcomed six new members: Joe Baitinger #77756, Scott Christopher #77757, Noah Jackson #77758, Kim Loy #77759 all from Clive, and from Clinton Travis Winter #77266 and Ryan Stevens #77737. Also, this quarter we welcome two other Senators who joined the Iowa Senate family, Jim Farrier #62738 from Cedar Rapids and Ed Silhacek from Laguna Woods, California.

April brought the Region VI Regional held April 12th – 14th in New Ulm, Minnesota. The Minnesota Senate went with the theme "It's the Great North Star" Charlie Brown and all things Charlie Brown. We elected the next Regional VI Vice-President, Dave Delaney #41203 from Missouri. Congratulations to Dave and his officers. Our travel agent Sharon Leppla #44742 did a great job letting us know all there was to see and do in New Ulm. I enjoyed not only the Regional but my visit to New Ulm and I can't wait to go visit again.

In June it will be onto National Convention in Clackamas, Oregon to celebrate President Pete's year of "Reaching Out" and all that the US JCI Senate has accomplished this year. It will be a time for fun and reconnecting with our JCI family from all across the country. Hope to see you there.

In July I will be celebrating the end of my year at the Senate Picnic set for July 12th – 14th in Dyersville, Iowa at the Comfort Inn. The chair Tammy Welbes #70315, has arranged for lots of good food and hospitality for all who attend. We will be swearing at, excess me that is swearing in, the new Iowa Senate officers at this meeting. "If you build it they will come". Hope you can join us for the party.

As my year is coming to an end, I want to thank my exec board, Lora Lawton #66156, Tim Kalvig #63828 and Eldon Bowers #45599 for their assistance and guidance, the elected and appointed officers for all their hard work and the Iowa Senate for their support. You all

have helped to make this my "Best Work of Life." It was an honor and a privilege being Iowa's President and serving with President Pete Reinecker #11777.

Senators always strive towards your "Best Work of Life".

PRESIDENT MINNESOTA

Hi everyone,

Well I don't know about all of you but I'm so glad winter is done and it's officially spring. And a busy one it is! By the time you all are reading this we will have worked for the month of April the Bemidji Home Sport and Travel Show, Hosted the Region 6 spring meeting in New Ulm. (I hope everyone had a great time) and held our Year End Meeting and Elections. I'm thrilled to say we have people stepping up for the next year, yeah! And then on to May where we will be being going to the MN Jaycees Spring All State meeting and awarding newer Senatorships, YEAH!

I was my distinct honor to present 3 new Senatorships at the January MN Jaycees Annual Convention. So please welcome with me #77658 Jari Steinlage from the Hopkins Jaycees, #77659 Brenda Sadowski from the Hopkins Jaycees and #77656 Eva Fisher from the Bemidji Jaycees. They are great ladies who are hard workers who will do wonderful things in the MN Senate.

Now I would like to start with a big thank you to all my board members who stepped up and worked hard. I don't know how I would have made it thru the year without each of you! I'll start with Lori Matthys for your hard work and listening to me when life has been driving me crazy. Thank you to Doreen Lietzau and Kettie Green for your sage advice and listening to me also. Thank you to Toon for all your help at all times, always taking care of stuff that's not even close to your job to do! And thank you Tracey Biegert and Nancy Stredde and for being on top of stuff!

Thank you, Juanita, for taking on two jobs. Thank you, Richard Beck, for stepping up and doing the job. Thank you, Leslie Heinonen, for doing a great newsletter. Tom Joyal for getting all the updates out and our website up. Thank you to Greg Borders, Mike Libby, Char Blashill, Patti Joyal, and Don Heinonen for continuing on for my year and doing your jobs. Thank you, first time board members Joel Blom and Gail Chilman. Thank you, Keith St. Marie. Thank you to my 1st VP Sarah Borders and 2nd VP Kris Wilke you are great. Without all the help and support from such wonderful people I would be in a padded room right now! Thank you, Minnesota Senate, for the honor to have served as your 46th MN Senate President.

Yours in Jaycee's,

PRESIDENT MISSOURI

Hello US JCI Senators,

It doesn't feel like a whole year has gone by, but the year has ticked away. Currently Tonya and I have been in 14 states and the year isn't quite over. Times in Missouri have been a bit hectic in these last few months, but we are working hard to finish strong. I want to thank each one of my board that has worked so hard, making this a great year for Missouri. Chris Deen #73300, David Teachout #68700, Terri Rowland #67003, and Kristin Johnson #72859. You guys have made this a fun journey.

Secondly, I really need to thank all of Missouri. This state organization makes all this pleasurable and a great learning experience. Just as I am out there trying to help mentor our next generation of Jaycees our existing Senators have been there mentoring me all the way making this one big joyous circle.

At our January meeting we share with the Jaycees we added 4 new Senators. As well as celebrated our accomplishments over the last trimester. Earl Sawyer #28243 and Mary Sawyer #43930 both won the Road Runner award. Bonita Hart #59553 won the Lewis Ash mentor award and Donna

DeLaney #55560 took home the Brad Wetter Mentor award.

I am not looking forward to this year ending because year end awards will be extremely difficult with all the great members we have and all the work they have put in this year. It was truly an honor to serve as this years State President.

One big piece we have already accomplished is the work we have accomplished with our future directions team. If everything goes to plan, I believe we have the five years slated out. I don't see Missouri slowing down at all as we move thru a changing of the guard. Next year's team is poised and ready to continue our successful journey.

Last but certainly not least I wouldn't have gotten thru this year without my First Anonymous Tonya Benton #66222 who officially became the First Lady of the state in March as Mrs. Tonya Myers.

As we finish the year let's keep reaching out; to all finish strong as a group. Look forward to seeing you all soon.

PRESIDENT NORTH DAKOTA

Hello from ND,

We did our Scholarship judging back in January and picked 2 winners to go onto Nationals and 2 needs based students. Those are always the hardest to choose.

The ND Senate had a good turnout at the Region 6 meeting in New Ulm. Thank you to Sharon Leppla and the MN Senate for a wonderful Germany time. At the meeting we are planning to have a meeting and do our elections for 2019-20. I do have a replacement for President in Connie Olson. It will be great to be COB again.

The ND Senate will be hosting the Region 6 meeting the weekend of April 17-19, 2020 in Bismarck ND. Looking forward to everyone being able to see the state capital.

PRESIDENT NEBRASKA

Hello Senators all across the great USA! Kenner/New Orleans was a blast! Dad = Marlin Sanny #13967 and I drove there and had pretty decent weather.

We intended to do some sight-seeing and boy did we ever. The French Quarter, Bourbon Street, the World War II Museum and everything in between. Also, Nebraska was at Growth in December. Way to go team!

We helped out the Iowa and Louisiana Senates with manpower and had fun doing it. Good food. And even better friends!

Mid-April will find several of us exploring our German Heritage in New Ulm, MN. This is where we will meet for the Region VI Spring Meeting. Yea!

The Nebraska quarterly meeting for January was cancelled due a snow storm. Go figure, right? Our upcoming meeting is April 26-27 in Grand Island. Elections will be held and we are having a social at the horse races.

In June, we'll see you in Portland for year end. It really has been a wonderful year and I've enjoyed my time serving as the President for the great state of Nebraska! Thanks to an awesome board of directors it was a terrific experience.

PRESIDENT SOUTH DAKOTA

Greetings Fellow Senators

It has been a long winter in South Dakota. We are looking forward to the warmer weather. We will be having our Spring Meeting in Oacoma on May 3-5. We have our elections at the meeting. I'm excited to be able say that we have candidates for every office including my replacement for President.

We will be celebrating the 45th Anniversary of SD JCI Senate this summer in Mitchell, SD. We have some fun things lined up and some great speakers. Mitchell is the home of the World's only Corn Palace and I'm sure we will arrange a tour. Contact any SD Jaycee Senator for more information.

Looking forward to the weather turning nicer.

Howdy; I had the opportunity to participate in a webinar about Mentors Magazine!! I only recently learned what a webinar was!

So, while my Dad is in his "snowbird home" in Arizona, he hosts a Southern Senators "gathering". Alcohol may be involved!! So, this year he got to have our own National JCI President Pete Reinecker #11777 in attendance. He has pretty much always been there, but now is a big shot!! Others in attendance Keith Sherer #10703, Jack Warren #4816, Norm Pearson #16391, Wes Price #15754, Rocky Schaffit, WA Senator, Dave Green #5241, & Gary Parker #9279. All Oregon Senators, with the exception as noted.

Now to see if I did this correctly so it can be published in the Mentors!! I have been assured that a great time was had by all!!

Respectfully submitted; Mike Green #49408

I would like to say a BIG THANK YOU to the Arkansas, Louisiana, Mississippi, and the Tennessee JCI Senators for giving me the opportunity to serve as your US JCI Senate Region VII National Vice President. It has been a great Honor to serve you all.

The Arkansas JCI Senate along with President Harold Carpenter #39595 and his officers are continuing to promote the Senate with their Foundation Scholarships. Also, a Big Thank you to Treasurer Ray Hackworth #19564 for keeping me informed with their membership submissions. Thank You all for your hard work this year.

The Louisiana JCI Senate along with President Mary Henry #58491 and Chairman Travis Boatright #40008 hosted the US JCI Senate Winter Board Meeting in Kenner, LA in January along with the Iowa JCI Senate. It was a huge success. Thank you to Senator Ronnie Henry #44925 and the Iowa JCI Senate for all their hard work and cooking during the weekend, without everyone's help it would not have been a success. And for the first time in many years ALL 4 states was represented at the Winter Board meeting. Thank You to everyone who was in attendance during the weekend. I hope you had a good time.

The Mississippi JCI Senate along with President Joe Collins #57893 has been supporting the Mississippi Jaycee by recruiting new members and new chapters in their great state. It was great to have a 3-hour lunch with President Joe to learn all about their happens in Mississippi. Also, thank you to Treasurer Ronnie Blakeney #45046 for coming to New Orleans Winter Board Meeting.

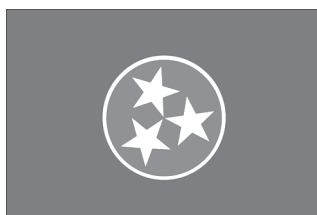

The Tennessee JCI Senate along with President Nancy Cardwell #54264 and Chairman Sam Hamblen #44355 hosted the Region 7 and US JCI Senate Mini National Meeting in Pigeon Forge, TN in February as we "Let your Super Hero Show". Thank you to the committee and to Senator Teresa Beans # for the Wonderful food and to Dawna Norfleet #61999 for the Beautiful Baskets. You

both always go beyond the call of duty to make this meeting a success. Tennessee Senators are always helping the Jaycees with training, recruiting, and helping with many of their projects.

As you can see Region 7 has been "Staying on Track" this year and I hope everyone keeps on working hard for the Jaycees and the US JCI Senate.

Looking forward to seeing everyone in Portland,

PRESIDENT TENNESSEE

Happy Spring from Tennessee,

Wow! I can't believe my year is coming to a close. What a wonderful year this has been!

I was able to attend the National JCI Senate Winter Board. I had a great time and it was wonderful to meet so many people and especially the other state Presidents. A big thank you to Nancy Gianetti #69463 for arranging the opportunity for us to exchange ideas from each of our states. Another thanks to Carolyn Smith #64564 for the First Timers program. I really learned a lot about the National Senate organization and was able to bring back great info to pass along to our Senators.

Region VII/mini-national was held in February in Pigeon Forge. A large time was had by all!!! We all got to be our Super Hero. Yet another thanks to Sam Hamblen #44355 and his committee for hosting such a wonderful weekend even with the flash flood in the front of the

hotel. The TN JCI Senate was more than honored to present TN honorary Senatorship #2 to Ann Derryberry. I'm not sure who was surprised more – her or her brother, Doc McCarty #14783.

The TN JCI Senate is so fortunate to have such a great state organization in the TN Jaycees.

We were proud to present three new Senatorships at the TN Jaycee year-end convention held during the same weekend as Region VII/mini-national in February. President Pete #11777 and first lady, Lynn #66295 were able to join us to help present these Senatorships which just made the evening more special. Congrat's to Todd Jernigan #77774, Brent Young #77766 and Brittany Burton #77755. The TN JCI Senate is EXCITED to welcome you to our Senate family.

The TN Jaycee's 80th President Ryan has chosen as his theme "Honoring the Past, Enriching the Present, and Building the Future. We are enjoying sharing stories of our past as Jaycees but also learning the ways of the present (so much social media) and looking forward to building the future.

PRESIDENT MISSISSIPPI

Hello Mississippi JCI Senators:

I hope 2019 has begun in an ABSOLUTELY wonderful fashion for you all. Recently our JCI NVP Mary Allred, past NVPs Dawna and Larry Norfleet and I had dinner together her in Meridian at historic Weidmans Restaurant.

They were going to New Orleans to a board meeting and we discussed the Mississippi JCI Senates past and future. Also Vice President and Treasurer Ronnie Blakeney was able to attend that board meeting and came away with some GREAT ideas concerning the implementation of those ideas and the future of our senate organization!!!

JCI Mississippi has seen astounding growth in the past year thanks to outstanding leadership for the Hattiesburg Jaycees, past Hattiesburg and JCI Mississippi President Miranda Williams, current JCI Mississippi President Kayla Cedotal and MANY others!!

COB Miranda has asked my daughter Jaycie Collins to assist the Hattiesburg Jaycees with the Mississippi Special Olympics Torch Run this year, Jaycie is a Special Olympics swimmer who won a gold and Bronze medal in Seattle last year at the National Games which is held every four years.

She is ecstatic at the thought of being involved in the run!! Also pictured is a HOY bell from Mississippi Jaycee history!!

ave a GREAT quarter everyone and you will be hearing from Ronnie and I.

What a year! Where did it go? I am so proud of my Region's Presidents. They have been working hard reaching out to Senators and Jaycees alike. Working to reinvigorate them and their love of our organizations.

This quarter, I have had the pleasure of visiting Kansas, Oklahoma and Texas events (I even held a rattlesnake). National meetings, Mardi Gras beads and crazy hats bring memories that I will treasure forever.

I'd like to thank my wife, Shannon, and daughter, Jewel, for the support and for enduring the long travel.

I'd also like to thank President Nancy Cloud #52750 Oklahoma, President Andreas Vandever #75413 Kansas, President Ann Engle #71560 Colorado and President Rob McCann #75151 and their teams for all of the hard work they have put in this past year.

Although I will not be a Vice President this next year, I look forward to remaining active with the organization and in Colorado and they work to bring the JCI organization back to life.

PRESIDENT TEXAS

Friends,

It is very bittersweet when I think that this is my last article as Texas Senate President. The year has flown past and Texas has had a great one. Thank you to my wife, Joanna McCann. You are my rock and my best friend. The past year would not have been possible without your love, understanding and emotional support. My Board... Scott, Robert, Tom, Pat and Dave. There are no words to truly express my gratitude for all the work you have done. It has been an honor to serve with you. The future looks great in Texas with you guys at the helm.

Logan, RJ, Bill and Jack...you guys are the absolute best. You have been my mentors and have went above and beyond. I love you guys. My NVP Neil Klocker and his wife Shannon have become family. You two are a blessing. Thank you for your work and dedication to the Senate. Michelle (aka 2 Shot Shellie) you never cease to amaze me.

Your dedication to this organization is awe inspiring. Thank you for putting up with Dave and me.

Dave. My brother, mentor and go to guy. our 2-year plan worked. It was a success, we did it!!! We grew Texas, got Senators to traveling with Jaycees and proved everyone wrong. Thank you, brother. I have been blessed with working with 2 awesome Texas JCI Presidents who are also Senators. Nathan Uloth and Rebecca Clark...thank you for getting the relationship between Texas Senate and the Texas JCI headed back in the right direction. We have accomplished so much in Texas but we aren't finished yet. Our Jaycees and Senators are traveling again. We are helping each other and helping other chapters. We were tasked by our Presidents to "Reach Out" and "Be the Change". Texas you have certainly done that and more.

Texas has a busy year ahead of us. You do not need to be a Texas Senator to be part of the Change. We are reaching out and calling all Senators...Come help us grow the JCI movement. Come fellowship with us. Get down here and let's get r did all.

Thank you for the honor of serving as the 51st President of the Texas JCI Senate.

PRESIDENT IDAHO

Greetings from the Idaho JCI Senate,

By the time you read this we will have held our Annual meeting at beautiful Riggins, Idaho, located along the world-famous Salmon River. It was held April 26-27-28 and we also hosted the Region IX meeting at that time. This was a non-election year for the Idaho JCI Senate as we go for 2-year terms but the election for Region IX vice-president was held at that time.

I am sure we all had a great time and got to meet several of the candidates for National offices.

Upcoming is our annual Idaho JCI Senate Campout, which is set for July 26-27-28, 2019 at Kamiah, Idaho at the Kamiah/Clearwater KOA. We look forward to more great food, drink and fellowship at that time.

We hope to have several Idaho Senators at the USJCI Senate meeting at Clackamas, Oregon (near Portland). I personally plan to make it over for at least the banquet on Thursday as work conflicts keep me from attending the entire meeting.

Yours in the
JCI Senate,

Another BUSY quarter for the beginning of 2019!!!

Thank you to Region 6 and Travis Boatright for putting on a wonderful Winter Board in New Orleans!! What a FANTASTIC time!! New Orleans is one of my favorite places to visit. Lots to see, do, eat and drink!! The people there are so hospitable and we tried a lot of different foods!! All so yummy!! And I tried a LOT of different hurricanes to see who made the best! Still not sure!!! Lafitte's Blacksmith Shop does a pretty good job though!!

Then we did several tours – the cemetery tour was awesome with our tour guide, Toast!! Yeah, really. He was very informative with lots of great stories. We did a tour of the Garden District and saw John Goodman's home and others were pointed out. Another fun one was "The Dirty, Little Secrets of New Orleans" about the prostitution and bordellos that came to be when New Orleans was new! Definitely a must!

We had quite a turnout from Region X – 12 from California, 10 from Arizona and 5 from Nevada!! Thank you to all who attended. We did not get to visit much as everyone was busy in the French Quarter!!

Then my next trip was to Hawaii for "Old Timers". Doug Meyers #21511 travelled with me and we escorted Lynne and Pete Reinecker, our current president and Frist Lady around the island. It was a busy trip but I still was able to have my Mai Tai at the Royal Hawaiian!! They make the best!!

We had Karaoke night – yes, Pete and I did a duo!!! It's a MUST as president and VP. Thank you, Pete for doing it together! No one wants to hear me sing by myself!!

The Old Timers and Senate banquet was great. I was able to talk with a lot of the senators I've met over the years. It's wonderful to see them. The two honorees were outstanding. The speeches were fun and entertaining.

Then special congratulations to two Hawaii

senators for receiving Return the Favor awards. Milton Kauahi #57359 received the award for Overall Senator for the first trimester. Fred Kitajima #44749 for Top senator for the first trimester. A special Thank You to Hawaii Jaycee president, Tyler Hiranaka for submitting them. Both were well deserved!! Congratulations to both of you!!!

It was a busy 4 days. I want to thank the Hawaii Senate for their awesome hospitality and taking such good care of me!! Yvette Lee, Kathryn Chung, Clyde Matsomoto, and Jon Nishihara – Thank you.

Then back to CA for their 3rd quarter meeting in Southern California. It's been busy.

Our next meeting will be in San Jose, the first weekend of May for the CA Convention and Region X meeting. We will be having elections for both groups. We have Mike Andrews coming to represent the National contingency for the Portland meeting. We are expecting a great turnout from CA, AZ and NV so it will be an awesome weekend. Lots of events planned to keep everyone entertained.

Last but not least I want to thank everyone for their support for me as your Region X Vice President. I've enjoyed traveling around the US this past year although I would have liked to have done a little more.

Thank you all!

PRESIDENT ARIZONA

Beads! Beignets! Hurricanes! What a fun weekend in New Orleans at Winter Boards! Everyone had a fabulous time in NOLA! My husband, Glen & I had a wonderful time touring the French Quarter. I also got to meet & visit with family in New Orleans on Sunday. Thank you to Wendy Bell #45198 for getting some of us from Region X together for dinner Saturday night. Thanks to Nancy Gianetti #69463 and President Pete #11777 for coordinating with the US JCI/Jaycees in assisting the Senate and Senate Presidents in getting access to information, forms, etc. from the US Jaycees to assist the Senate in recruiting Jaycees and helping struggling chapters within our home states. It was a great weekend!

I can't believe we're already halfway through March, it seems like just yesterday we were all together celebrating Christmas at Arizona's Holiday Party in Tempe. President Pete loved his 2004 Parada del Sol Rodeo print! Thanks to Carolyn Smith #64564 and her family for putting on a FABULOUS hospitality suite! I think everyone that participated enjoyed the wine tasting from AZ winery, Cellar 433. Dinner Saturday night and the play, *A Christmas Carol*, was an enjoyable evening for all!

(Continued on page 40)

On the calendar:

AZ has been participating in some events with local Kiwanis clubs to help raise money for the AZ Senate. And are looking into other events for the spring.

At the beginning of February, a couple of the Valley senators went down to Yuma to assist their senators & help with the Yuma Jaycees Silver Spur rodeo.

We had our quarterly meeting Saturday, February 23rd

Looking forward to the Region X meeting in San Jose, CA the weekend of May 3rd – 5th

Year-end convention in Portland, OR June 17th – 20th

Also, regarding Portland – currently there are no wine tours scheduled, however there are a number of us interested in doing a wine tour. I'm willing to put something together for Sunday, June 16th (and try to get us a deal) I just need to get a head count of interested parties. Right now, we have Glen & myself, Lynne & Dave Minick, Deb & Lowell Vahl, Carolyn Smith & Cheryl Carlson. So, let me know if you'd like to join us.

Looking forward to seeing everyone in San Jose!

PRESIDENT CALIFORNIA

Hello from California!

Wow! We have had a busy few months -- two great holiday parties hosted by Senator Gina Kortz in the North and Senator Beth Fujishige in the South. Part of that excitement is that we had friends we have not seen in years come out, it reminds us of how great our Senate family is and how we can fall right back into those old relationships as if there was never a break. I hope we continue to see all of our old and new friends in the coming years as well!

The winter meeting in New Orleans was fantastic (or so I heard). Unfortunately, I had to cancel my plans to attend due to illness however the photos that you my friends were posting were amazing!! Thank you for sharing your adventures!

I am also so excited to say that at our February California JCI alumni weekend, we had members of the new CA JCI board attend, and I had the privilege of swearing in the new president Jessper Maquindang. Jessper has great plans for this coming year and I look forward to working with him over the new 12 months. I am feeling a new sense of excitement with the CA Jaycees and I look forward to seeing the movement grow.

We are coming up on our end of year meeting the weekend of May 3 to 5 in San Jose. Please join us to share in not only the Region X meeting but the all the other end of year festivities. Our theme is based on the movie The Sting and is "all about the con". We will have games, a costume contest (bring your best '30s attire) and even our Saturday night dinner will be themed with food from that era - the food will be fresh just styles after the types of meals from that time.

This has been a great year and I am glad for this experience and the new friendships made over these last 12 months.

PRESIDENT HAWAII

The ALOHA State welcomed JCI Senate Region X Vice-President (RXVP) **Wendy Bell**, JCI Senate Past-President **Doug Meyers**, JCI Senate President **Pete Reinecker**, and JCI Senate First Lady **Lynn Reinecker** to Honolulu, Hawaii to attend the 2019 Hawaii JCI Senate and Old-timers Recognition Weekend. Their whirlwind four days became somewhat of a foodie tour!

On Thursday, February 7th, the US JCI Senate delegation sang karaoke at Anyplace Lounge. RXVP Wendy and President Pete belted out Sonny and Cher's "I Got You Babe," and there were mai tais, fried rice, chicken katsu, steak fries, and edamame.

The 40th Annual Hawaii JCI Senate and Old-timers Recognition Banquet took place at the Manoa Grand Ballroom on Friday, February 8th. We honored JCI Senators Terence Young #51370 and JCI Senator Larry Ordonez #68304 for contributions to the Hawaii Jaycees and community. President Pete and RXVP Wendy took part in a Chinese lion dance tradition on stage, a first for them! And, the dinner buffet was outstanding complete with coconut haupia cake! I am thankful the US JCI Senate delegation met many young active Hawaii Jaycees this evening.

On Saturday, February 9th, we toured Honolulu's Capitol District and joined the Mongoose Corp for a Japanese dinner at Gyotaku Restaurant. RXVP Wendy had vegetable tempura, President Pete ordered teriyaki chicken, and First Lady Lynn had

oxtail soup. We ended the night reminiscing about younger Jaycee days over pipikaula (local smoked pork), shrimp chips, Hawaiian Sun iced tea, and Stella Artois.

Sunday, February 10th we said good-bye after a breakfast of loco mocos, eggs Benedicts, fried rice, island style omelets, lilikoi (passion fruit) pancakes, and Kona coffee at Bob's Big Bear, a diner owned by former Honolulu Chinese Jaycee Joe Hu.

Congratulations to newly retired RXVP Wendy. She plans to continue community service, traveling, and spending time with her family. On behalf of the Hawaii JCI Senate and Old-timers Board of Directors (Clyde Matsumoto, Faye Nakashima, Kathryn Chung, Keith Arakaki, Lindsey Gamiao, Gordon Goo, Patrick Tomiyasu, Lisa Nakasone, Mark Nakashima, Jon Nishihara, and Sharon Worthington) thank you to the US JCI Senate delegation for joining us in Honolulu, Hawaii.

OTHER HAWAII JCI SENATE NEWS:
NOVEMBER 2018: Toys for Tots benefited at a Christmas Carnival organized by the Hawaii Kai Jaycees and Santa. Thanks to mentors Shane Sumida, Lisa Nakasone, Shawn Unemori, and Kathryn Chung for also helping Santa out!

DECEMBER 2018: Rising Phoenix Jaycees member and Shriners employee Makana McClellan said the hospital's toy storage was low at the time. Thanks to the gifts from the following mentors collected at our holiday social, the hospital's patients had a very nice Christmas – Sharon Worthington, Lisa Nakasone, Gary Hashimoto, Kathryn Chung, Gordon Goo, Mark Nakashima, Faye Nakashima, Patrick Tomiyasu, Mike Nitta, and members from Hawaii Kai Jaycees, Rising Phoenix Jaycees, and Honolulu Chinese Jaycees.

JANUARY 2019: Hawaii has another shot at representation in the White House! Rising Phoenix Jaycees member and 2012 US Jaycees Ten Outstanding Young American recipient Tulsi Gabbard has announced her run for United States President 2020! Go Team Tulsi! She was keynote speaker at my Hawaii Jaycees Year-end banquet in 2012 when I concluded my service as State President. Find a photo of Tulsi and the Jaycee Creed at that event here: <https://www.tulsi2020.com/about>

Rescued! When the Hawaii Jaycees office closed down in 2015, we lost many awards. They were found in the back of a friend's business and I am thankful that they were claimed, cleaned, and are now stored at my home awaiting new purpose.

FEBRUARY 2019: Congratulations to JCI Senator Larry Ordonez for making it onto the cover of The FilAm Courier! This radio personality's story is inspiring! His story here: <http://www.filamcourier.com/cover-story-larry-ordonez-giving-doing-and-being-his-best/>

We were thrilled that former US Jaycees Executive Director John Shiroma from Tulsa, Oklahoma joined us at our annual Old-timers Recognition Banquet. Shiroma still has that thing that inspires me to keep on giving back to Jaycees.

Congratulations to mentors Milton Kauahi and Fred Kitajima on receiving the Return the Favor Awards from the Hawaii Jaycees. Kauahi and Kitajima went above and beyond in helping the Hawaii Jaycees with the JCI Peace Summit and Hawaii Jaycees 75th Anniversary held in August 2018 at the Sheraton Waikiki.

And, thanks to mentor Lisa Nakasone for helping the Honolulu Chinese Jaycees with their veggie's fundraiser! She bought four huge bags of mixed local veggies from them, then promptly came over to my house and we made two huge pots of Filipino pinakbet and eight jars of Chinese pickled cucumbers.

MARCH 2019: We helped make life better for those living with diabetes at the American Diabetes Association – Hawaii Tour de Cure by staffing the finishers' refreshment tent! I think a new Jaycee member was recruited for HCJ at this event, too. Thanks mentor Kathryn Chung, and Honolulu Chinese Jaycees and JCI Honolulu. Several of our mentors skipped off to Las Vegas, Nevada (the ninth island) for some fun thanks to planning prowess of mentor Jon Nishihara! He, Faye Nakashima, Lisa Nakasone, and Clyde and Annette Matsumoto are winning it BIG at the California Hotel!

And, BBQ steak and ribs, salmon, shrimp, salads, and more were on the table at mentor William Fung and his wife Tamami's home when they hosted a dinner for visiting former Osaka JCI member Toshikazu Inoue and his family who were in Honolulu, Hawaii on a business trip. Fung and Inoue met at a JCI Prime training more

than 20 years ago. Today, Fung is a dentist and Inoue is an underground utility business owner.

APRIL 2019: Training opportunity! Mentors Mark Nakashima, Patrick Tomiyasu, Kathryn Chung, and I will define the role of the State Exec Committee for the Hawaii Jaycees Exec Committee. Among other things, we're covering the aspects of leadership, protocol, how to edify and mentor at chapter events and visitations, why we have conventions, what awards are for, and how to help chapters be successful. We've already put in a collective of 20 hours planning into this training.

Hope you all had an outstanding year of service. A hui hou (until we meet again).

AMBASSADOR TO ASAC

Joe Souza #27511

Glad to participate with you all at our USJCI Senate Winter Board Meeting in New Orleans Louisiana area. We were fortunate to have with us some international guest as well as our ASAC President Randy

Young #46420. Thanks to everyone involved with hosting such an enjoyable meeting.

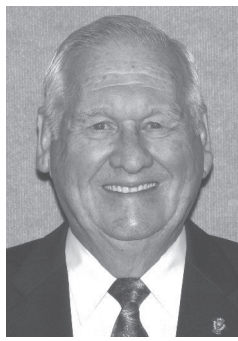

As you read this, I will be attending 2019 Conference of the Americas in Mendoza Argentina May 15 to 19th. I am sure I will have had a good time as the ASAC countries are always very hospitable. During this meeting we will be electing a New ASAC President. I will report back to you at our June National Convention and in the next issue of the Mentors. Mark your calendars.

The 11th ASAC Encounter will be in Roatan Honduras August 21 to 25th. This is an event for Senators of All of the Americas.

The encounters are always a lot of fun. They are mostly social and getting to know your fellow senators. Ask anyone who attended last year's event in Columbia. I am having some problems communicating with the people in charge but it is worth checking into for those who want to travel to another part of the Americas. Remember you can find information on this and other items on the ASAC Website asacjci.org. As always, please feel free to contact me for more information.

AMBASSADOR TO EUROPE

Russ Cooper #4638

I write this article having just returned from the Region 5 Spring Fling and preparing for replacement knee surgery on Mar 19th.

That date is important because recovery time is six weeks after which we leave for France and attendance at the European J. C. I. Senate meeting in Lyon.

There are many events in Europe throughout the summer and into the Fall and if anyone is planning a trip to Europe, I do have a schedule of all meetings that I can share with you. The next meeting of major importance to most Senators is the World Congress in Tallin, Estonia, Nov 4-8th this Fall. If you are interested in going please contact me since I have information that may save you time and money.

The other important date that I want to bring to your attention is a European Senate meeting in Dublin, Ireland May 27-30 and a pre tour of Ireland May 23-27. I already have a list of Senators who are interested so please let me know at rwacooper4638@comcast.net if you want to receive info and updates. Maxine and I are enjoying are many adventures in Europe and look forward to having you join us where possible.

As we head toward Portland for the celebration and the close of another successful year, I want to say thanks, one more time to the committee of the Winter BOD in New Orleans. Special thanks to Newton Standridge & Region 6 and Travis Boatright & Region 7. The excitement of being back in NOLA added energy to all those attending a well-organized event. You kept the foundation in the forefront and helped us have another successful auction. We continue to grow and know our best is yet to come.

By the time we meet again, the scholarship committee, headed by Sheri Menendez will have announced our newest scholarship recipients. The board of trustees at the Winter BOD in New Orleans, approved the awarding of 25 scholarships for this year. We hope to be able to continue to do this and more in the future.

I also need to remind all of you that this year's Foundation Open Tournament will continue in Portland in 2019 but will be revamped with a few revisions. We will also be looking and asking for new sponsors to step forward and continue the trend established 25 years ago to assist the foundation in raising funds for more scholarships. Our golf chairman will be Jim Mammen and our sponsorship chairman will be Karen Voshel. Please help by either playing golf and or being a sponsor.

Dear Friends of the Foundation,

To start this off THANKS to New Orleans for a great Winter Boards. Had so much fun and donated to your economy a few times.

Have you started thinking about what you are bringing to Portland for our National Meeting?? Allow me to help you out, I have few hints!

Remember that majority of the people are flying and do not have means to take larger items home!

Okay but I am still looking for good items for the Brown Bag Auction, Better items for the Silent Auction and the best of the best for Live Auction. If you have items to donate and have questions please and we can discuss this and come to a mutual agreement. Also, any items you are bringing to the Live Auction please send me a picture to put on our webpage to generate some interest. Looking forward to all the great prizes. SPECIAL NOTE: if you bring one item for Foundation and it brings over a \$100, we will credit your account. So, look around, great way to help your account grow.

Have you contacted your Regional Representative to fill out where your account is standing?? Time to make a donation, we will be glad to help you at National Convention.

Another thing to take a look at is your long-term plans. You know that we can help you to set up a plan, please contact Earl Rice. The US JCI Senate Foundation is a 501c3 organization so when you are working on your life plans please consider contacting us for more information.

Have you considered having a Named Scholarship for a family member? The amount for this is \$30,000, please contact President Wayne and he will happy to oblige you.

Looking forward to seeing all of you at Portland in June. I always appreciate what each of you do to help the Foundation and look forward to seeing all of you.

Greetings Fellow Senators,

First just a thank you to all for your support of the Foundation.

Thank you to all the Senators at the January BOD meeting in New Orleans who were very supportive allowing us to raise over \$6,500 towards our annual goal of \$25,000 of donations.

I want to let everyone know we are selling the 300 club tickets for the 2019-2020 year and the first drawing is July 20 with 11 more following using these same tickets. I mention this as there are only 1500 tickets and at 6 for \$50, they are going fast. I feel confident we will be out of tickets by the end of the meeting in Portland so get yours during Region meetings or just send me a check (Earl Sawyer 747 Oak Hall Lane, Ballwin, MO 63021) and I will send you your tickets.

Did you know there are two websites containing Foundation information? The first one is usjcisenatefoundation.org, the original website. This is where you can check the balance of your account history. This remains on the old site location and your login and passwords have not changed. Have you visited foundation.usjcisenate.org? The new website will have all the other information in a new format that allows for more items to be posted and for easier access to information. If you have questions or problems please contact me for assistance.

Safe travels to everyone this spring and summer visiting all our Senate friends. Hope to see you somewhere down the road.

A very special thank you to each of you for your continued support to the US JCI Senate Foundation Scholarship program. Your generosity through donations; auction purchases; raffles and 300-Club ticket purchases are what makes us able to present 25 scholarships to some very deserving students. The only way we can continue this program is with your assistance. With the cost of education rising each year, it is very important that we continue to raise as much money as possible. These students will be running our country in a few years!!

We've just wrapped up our 2018-2019 scholarship program. The judges selected the top 25 students from a field of 92 applications from 46 states and Washington DC. Special thanks to the state chairmen, state presidents, Foundation Regional Representatives and Foundation Trustees that worked all year to promote our scholarship program. As soon as all the scores are tallied, and everyone has been notified, the list of successful recipients will be posted on our website.

We will have a **NEW** application and judging form in place on the website by late July. We are working to make the application a little easier for the students to complete and include the information that the judging teams deem to be the most important. We are also working to have a "sample" application for the students to use as a template. Hopefully, this will answer many of their questions regarding the format of the application.

As soon as your new state scholarship chairman has been selected, please let me know so I can forward the chairman's packet to them. The sooner they have the information available to the students – the more applications each state should receive. I've enjoyed working with each of the state chairmen and presidents this past year; getting better acquainted with each other; and working together to make the program a huge success. I'm excited to see our results for next year and look forward to working with each of you!!

Gentle Thoughts for To-day -

Birds of a feather flock together . . . and then poop on your car.

A penny saved is a government oversight.

The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.

I've gotten that dreaded furniture disease. That's when your chest is falling into your drawers!

Did you ever notice: The Roman Numerals for forty (40) are XL.

Did you ever notice: When you put the 2 words 'The' and 'IRS' together it spells 'Theirs...'

Lord, Keep your arm around my shoulder and your hand over my mouth . . . AMEN

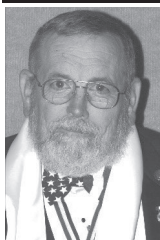

Aloha, The Foundation Fundraisers have all done an excellent job in promoting the foundation at your regional meetings and, with your help, have raised some significant money for the Foundation. Thank each and every one of you for your support (AND MONEY).

I especially wish to thank each and every one of you that have become members and continue to support the foundation with your money, time and encouragement.

Our largest fundraising program takes place in Portland in June. The Annual Foundation Auction and sweepstakes will be held on Tuesday evening... I would like to invite each of you to a reception in the Auction room just prior to the auction itself. This is our way of thanking each of you for your efforts and generosity in supporting our foundation. Please stop by and allow the trustees to shake your hand.

Speaking of the Auction, everyone is also invited to contribute an item or items to the auction (even if you are not personally going to the convention). Some ideas for donations are Collectables, Americana, and of course, Jewelry for the ladies. Please be generous in purchasing sweepstakes tickets as well as bidding on some of the one of a kind auction items... Purchases totaling \$50 (or more) will be credited to your foundation membership record and assist in boosting your donor level. You can combine sweepstakes tickets with auction purchases to reach the \$50 minimum. As an added bonus for those of you

FOUNDATION TRUSTEE WHITMORE

Well boys and girls, we enter the home stretch for another administration. As I write this article we are in the midst of the annual regional meetings. I hope that you attended your regions meeting and supported the JCI Senate Foundation

fundraiser. These meetings fundraisers are one of the major sources of funding for the Foundation.

Another source of fundraising is the 300 Club Raffle each year. While winners are still being paid for the 2018-2019 300 Club; tickets for the 2019-2020 300 Club tickets are going out to Trustees and Regional Representatives of the Foundation. Get your tickets early so that you won't be disappointed when they are all sold prior to or during the Annual Meeting.

I know many of you are thinking that we are always trying to get money from you: but we are driven to raise money so that we can award more scholarships for deserving high school seniors. We will be awarding 25 scholarships this year and if interest rates and your giving are favorable, we can do even more next year.

Our fundraising peaks at the annual meeting when we have our live auction, silent auction and "door prize" (formerly raffle prize) drawings. Speaking of which, don't forget to bring your donated items with you to Portland. Oh yeah, bring plenty of money to purchase the auction goodies!!!

The good Lord willing and the creek don't rise, I hope to see many of you in Portland.

that donate an item that sells for over \$100 you will receive credit of that amount towards your next level of giving. This applies to a single item only and not applicable to multiple donated items (even if the multiple items sell for \$100 or more.)

Another area of support is the Amazon Smile program. Whenever you purchase anything from Amazon go to smile.amazon.com rather than amazon.com and select United States JCI Senate Foundation as the Charity to apply an Amazon donation.

I look forward to seeing you in Portland.

FOUNDATION REP REGION 1 Jeff Kass #32300

The Foundation continues its efforts to award college scholarships to deserving high school seniors. Over the years, Region I have had many scholarship winners and your continued support will help to maximize the number of scholarships that the

Foundation will be able to award in the future. I would like to thank all of you who joined the Foundation, make continuing contributions, participate in our raffles and participate in the 300 Club. As a result of your support, this year the Foundation is able to continue awarding 25 scholarships.

Regarding the 300 Club, Region I have had some winners. Dave Habershaw from Rhode Island (sort of), Carol King from Vermont, Jack Pasquale and Fran Kass from Connecticut and Ron Mador from Massachusetts (twice). If you win one of the monthly drawings, your name is **not** removed from the pool. There is no limit to how many times you can win.

In addition to the 300 Club, we have held raffles at the Fall Frolic and the Region I Caucus, and in total we have raised nearly \$2500 this year. My thanks to all of you who have contributed, as well as those of you who have donated prizes for the raffles.

One way to demonstrate your support of the Foundation is by becoming a member. The cost is \$150 (payable at once or in \$50 increments). There is an application in each issue of **Mentors**, or you can e-mail me and I will take care of the paperwork for you.

You can also support the Foundation through Amazon Smile. When you wish to purchase anything through Amazon, go to smile.amazon.com instead of amazon.com. You can select a charity to which Amazon will donate 0.5% of your purchase price. This will not increase your cost. Note that our Foundation is listed as United States (not US) JCI Senate Foundation.

If you are already a member of the Foundation, consider making additional contributions. When your total contributions reach the \$500 level (bronze) or the \$1000 level (silver), you will receive recognition and a plaque. If you have any questions about the Foundation, don't hesitate to contact me.

I would like to thank Region I for allowing me to continue as your Foundation Representative this year. I look forward to seeing everyone in Portland.

Region 2 Rocks! That's what I keep telling everyone! We rock even more when combined with Region III!

MAI is the time that Region II (Delaware, Pennsylvania, New Jersey, and

New York) join with Region III (Maryland, Virginia, West Virginia, and District of Columbia) join forces to put on the best auction ever to support the Senate Foundation. We knocked it out of the park once again! Co-Chair for the MAI Foundation Elizabeth Benka Region III and I would like to thank everyone for your continued support, generosity, and willingness to purchase tickets and donate gifts for the Auction We would like to achieve our goal of raising over \$4000 every single year!

I want to encourage everyone to become a member of the US JCI Foundation. The cost is a one-time donation of \$150 over a 3-year period of \$50.00 per year. To find out more you can go to website: <http://usjcisenatefoundation.org>

It's not too soon to start thinking about donations for the next MAI. In addition to items for the baskets, please also consider donating any empty baskets you might want to get rid of. We can sure use them! How many of you purchase items on Amazon? You can help the Foundation by choosing Amazon Smile Foundation and select US JCI Senate Foundation as your charity. Amazon donates .5% of any qualified purchases to the foundation. It doesn't cost you anything extra so next time you shop think of SMILE.

Thanks again,

As you read this, our fabulous MAI (Regions II & III) Meeting will be history. Thanks for all the donations, purchases, and contributions you made to make our incredible Chinese & Silent Auctions such a huge success!! Once again Raffles of "Treasures" were conducted at Virginia's February and May Meetings!

If you are going to Convention, please consider contributing to and supporting the Auction there. Otherwise, see you in Kansas City in September for another great Auction!

As we head into the home stretch of our Senate year, we have completed our Spring Fling Foundation fundraiser, Region V states have turned in their scholarship nominations to national, and the Foundation golf donations are ramping up. Thanks to NVP Vickie Dempsey #58206 for allowing me to continue to support the Foundation's efforts this year. I believe the Foundation is the greatest opportunity we have to do good work!

Alas, as I write this article, the scholarship winners at the national level have not yet been announced. I hope Region V is as successful as we were last year when 5 of the 25 national winners were Region V students.

A little over \$1500 was raised at the Spring Fling in Dayton from the Brown Bag auction and the Silent Auction. While this was down from the previous year, it was probably due to all the 300 club tickets folks were buying. Since we have one of the earliest Region meetings and Foundation Treasurer Earl Sawyer, #28243 favors us with a visit, we get an early chance to sell the 300 club tickets. A huge thanks to everyone who donated items for the auctions, without you, we would not be blessed with such wonderful items to sell.

Anyone can donate to the Foundation at any time or donate/bid on items at our Senate national meetings. Contact me any time if you have an item to donate or need more information on the scholarship application or Foundation. We are planning on driving out to the national meeting in Oregon and can take items for you.

Lastly, Marilyn Burton #55106 from Illinois will be taking over as the Region V Foundation Fundraising Rep next year. I will continue to serve the Foundation by helping with the Foundation Golf Tournament. So, I get to keep asking everyone for donations!!

Fellow Senators:

Well another year has come and gone. It was an exciting year. All the states from Region VIII participated in the Scholarship program. I know they all worked very hard to collect the scholarships and judge them. The winners were all very deserving seniors. I want to thank everyone for participating.

The annual meeting is coming up soon. I want to encourage everyone to attend and participate in the auction. The auction can only be a success if everyone participates. You can bring an item(s), gift card(s), or cash. You can also bid on the items people bring. There are always some great items on which to bid. The auction is one way we can support the Scholarships we give out. There are several other ways, participate in Amazon Smile. Just mark USJCI Senate Foundation as you check out. You can also put The Foundation in your will or trust. Get with Earl Rice and he can get you the verbiage on how it needs to be worded so there is no doubt as to where your money goes. You could make a straight-out donation. Many people do this at every meeting. The last option I will go over is the 300 Club. You can buy tickets from any Foundation Trustee or Regional Rep. This gives you an opportunity every month to win some money. You can collect your winnings or donate them back to the Foundation.

Greetings from the world of the Constitution & Bylaws Committee!

A huge Shout Out to the Louisiana and Iowa JCI Senates for hosting a great Midwest Cajun Winter Board Meeting. Congratulations! Will Bourbon Street ever be the same?

Your Constitution & Bylaws Committee met the day before the Winter Board of Director's Meeting in New Orleans. As previously announced, the updated Policy Manual has been posted on the USJCI Senate website. Please consult this version if you are planning to host an upcoming Board Meeting or National Convention. Further review on the Memorial Awards, Article II, will continue throughout the year. We reported at the Winter Board of Directors meeting that we have been tasked with reviewing the sections of the Bylaws that make reference to Membership, specifically Article IV in relation to dual memberships and voting, Article VII, Section 5. If you have any input, feel free to contact any of the committee members listed below.

Our final meeting of this 2018-2019, Reaching Out year, will take place in Portland, Oregon during the annual meeting. I would like to thank committee members, Marilyn Burton (Illinois) #55106, Nancy Salopek (Pennsylvania) #47610, Tom Hendrix (Missouri) #37317, Dexter Graef (Tennessee,) #16117 and our Advisor, Stu O'Hara (Ohio) #39768 for their input and committee work this year.

As always, we encourage you to check out the Constitution, Bylaws and Policies of your organization by visiting your usjcisenate.org website. Once there, click on the Resources/Library tab in the upper right-hand corner. From the drop-down menu, select Library-Reports & Forms. Once on the Reports & Forms Library page, scroll down and click Governance. This will take you to the page which houses the Constitution, Bylaws and Policies of our organization.

Have a great summer. Looking forward to seeing many of you in Portland.

E-NEWS

Marsha B Phillips
#47528

The short version of any Enews report is we're electronic, we're available, let me know if you want to receive the US JCI Senate Enews.

That said please make sure if you wish to receive the twice monthly official email publication of the US JCI Senate contact me in two different ways. The first is send an email to me at e-news@usjcisenate.org and give me the email you would like to add to the master distribution list. The second is extremely critical, follow the link to subscribe on the US JCI Senate website Home Page. This will "assure" the program we use for distribution that you have requested these emails. There is a second step to your subscription. You will receive an automatic email from the list server asking you to respond and confirm you requested this subscription. You also have the option to unsubscribe if you reach a point where you no longer desire receipt of the Enews. These two steps can be used if you change your email address. Unsubscribe from the old address and subscribe to the new one. The unsubscribe option is at the very bottom of the Enews.

There have been email addresses that for a variety of reasons our program cannot deliver. There are many possibilities including a Spam blocker that the addressee installed on their system at some time, often during setup. Listing the distribution address (e-news@usjcisenate.org) as a known contact in your account often solves the problem and subscribing as indicated above should fix the issue. If you think you are on the master list but do not see Enews in your inbox please check your SPAM folder or other JUNK folder. Again, if you do not have the distribution address listed as a known contact your Enews can be diverted by your "SMART" email program! Just as an FYI I have firsthand experience with this occurrence!

Included with this article is a list of "BAD EMAIL ADDRESSES." Please check the list for your own address. If you think there is an entry that should be receiving the Enews please contact the owner of that email and ask them to follow-up with me.

Enews is distributed on the 1st and 15th of each month. Special editions can be published at the direction of the President of the US JCI Senate. Information can be included that is of interest to members of the US JCI Senate and especially the Board of Directors of that organization. Articles are requested to be submitted by mid-day the day before publication. Forms or fliers should be sent to webmaster Lowell Vahl with a request he forward the link to me for inclusion in the Enews. Calendar entries and links will remain in the Enews until the date of the event has passed. If your event is cancelled please be sure to let both Lowell and me know so we take the "bad" info out of circulation.

Thanks to President Pete for asking me to fill this position during "his" year of Reaching Out. Hopefully we have reached many of you with news and information you could use. Thanks to Secretary Ariel who is and always will be my hero especially in the communication field. Your support, communication and understanding have made this year memorable and fun. Fellow members of the communication team, Jen Ray on the Social Media side and Angie Jelinek our Mentors Editor have been super to work with and a shining example of dedicated members of this board. And to Lowell Vahl who is our Webmaster, thank you over and over is really all I can say. Lowell found the solution to the distribution problem at the beginning of the year and has continued all year to be my answer to every crisis. He is always available to help resolve computer and program related problems for any Senator including visiting some in their homes to help solve the Enews or Website related problems. But then that might have been a special case!!

Keep sending your news and thanks as always for your help and patience.

FIRST TIMERS/ FRESHMAN SENATORS 2018-19

Carolyn Smith
#64564

Hello Fellow Senators

My how the time has flown by this year.

Here we are nearing the end of yet another year. I want to thank everyone who has participated in the first timers program this year. January we were found in the fabulous city of New Orleans, where we all had fun in the "Big Easy". I want to thank all of the Senators that were involved in putting on the board meeting, they did a fantastic job.

As you recall, we had four First Timers that participated at the Fall Board Meeting in Des Moines. I am proud to announce that we increased the number of participants in January to seven (7). Yes, that is correct! Seven Senators came to a national meeting for the first time in New Orleans. The Senators that attended were David Teachout, #68700 and Patrick Allison #646424 from Maryland, Nancy Cardwell #54246 and Jeff Cardwell, #54265 from Tennessee, Sue Bell #57894 from Illinois, Pat McLaughlin III # 51208 from Texas, and John Randolph # 65885 from Alabama. The race was close and by just 7 points the big winner was Senator #65885 for the Great State of Alabama John Randolph! I want to thank all those that participated.

You might ask yourself, "Are there any Senators in my area that have not had the chance to go to a national or even a local Senate Meeting?" If so, then I encourage you to "Reach Out" and invite them to come, get to know your fellow Senators and have a great time. I hope that everyone gets to experience a National meeting at least one time. For me, that was the best time in my JCI career. I have met new friends from all over the country and world that I will never forget. It all starts with an invitation to join a great group of people for a weekend of fun and friendship that will last a lifetime.

HISTORIAN

Dave DeLaney
#41203

As we wind down to the end of another year, let's look back on what has gone on

with the national Archives.

We continue to collect important papers from all states, the national officers, and from the state, regional, and national meetings. These papers include Minutes, Agendas, Financial Reports, Newsletters, Convention Books, Membership Totals, Award Winners, and everyday Correspondence. If you have any information on your state or national events, we will take it and save it for the future of the organization. This paperwork is what tells the story of each of the nearly 50 years of the US JCI Senate.

The less we have from the States and from the Officers, the less we will know in the coming years about what went on in any particular year. I have had many requests from individuals and states asking for information from certain years. In some cases, I was able to find what was needed, but in others there was no information with which to help them.

One thing that is still being planned for is to sit down with the Past Presidents and record their comments and remembrances from their year and what the Senate has meant to them. This will continue as time allows.

Another thing that has taken place, is that with the help of Webmaster Lowell Vahl #40315, we are adding pictures to the History section of the Webpage. The first ones have been posted and we will continue to post them as they are received. It is currently a work in progress, so there will be changes as we finalize how they will be sorted and displayed.

If you have photos that show Senators from State or National Meetings/Projects we will post what we can get included. We would like to have names with Senate numbers as much as possible with info on the occasion, location, and date. You can bring/send these to the Historian and/or the Webmaster.

Another addition to the History Section is photos of the Past Presidents. Some of those have also already been posted with a few yet to be found.

FUTURE DIRECTIONS

Kathleen King
#68704

Where has the time gone?! It seems like just a few months ago we were in Pittsburgh celebrating the end of another fabulous Senate year, and here we are in June. Time certainly does march on....

I first want to thank all the members of the Future Directions committee for their time, commitment, ideas and input. It has truly been my honor and pleasure to serve with each of you: Bonnie Blaisdell from Region I, Beth Newill from Region II, Rita Bowles from Region IV, Larry Dawson from Region V, Doreen Lietzau from Region VI, Larry Norfleet from Region VII, Barb Speich from Region VIII and Danny Wendland from Region X.

The committee was given several items to work on in Des Moines this past September, however the one that created the most discussion was the topic of dual membership. Many of you weighed in with your thoughts and opinions, which is MOST appreciated! The purpose of our committee is to collect feedback and make recommendations, and you all make this possible! While there is still discussion taking place around this issue, it is now being reviewed and researched by the Constitution & Bylaws committee, so more to come.

Future Directions also created a proposed policy related to fundraising by individuals/groups at national meetings, and this was referred to the Convention & Bid Review committee for review and recommendations.

We have one more item on our plate for review and action before the end of the Senate year related to the Mentors magazine, so there will be information forthcoming for everyone's input so that information can be shared at the year-end convention in Portland.

The committee is also open to your input and suggestions via the suggestion box on the USJCI Senate website, so please feel free to use that method as well.

As always, please don't hesitate to reach out to me or any member of the committee with any questions, comments or concerns you may have.

Since this is my last time addressing you

as a representative and Chair of Future Directions, I want to say a huge THANK YOU to all of you for putting up with me over the last 4 years. We've tackled some very controversial issues and been able to still call each other "friend" at the end of the day. I truly appreciate everyone's engagement in the process!

It has been my honor to serve as your committee chair this past year and I've thoroughly enjoyed serving with all the dedicated members of this committee!

See you in Portland/Clackamas,

Kathleen King #68704
Region III Representative and
Future Directions Committee Chairman

A total of 15 states grew with the largest growth states being Vermont at +31, South Dakota at +10 and District of Columbia at +8. After December, the US JCI Senate membership was 7,984 which was a net change of -16 for the year.

For March, there were 1,832 members due. We dropped 82 and added 77 new members for a net change of -5. This includes a total of 26 deceased senators within the dropped members. This puts the US JCI Senate at -21 for the year. A total of three regions grew in March with Region 4 finishing at +18, followed by Region 5 at +7 and Region 3 at +3. There was a total of 16 states at growth: NY, DC, VA, AL, FL, IL, MI, OH, IA, MN, MO, SD, AK, LA, HI, NV. The top growth states were led by Iowa at +8, Ohio at +6 and Minnesota at +6. June is our final and largest quarter of the year with 2,460 members due.

With one final quarter remaining this year, there are currently four regions and 20 states at growth. Our current membership

is 7,979. Certainly, you know of an older senator who is not currently a member of your state organization. Encourage them to pay dues and join your group. Also, don't forget to ask the newer senators receiving their senatorships recently to join our organization. An effort that combines these two resources will enable us to reach our goal. Remember to Reach Out.

The June dues kits have been sent out to each state. With the Annual Meeting scheduled for the third week of June, it is extremely important that dues kits be submitted by the June 1st deadline in order to finalize year-end reports. With a continued strong effort, the US JCI Senate can return to growth for the year.

The membership results by state and region for each of the first three quarters can be viewed on the US JCI Senate website under Resources/Library, Reports and Forms Library and BOD Reports/Membership.

Another area of responsibility under Membership is the Mentors mailing list. It is common to have both a husband and wife within the same household receiving a copy of Mentors. One of the goals of President Pete is to reduce the number of dual Mentors being sent to the same address. To date, 279 couples have requested to only have one copy mailed to them each issue. We still have 323 duplicate addresses on the Mentors mailing list. Again, I ask that you inform me if your household only needs one copy. Another suggestion is to have one household member received the printed copy and one member sign up for the electronic copy.

For those interested, you can now receive Mentors electronically instead of the normal paper copy. If you wish to replace your paper copy with an electronic copy, go to the USJCI Senate website and complete the information on the link "Electronic Mentors" and submit it. Currently, 177 members receive the electronic copy.

This year will complete my 6th year in this position. I want to thank the state treasurers and state presidents for doing a great job in submitting dues kits and roster changes in order to keep our records updated.

Finally, I want to thank President Pete and Treasurer Mike for allowing me the opportunity to serve the US JCI Senate.

Take a look who is getting around the US to JCI Senate activities and upcoming activities! Take a look at the campaign ads herein of next year's potential leaders! They helped support through their ads getting this magazine to you.

The next issue comes out in August so keep those sponsor sheets coming to me thru June!

Remember to submit all Sponsor Sheets, Advertisements and Registration forms for publication in the Mentors to the MENTORS Business Manager with checks made payable to US JCI Senate as you hold events. These submittals may be submitted at any time (early is good) through June. It's with great pride and a heavy heart that I submit my last com-

munications to you as the 2018-2019 P.I.E. Program Manager. I am so grateful for the opportunity to serve in this role and work with such an amazing group of leaders. Once again, thank you to National President Pete Reinecker, #11777 for having the confidence in me and providing support and encouragement, I hope I made you proud.

Congratulations to Newton Standridge, the Winter Board Committee, and the Iowa and Louisiana JCI Senates, for a phenomenal weekend! Special thanks to Mary Henry, #58491 and Deb Puls, #55516 for coordinating our Presidents Social.

Our last official "meeting" was in New Orleans at the Winter Board Meeting. We were fortunate to have US JCI USA President Tricia Buehne and Deputy National President Justin Wutzke in attendance at the first block of meeting time. They were gracious with their time answering questions and discussing how each state can assist with the growth of JCI USA chapters. We had another two-hour block of time scheduled, I anticipated only using a portion, but this group took advantage of the additional meeting time to share ideas and strategies. We had 21 states in attendance at that meeting and I had the opportunity to meet some that were not able to attend Fall Board.

I have faced some personal challenges that has kept me from communicating and traveling as much as I had hoped to this year. Fortunately, my Presidents have been posting on their state Facebook pages and sending me their newsletters, so I've felt a part of each of their state's meetings and travels!

To the State Presidents that served the US JCI Senate this year, thank you for your commitment, enthusiasm, and embracing the theme of 'Reaching Out' not only within your state but your regions, neighboring regions and across the United States, and for letting me facilitate your meetings. I hope the meetings, newsletters, and socials have been beneficial to each of you.

Looking forward to having some pie at P.I.E. in Oregon!

SOCIAL MEDIA DIRECTOR

Jennifer J. Ray,
#68957

Sharing is Caring

Throughout our lives, we are taught to share: our toys as a child, our time as a young adult, our skills as an adult; after all, sharing is caring. Social media is no different. When we share messages from the location, we first read them, we show we care on so many levels:

We care enough not to plagiarize someone else's material. Having been many years out of English class, plagiarism will no longer get you a failing grade, but rather a potential lawsuit for copyright infringement.

We care enough to ensure that all comments are seen by the originator of the comment. When you share something from the original page, the author/originator of the material can see the "share" and all subsequent comments for the material. This is helpful if there are questions or suggestions for whatever it is that was shared (i.e. a conference or fundraiser or another event).

We care enough to support the organization or individual that originated the content. Social media creators write algorithms that promote content by the number of interactions. What does that really mean? Someone at Facebook gets paid good money to write a lot of math equations that we, the Facebook user never see. Those math equations are set up so that every time someone sees the post (through the original page or tracked from the share) it is added up so the originator of the content can see how many people around the world saw the information. As a social media post has higher numbers of people seeing it, it can "trend" higher on other people's timelines, thus helping get even more exposure to people.

What does this mean to our U.S. JCI Senate Facebook page? By sharing material instead of copying it, we can reach even more Senators around the country making social media another important component of the communication for the National Organization.

How do you share content? From the U.S. JCI Senate page, simply look at the bottom of the post you are interested in sharing. There is a button called "share" that you will click on. From there you will have the option to share to your own Facebook

page, to a group you may be in (like a Region or State Senate group page), or to a friend's page that you would like to see the content.

So how valuable is this "share" button anyway? On President's Day, the U.S. JCI Senate page posted the quote from JFK Jr. stating that "Harvard gave [him] an education, but Junior Chamber gave [him] an education for life." That post was shared 85 times, resulting in 8,393 people being reached.

Sharing really is caring!

WEBMASTER

Lowell Vahl

The end of another JCI Senate year is approaching and I am looking forward to a good meeting in Portland.

Many of the questions I receive center around the login for the website. The login was set up in the mid 2000's to allow place some of the information out of public eyes. The login was required to see things like calendars, registration forms, board reports, etc. In theory this was a great idea, but there was no way to control who registered for a login on the website. By 2012 there were thousands of logins created on the website many of which were attempts to hack the website. There were also logins for students and High School Counselors. In 2014, a major update was completed and the site pages became totally open to everyone, so no login is needed to see any of the information. Having a login now is only needed if the JCI Senator wants to upload BOD Reports or add items to the calendar. All new logins must be created by the Webmaster at this time. If you want to set up a login, please email webmaster@usjcisenate.org with your preferred username and password.

Be sure to send upcoming State and Regional calendar events and flyers for those events. If you are sending a flyer remind us to send the link to Marsha Phillips to add to the E-News. It is a good way to promote your events.

If you have any questions or suggestions, please feel free to contact me. The main goal of Webmaster is to make YOUR website easy for you to use and get the information that you need.

JCI USA LIAISON

Rob Ray
#68069

Members of JCI USA / US Jaycees continue to prove that the Jaycees are indeed the leaders in our communities.

Since the last article, members of the Jaycees wrapped up their 2018 administrative year and kicked off a new year as of January 1, 2019 with JCI USA National President Tricia Buehne #69433 leading the way under her theme "Be the Change."

In December, President Tricia along with her Executive Team, brought together the State Presidents from across the country providing training to prepare the state leaders for the year ahead. US JCI Senate President Pete had the opportunity to speak with many of these individuals. January brought the JCI USA Leadership Training University, like the Local Presidents' Summit of the past, however bringing together all local leaders and members who wanted to better themselves. A true sign of the changing time is that this training opportunity was also available not only as an in-person event, but also as an online training. Finally, at the beginning of April, members from across JCI USA came together in Indianapolis, IN to celebrate the successes of 2018 and formally pass the chain of leadership from 98th National President Noelle #76567 to 99th National President Tricia. Many congratulations again to 98th National President Noelle for her accomplishments and the legacy she has left for the National Jaycee organization.

The next JCI USA National Convention will be held September 26-29, 2019 in Corpus Christi, Texas and will include the Annual Meeting of the national Jaycee organization as well as elections for the 2020 team, including the election of the **100th National President**. This convention will also include the Ten Outstanding Young Americans (TOYA) program. While it is too late to submit nominees for this convention, consider returning the favor to your local Jaycee chapters and states in 2020 to assist in pulling together nominations for the TOYA program.

Finally, with the pending election of the 100th National President, also comes the **"Celebration of the Century"** – the 100th anniversary celebration of the National Jaycee organization. A committee of several Past National Presidents has been hard at work since 2016 preparing a plan for this celebration. The Celebration will kick-off in Corpus Christi, TX this September and

will culminate with a celebration at the Annual Meeting next September, 2020. It will be a year-long celebration with activities planned throughout the year and all members, and alumni, being encouraged to participate. If you have questions about the Celebration of the Century or want to get involved, please e-mail at 100anniversary@jciousa.org

I look forward to continuing to work with Immediate Past President Noelle, Senate Liaison, and with JCI USA President Tricia in the coming months. I truly appreciate the opportunity this work to have worked in this role, continuing to promote the relationship between the Jaycee and Senate organizations and want to thank President Pete for this appointment.

Please let me know how I can help you facilitate conversations with the Jaycees in your state, as well as any success stories you have with your state Jaycee organization.

#69433

JCI USA's 99th year is in full swing with many local chapters gearing up for a busy

summer full of projects and festivals. During my travels, I have enjoyed witnessing Jaycee members "Be the Change" in their communities. I am very proud of what our Jaycee members are accomplishing as well as their individual growth and development that is integral part of our mission.

JCI USA had nearly 25 members at the United Nations Nothing But Nets Campaign Champions Summit in Washington, DC. On day 2 of the Summit, members visited Congressmen and Senators asking them for their support to end Malaria and provide updates on Jaycee activities.

I have been honored to represent JCI USA at the JCI Americas National Presidents Meeting in Puerto Rico, JCI Conference of Americas in Mendoza, Argentina as well as European Conference in Lyon, France and the Asia Pacific Conference in Jeju, Korea.

Our 2018 Year End Award banquet was held in Indianapolis in April. We were honored to host JCI President Alexander Tio of JCI Indonesia. We are busy planning the JCI USA Annual Meeting and TOYA awards banquet taking place September 26-29 in Corpus Christi, Texas.

It has been a pleasure meeting and talking with Senators throughout my travels including my visit to the US Senate Winter Board of Directors meeting in New Orleans. Thank you for your kind hospitality.

On behalf of all our JCI USA members, thank you to all the Senators who "Reach Out" to Jaycee members and chapters.

Thank you for the support, encouragement and assistance you provide.

PRESIDENTIAL SWEEPSTAKES

Hal
Williams
#43912

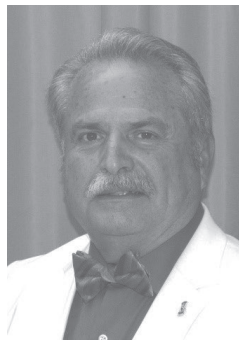

I can't believe this Senate year of "Reaching Out" is already drawing to a close! We are getting ready for Portland and the Presidential Sweepstakes.

First of all, I would like to thank everyone for supporting the Presidential Sweepstakes Committee this year. As I write this, we have raised over \$31,000 and are on our way to our goal of \$40,000. We still have a lot of year end Regional and State meetings to go, so our goal is in sight. It is important to remember that the Presidential Sweepstakes is our one internal fundraiser for our organization, so your support is very important and greatly appreciated.

Remember we have two different sweepstakes this year. One set of tickets is for the traditional prize of \$2,000.00. The other is for a week at a Holiday Inn Vacation Resort. The tickets for the Holiday Inn Vacation resort are ONLY available from one of the Presidential Sweepstakes Committee members. Committee members will be at the various spring regional meetings with their tickets. Personally, I will be at MAI (Regions II and III), Region IV, Region VI and Region VIII. You can purchase the Vacation Sweepstakes tickets from us there. Also, we are continuing our year long special on the traditional Sweepstakes tickets - any bought at any State or Regional meeting are only \$5.00.

At this point the thing we need are prizes for the Sweepstakes drawing. Our Committee Prize Chairs - Cheryl France #57391, Bill Hossman #41293 and Judy Cornutt #70522 are getting with Senators from their assigned regions for gifts and prizes. Please help them out with this. In coming up with prizes, please remember a lot of Senators will be flying out to Portland, as opposed to driving, so the best prizes are ones that are easily packed and travel well such as gift cards.

Karen MacCannell #49497 is well under way with the planning for the Regions Party. The theme this year is "How the West was Won" and the regions have selected the themes for their individual booths. This is looking to be a great time.

REACH OUT CHAIR

Ray
Ainslie
#44136

Reach out and touch somebody's hand, make this world a better place - If you can...

It is the final leg of this year and another chance to REACH OUT. There are thousands of JCI Senators who do not belong to our group. Find them and invite them in - it does not get any simpler.

During my travels I have heard the same story told by many a Senator. The story is of someone who had let the parade pass by and was content to be home in their world until they got a call, a visit or some form of contact inviting them back to the Senate. They accepted and never looked back. It opened up a world of companionship, friendships that span a nation, new energy to help their local Jaycees.

That, my friends, is what it is all about (with or without the hokey-pokey). Creating enduring friendships while encouraging the Jaycee Movement, and of course, it is fun too!

So I encourage everyone to REACH OUT and call that Senator that you know and invite them back to the party. Not just in this final leg of Pete's year but into the next year and beyond. Bring them in, get them to a social, activate them and they will be a part of the group forever.

Finally, as this year closes out, I would again like to thank President Pete for giving me the opportunity to chair this committee. I would also like to thank those who have served as part of our team - Assistant Chair Cathy Wendland # 63938, Ticket Chair Cheryl Carlson # 70371, Prize chairs Cheryl France, Bill Hossman and Judy Cornutt, and Regions Party Chair Karen MacCannell. You have made this a great team and a pleasure to work with.

MENTORS EDITOR

Angie
Jelinek
#60570

You know it is the end of another Senate year when the snow finally melts and the plants start to bloom. Thanks to everyone who continue to support the 'Mentors' by submitting articles and pictures.

Thank you to President Pete Reinecker for letting me serve as Mentors Editor and to Secretary Ariel Jones for all her assistance and tips. A **BIG** thank you to Susan Hatcher for her 3 years as Business Manager. She provided added income and was always prompt with the ads which were so well organized. Thank you to Eldon Bowers and Jim Maness for all the pictures from conventions and other events. Thanks to Newton Standridge for his continued training and information. I will be continuing on as Editor for next year with some exciting new ideas and processes. More will be reveled in Portland.

Some tips for future articles:

Write about happenings in the past as a very brief update. Write more about future events to help entice those reading a possibility of attending your event(s). Write as if you have a conversation. Keep articles short and easy to read. The next **DEADLINE is June 28th** to mentors@usjcisenate.org. Articles need to be about events coming up in August thru November.

I leave you with the following Joke of the week (Todd Hale)

Subject: Easy Senior Exercise Routines: Helps build muscle strength in arms and shoulders. Do it three days a week. Begin by standing on a comfortable surface where you have plenty of room. With a five-pound potato sack, in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to reach a full minute, then relax. Each day you'll find you can hold this position just a bit longer. After a couple of weeks, move up to ten pound potato sacks, then fifty-pound potato sacks and then eventually try to get to where you can lift a one-hundred-pound potato sack in each hand and hold your arms straight for more than a full minute. Once you feel confident at that level put a potato in each of the sacks!

See you all in Portland
