It's a Magical World, Hobbes, ole buddy – let's go Exploring! - Calvin from the Calvin & Hobbes Comic Strip.

I continue to encourage each of us to "Fill your life with Experiences, not things. Have stories to share and laughs to share"

The Fall Board of Directors meeting in beautiful Golden, Colorado was an excellent experience for all who attended. Thank you again to the Colorado JCI Senate and Region VIII for executing my dream to have a meeting there!

Now onto the holiday season, I will attend the Massachusetts and Arizona holiday gathering as well as recently attending the Grinchmas celebration with the Florida Senate. I have been fortunate to attend 5 or 6 times that warm holiday celebration and was not disappointed. I do hope many will share the holiday

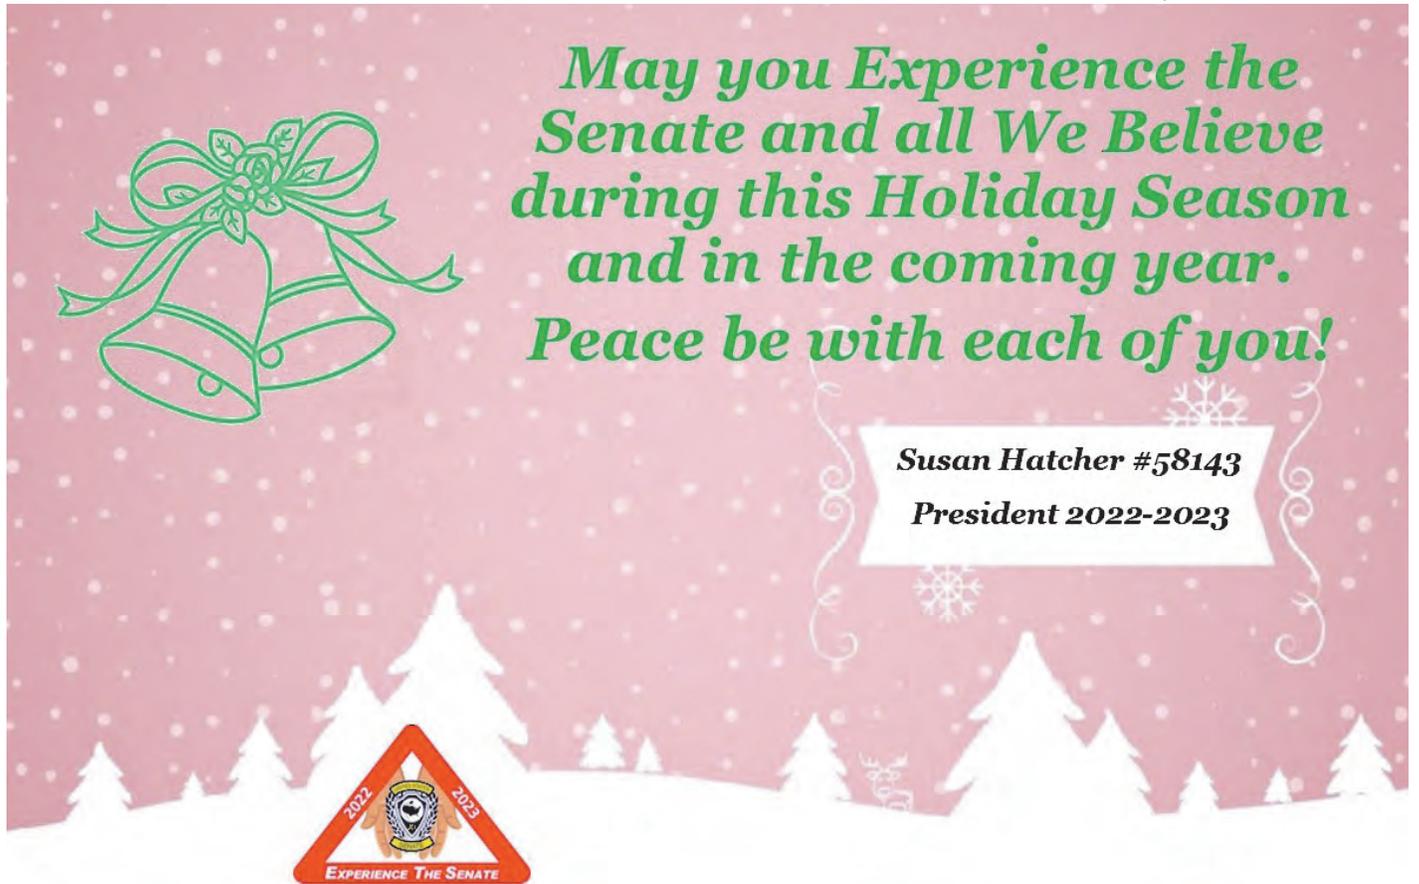

spirit by participating in the Wreaths Across America program to support our Veterans! What a beautiful way to honor them during the holiday seasons.

January is around the corner and we will Experience the Senate with our Winter BOD Meeting in Kenner, LA near New Orleans. Oh, what a fun experience in a great social unique location. I hope many of you that have not attended in the past will join us for this meeting. It is not too late. Then we will soon begin the Spring region meetings across the country.

As we will celebrate the mid-year point of the year, it will be time to celebrate our All-stars to date recognizing those who have planned and

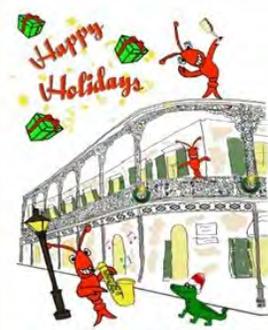

executed those plans, well to date. There is still time to execute your plan as that will only be the mid-year! We recognized Senators by highlighting Experiences of the Senate at Fall BOD and other meetings this first half and will continue through the Region Spring Meetings. What experience in the Senate makes you proud and joyful? What drives you to Experience the Senate? Be ready to share those experiences. Merry Christmas and Happy New Year. May the Holiday joy continue to be with you in 2023.

Happy Holidays

ADMINISTRATIVE VICE PRESIDENT

Hal Williams #43912

Wow, I can't believe the "Experience the Senate" year is almost half over and the Holidays are upon us! Where does the time go? I have enjoyed my travels this first half of the year and seeing everyone.

At the Fall Board Meeting in Golden, Colorado the bid by the Texas Senate to host the Fall 2023 BOD Meeting was approved. It will be held in Houston, TX at the Houston Marriott North on September 21 – 24, 2023. The meeting will be co-chaired by Logan Giese #51120 and Jumper Davis #38376. We have also received a letter of intent from the South Carolina Senate to host the Winter 2024 meeting. More information on these meetings

will be forthcoming.

Looking ahead I will be at the US JCI Senate Winter Board Meeting in Kenner, LA on January 19 – 22, 2023 and the Alabama JCI Senate Meeting in Gulf Shores, AL on January 27 – 29, 2023. I will be at the Region VII Meeting in Pigeon Forge, TN on February 23 – 26, 2023. March 2023 will be a busy month with the Region V Meeting in Galena, IL on March 17 – 19, 2023, the Region IV Calabash in Myrtle Beach, SC on March 23 – 26, 2023 and the Regions II and III MAI in Timonium, MD on March 30 – April 2, 2023. April brings us to the Region VI Meeting in Yankton, SD. I look forward to seeing everyone at these meetings.

With the holiday season upon us, I wish everyone Happy Holidays and the Happiest of New Years! I will see everyone at the Winter Board Meeting in Kenner, LA!

And speaking of the upcoming holiday season – although I am writing and not speaking as a matter of fact – I wish, without implying or conveying any contractual obligation on the part of this writer to deliver, that each of you, both individually and collectively, experience and enjoy, to whatever extent you feel comfortable experiencing and enjoying if that extent is not the fullest level of experience and enjoyment possible, the fun, love and joy to be experienced and enjoyed during this holiday season, without or implying, of course, that there exists, in reality or in your mind, assuming that you have a mind, such fun, love and joy.

Happy Holidays!
Yours in Senate fellowship

Your Legal Counsel has been busy this second trimester of this Experience the Senate year, pondering the imponderable and reviewing the unreviewable. Rest assured, as this holiday season approaches, that from the ivory tower of legal perspective all appears well with the US JCI Senate! No lawsuits, liens or attachments have been brought to the attention of those with attention.

SECRETARY

Gary Pittenger #24804
gpitt1@comcast.net

It is hard to believe that the year of Experience the Senate is almost at the halfway point. I want to thank the Colorado Senate for a great meeting in Golden in September.

The Communications Team had a great session in Golden to exchange ideas with attendees to improve the communications within their states and regions. I personally thank my team members for attending and participating in the open discussions. We will be having another session in Kenner at the winter meeting.

A review of the Communications Team shows Mentors Editor Angie Jelinek #60570 and her staff of Jackie Julien #74251, Mary Allred #46602 and Tanis Friedman #70297 continue to do an outstanding job providing a professional product. Kim Bode #62467 has done an outstanding job with your E-News newsletter on a bi-monthly basis. Articles are due the 14th and last day of the month. Kim Melachironos #66672 is doing a great job as your Social Media Program Manager. If you haven't visited the Senate Facebook page, you need to do so. Kim is always looking for pictures from your meetings and activities. Allison Geddes #74777 and Lowell Vahl #40314 have been busy keeping the

website up to date with current information and registration forms. If you have information you want posted to the website, just send it to Allison and she will post it. Photographers Eldon Bowers 345999 and Maureen Niedenthal #67669 have been busy "catching the moment" at various activities. Enjoy a lot of their work in this issue of Mentors and on the website.

The directory has been completed and distributed electronically. Any changes or corrections can be sent to me via email. Another update will be available December/January. If you would like a copy, you can subscribe on the website.

The Communications Team will continue to work hard providing all forms of national communications for your use. We are here to assist you. If you have any questions, please feel free to contact me or any member of the team.

See you in Kenner. Happy Holidays.

CHAIRMAN OF THE BOARD

Mike Andrews #58312

As we enter into the holiday season, we should take time to reflect on the first half of this Experience the Senate year. President Susan #58143 has been doing an outstanding job promoting and Experiencing the Senate. I hope that each of you take the time in the next few months to experience a state, regional or national meeting. Invite a member that you haven't seen in awhile to go with you so that they can also experience all the Senate has to offer.

As Chairman of the Board, it is my responsibility to chair the Nominating and Elections Committee for the next Senate administrative year. If you are interested in seeking an elected office for the US JCI Senate - National Region Vice President, Secretary, Treasurer, Administra-

tive Vice President and President for the 2023-2024 year and would like to have your name announced at the Winter Board of Directors' meeting in Kenner, LA, you must have your application and all other applicable forms sent to me postmarked or e-mailed to me no later than January 2, 2023. No announcements will be allowed if proper paperwork has not been filed by the above date. Should you have any questions, comments or concerns - please do not hesitate to contact me directly.

As you enjoy this Holiday Season, please remember those that may not have family to share the holidays with. Your phone call or dinner invitation can mean so much to someone without family to share the holidays.

CHAPLAIN

While attending the ASAC (Association of Senators of the Americas and Caribbean) Encounter in Trinidad, we had the opportunity to visit Mount St. Benedict Abbey. We were blessed to have a private Mass offered for our group, which was comprised of Senators from sixteen different countries. I was deeply moved

by this experience...readings in English, impromptu singing in Spanish, the priest saying Mass incorporating both languages and everyone joyfully worshipping together. As a group we were Catholics and non-Catholics, English and non-English speaking and yet we were all united in our belief that "Faith in God gives meaning and purpose to human life."

As Senators, we may not all have the same religious views or believe in the same God, but we are able to turn to and trust in our own Higher Power. This holiday season spend time in prayer, giving thanks for the blessings in your life.

A reminder, information for the Chaplain's Report in the E-News is due the 11th and 27th of each month. When reporting the passing of a Senator, please include a photo that can be used at the Memorial Service in June.

I wish you Merry Christmas, Happy Hanukkah and Happy Kwanzaa.

She chaired projects and held local positions as well as being a pivotal part of many State Presidents teams. She was the 'Laverne' to US JCI Senate Region VII NVP Teresa Beans, 'Shirley'! If you saw one you saw the other!

Sharon and her husband Tim, and their two children was always will to help in anyway they could to make others successful.

Sharon is very proud of her son Trevor, who is serving in the Marine Corp, and her daughter Kennedy, who is pursuing her degree at Christian Brothers University. They are anxiously awaiting the arrival of their first grandchild.

George Alcaez, 80796, Virginia, he joined the Virginia Beach Jaycees in 1987. He served his local chapter as State Director. He has received several awards, including the JCI USA Outstanding Chapter Award for the East Coast Surfing Championships in 2019 and the Virginia Jaycees Outstanding Project Awards in 2021.

George is a Life Member of the Virginia Jaycees. He has spent his lifetime after aging out as an active Jaycee and has been involved with ECSC – East Coast Surfing Championship and his local Chapter. His leadership initiative and ability to unify the community are the reasons the East Coast Surfing Championships has continued and flourished for 60 years.

John Lash, #80799, Virginia, joined the Hampton Roads Jaycees in 1985. He held several local offices including Local Chapter President. He served the Virginia Jaycees as District Director and was also a member of the Corps of Virginia Gentleman.

John chaired many successful projects and received several awards including EJ King Mehan Key Man Award and is a Life Member of the Virginia Jaycees.

John is the embodiment of the Jaycee Creed. He was involved in all facets of the organization elevating the chapter throughout the community, its members, and to fellow chapters alike. He became the go-to man when something needed to be done, often taking the lead and spearheading new ideas. Today, decades later he is still the glue that holds the chapter's memories together and created a rooster reunion for all the past and present members of the Hampton Roads/Peninsula Jaycees.

Jin Teh, #80790, Virginia, he joined the Jaycees in 1990. He held many offices including local Chapter President. He has chaired successful projects including BINGO bi-weekly fundraiser, Leukemia Bowl, Beer Pour, the NFL Punt, Pass, and Kick and the MLB Pitch, Hit and Run events.

As an originating member of the expansion Hampton Jaycees, Jin was instrumental in the survival of the chapter, ultimately serving as President. He played a significant part in the structure and recruitment that would propel the chapter into the future.

Jin earned President of the Year honors shortly before exhausting, his chapter and its members today, as still in his debt for his devotion and dedication to the Jaycee cause.

Lorain Cosgrave, #80795, Virginia, she joined the Hampton Roads Jaycees in 1987. She served several offices including Local Chapter President. She was the chapter's first female President, who implemented key signature projects such as Party on the Pagon, Cozzy's for Kids, and founded Jaycees TGIF.

Lorain is a Life Member of the Virginia Jaycees. She embodied the heart and soul of our chapter, leading it into the future as a household name that the community could count on for years to come. From Christmas parades and Memorial Day flags, to state convention traditions that are still remembered, she was instrumental to it all.

After exhausting out of the Jaycees, Lorain has continued service through the Kiwanis, while never leaving the Jaycee movement by supporting various chapters with the use of her business for meetings and many large projects, such as Womanless Beauty Pageant, JaySeas Fest, and the Rooster Reunion.

Elizabeth Balogh, #80738, Delaware, has been a Jaycee for seventeen years. She is the current president of the New Castle Jaycees. She has served in this position twice. Elizabeth came back to New Castle JCI chapter and started her service at the state level as State Vice President in 2015, State Director in 2016, State President in 2018, and Chairman of the Board in 2019. Elizabeth then went on to serve the US JCI as Youth

Program Manager in 20-21. Elizabeth serves where she is needed and continues to be an example to Delaware and the US that she has much to offer while supporting others and leading the way.

Elizabeth was thrilled to receive her Senator honor with her family in attendance at the Region II/III Social in August in Pennsylvania.

Aside from the Jaycees, Elizabeth enjoys playing billiards, visiting historic sites, museums, and religious shrines with her significant other, Andy Rokita. She lives and works in Dover, Delaware.

NEW SENATORS

Jeff Woods, #80158, Tennessee, he joined the Shelbyville Jaycees and began attending and working on their many projects. He then relocated to Memphis, where he joined the Memphis Jaycees. At that time he met one of his closest friends, Liz Eckles, who drug him to his first State Jaycee Conference. He immediately became active in the state organization. Liz and him would travel the state logging many miles attending projects and meetings.

Jeff served in many capacities on the state level always being someone the State Presidents could count on.

Jeff currently resides in Arkansas with his fiance', Valerie, but continues to attend and support the Tennessee Jaycees and Senate.

Eurika Ellison, #80798, West Virginia, joined the Ohio Valley Jaycees in 2014, and began getting active immediately. As is the case with nearly every senator, Eurika's Jaycee experience was punctuated by stepping up when needed. Soon after joining she volunteered to serve on the committee for the Safety Days project. But when the committee chair was unable to continue due to work issues, Eurika stepped up to chair.

A year later, when the chapter secretary was unable to attend business meetings, Eurika stepped up again to fill in. The following years found Eurika serving in leadership roles as Treasurer and Local Chapter President.

Then in 2019, the president of the West Virginia Jaycees was forced to resign when his employer relocated him to South Carolina. Eurika Ellison again stepped up to finish his term as the 76th State President. She cites her greatest accomplishment as straightening out the old Camp Jaycee fund. Thanks to her efforts donations once again flowed to the parent non-profit organization.

Eurika, a paralegal for a large law firm, is looking forward to becoming active in the WV JCI Senate and hopes one day to help re-establish a chapter in her hometown of Weirton.

Justin Bank, #80793, Colorado, he is an americana artist from Denver. A gifted singer, songwriter and guitarist with a quirky-yet-infective sense of humor. With his updated roots-rock-flavored music, he has a broad variety of influences, but they all feel like, well, home.

Justin was a past Denver Chapter President. He was a longtime supporter of the Denver and Colorado Jaycees and JCI Senate. He is currently residing in his hometown of Little Rock, Arkansas.

Justin was the musical entertainment for US JCI Senate Fall Board Meeting in Golden, Colorado.

Angie Caterelli #80780, Lake Placid, Florida joined the Lake Placid Jaycees in 2015. So that's about 7 years of volunteering, growing in leadership, and meeting some outstanding and influential individuals.

Angie held many offices including Chapter Vice President, Internal VP, and State Vice President. She attended quite a few conferences including State, and National, as well as traveling to another States conference and attend the Greater Southern States Institute Trainings at Camp Discovery in Gainesboro, TN!

Angie was very surprised and excited for her new venture into the Senator world! She is thankful to the Florida Senate and Lake Placid Jaycees for giving her the opportunity to be a part of these amazing organizations, and looks forward to what the future holds for all of us!

MENTORS ASSISTANT EDITOR

TANIS FRIEDMAN #70297
mentors@usjcisenate.org

I really enjoy reading/editing the articles before they go to print. With the cut in the number of words used, editing will fly by. However, Senate #'s are still required, spell check is a useful tool, roman numerals is the numeral system to be used and less commas are better.

Please keep sending your articles in!!!!

MENTORS ASSISTANT EDITOR

MARY ALLRED #46602
mentors@usjcisenate.org

Hello Senators,

I would like to say a Big Thank You for all the cards, phone calls, thoughts and prayers during my surgery and recovery from back surgery. It was a huge success and I am glad to be getting back to normal life.

Thank you to everyone who submitted articles for the September issue. It makes our job easier when we get them. We learn so much about the states and regions by reading your articles. If you have any Empty Chairs or New Senators, please remember to send in pictures so that they can be recognized properly. The deadline for the May Issue is March 6 ,2023.

MENTORS BUSINESS MANAGER

JACKIE JULIEN #74251

Happy Holidays Senators,

Thank you to everyone that purchased holiday ads in this issue. I hope they bring cheer to all. Thank you to all who collect \$2 for Mentors when Senators meet. Your support of the magazine is very much appreciated.

Please continue to email (jackszn91@gmail.com) your sign in sheets (ads) immediately after your event and mail your collected monies to Treasurer Bruce. His address can be found in the directory. The easiest way to submit your form is to download and save it to your computer from

the national website: <https://usjcisenate.org/index.php/programs/mentors-sponsor-sheet/viewdocument/1973>. If you have trouble downloading the form, I can send you the Word formatted form.

As a reminder, your ad will not be published unless funds are received by the treasurer. I will not request the funds. This is the policy that has been in place before I took on this program. I will always communicate if the ad will not appear in the next issue (i.e., if the ad is submitted after the draft has been completed). The goal is always to published each states ad in the quarter that the event was submitted. If you submitted and we deposited your check and did not see your ad in the issue, please reach out. Due to the number of holiday ads, a state's sign in sheet may not appear in this issue. If you find this to be the case, please let me so we can be sure to include it in the next issue.

As always, thank you for supporting Mentors. Please let me know if you have any questions or concerns.

All the Best,

MENTORS CHIEF EDITOR

ANGIE JELINEK #60570
mentors@usjcisenate.org

Greetings US JCI Senate

Thank you to everyone for abiding by the article size for this issue. Unfortunately, inflation has hit the printing word so we needed to adjust the article sizes and also the style of the issue. I hope everyone will be happy with this new style.

The "Mentors" team worked really hard on the issue with the cut in article size. Please thank Mary and Tanis for all their work on this issue and all the other issues. Jackie had another great year with the Christmas ads, give her a word of thanks also.

In Kenner, LA we will announce the articles size as we want to see how well this issue goes over with everyone. Reminder to send all articles, empty chair, new senators, feature senators and pictures (names/senate numbers) to mentors@usjcisenate.org. The deadline is March 6, 2023 with info for May, June, July and August.

Wishing everyone an Experience the Senate holiday season.

Upcoming events include a holiday party, learning self-defense and introduction to Reiki!

President Joyce #44818 and First Gentleman Mike FR#100 traveled six hours to Aroostook County in September to catch up with Loomis Craig #9864, George Watson #35151 and his wife Sue, a former Jaycette, and Terry Lee Sandusky #29550.

In October, Maine hosted Senators from 19 states at Fall Frolic. The committee and helpers, including Dawn Crabtree #63305, Karen Furlan #71713 and Patricia Gammon #49280 provided manpower.

Maine continues to enlarge the circle with fun-filled events. We wish all our fellow Senators a joyous and happy holiday season and a blessed and healthy New Year.

"Fall Frolic" 2022 was an incredible weekend full of adventure - tour of Portland and Portland Head Light, banquet with a baseball murder mystery, beverages, lobster rolls, seafood chowder & special groups get-togethers - Ambassadors, Friendship & State Presidents and the magical stories & friendship that we all shared with each other. We were also fortunate to present each state with a check for \$235 from our Weekend Of Giving (WOG) 9/10-9/11/22. The money will help the states financially. Great fall social with Region I support as Covid concerns & bugs hit RI. Dave Roderick went to CA for a wedding, and Miriam & I celebrate our twin grandsons Bar Mitzvah in CA following the New Year celebrations for a sweet year.

We're thrilled our FL Senators survived, though Dave & Pat Habershaw needed their Wheaties to hold the door shut.

Andy Riley is already planning on duplicate scholarship winners for 22-23 as we try to get them involved in a new RI Jaycee chapter for Jack Lancellotta #60845 arboretum efforts

Hello Family by Choice:

The NH JCI Senate has enjoyed the great work of the Maine JCI Senate in co-hosting our joint summer social and their excellent hospitality with Fall Frolic.

We are looking forward to our winter zoom socials (join the NH JCI Senate Facebook page if you want the link - all are invited), hearing our Scholarship committee's recommendations, prepping for our annual meeting and the Region I Caucus. Hopefully we can see the return of Jaycees in NH and expansion throughout New England. Happy Holidays in the Jaycee Spirit.

"HERE WE ARE"

"Here We Are, Once Again; Stronger Now Than We Have Ever Been" - Alabama

We have made it thru summer and fall and are heading into winter and the Holiday Season. We grew stronger and Experienced the Senate thru the summer by adding members, attending the Region II/III Social, visiting other states and regions, having dinner socials and zoom meetings. Fall saw Apple Harvest, In-person meetings, socials, zoom meetings and Halloween and Thanksgiving projects with the Jaycees.

With winter coming, we have Holiday parties in Pennsylvania, New Jersey and Delaware, dinner socials, zoom socials and traditional Holiday projects with the Jaycees. The winter Board of Directors meeting in Kenner, Louisiana is going to be an awesome meeting and I hope the Region will have as good a representation as they usually do.

Our annual Region II meeting, MAI, which we hold with Region III, will be held in Timonium, Maryland March 30 to April 2nd. This is where we will recognize the best of the region and I will hand over the reigns of Region II to my successor. Make plans to attend; it will be a good time. As we head into the New Year,

I wish everyone a Happy Holiday season, but we should look back on the previous year and reflect on the people we have met, the things we did and the places we visited. The second half of the year is ahead of us and we have the chance to make it the best we possibly can.

Like the song says, "Hand in Hand, Heart to Heart; Now We've Made it Through the Hardest Part" and I believe we have. I am proud to represent our great region and be able to say We Are Region II... and Here We Are.

are ailing, while also remembering those who are no longer here. I have encouraged my states to participate in the "Wreaths Across America" program. Whether it's someone you know who provided service to our country, it's a time to remember those who have served. It also feels good knowing someone will not be forgotten.

Since it is the Christmas season, it is my hope that everyone remembers the true meaning of the season and we thank our God for the wonderful gifts we have been given. Peace on earth and good will to all!

We are placing all current dates/events for the states I represent on the e-news, with links on the US JCI Senate website. So, as they plan their meetings in January and February, the information can be found there as well as the Region Facebook page and state/region newsletters.

Keep "Building Bridges" because today is our bridge to tomorrow, a span we walk for a lifetime.

Also, in January we will be off to Kenner, LA for the Winter Board Meeting and then in February off to Pigeon Forge, TN for the Mini National Convention. March 23-26 we will be back in North Myrtle Beach for the Calabash Beach Bash at the same hotel as last year.

It has been an amazing experience interacting with the Jaycees, playing "Never Have I Ever" with a few in SC, attended meetings, enjoyed hospitality, attended the Distinguished Service Awards Banquet in NC and volunteered at the JCI USA Annual Meeting and TOYA in Virginia Beach, VA. I had the opportunity to meet some amazing young people and can't wait to see what great things they accomplish.

Hello fellow Senators, the first quarter of the year is now history and I can chalk up more "Experience the Senate". The Fall Board in Colorado was a fantastic event led by Ann Engle #71560 and the wonderful staff of Senators that helped make it a success. I also had the experience of joining Region VI led by my fellow NVP Paul Myers #72173 in Rochester, Minnesota. The meeting was coupled with Minnesota celebrating their 50th Anniversary where I met MN President Chad Carlson #76972 who was a first timer at Region VI. I was proud to meet him and award him a "Spread the Web Challenge Coin". Traveled to Michigan led by Wendy Taylor #71712, Region I Fall Frolic in Maine, Colorado to celebrate their 50th Anniversary and out to the great state of Hawaii led by Yvette Lee #68707.

Traveling to Winter Board in New Orleans, Indiana/Kentucky Bourbon Bash, Region VII Pigeon Forge, Region VI Spring Meeting in Yankton, SD and my own Region V Meeting "Spring Fling" in Galena, Illinois.

On a sad note, my home state of Illinois has been hit hard this past year with Senators who now occupy the

US JCI SENATE FOUNDATION

PRESIDENT
WAYNE KIEFER #36498
wayne.kiefer@gmail.com

As we look forward to another holiday season and our winter board meeting in New Orleans, let me update you regarding your foundation since we last met.

We had a great Fall Board Meeting in beautiful Colorado, Golden, Colorado to be more exact. What a great venue and a superb job done by the committee. Besides working well with the Senate, another great job of cooperation was given on behalf of your foundation.

During the weekend, the foundation put together another quality silent auction. Special thanks to Donna Delaney #55560, Marge Miller #52948, Mary Sawyer #43930, Jim #63903 & Sissy #63902 Harmon, Elizabeth McInnis #5429, Karen Thompson #52424, Sheri Menendez #47839, Earl Rice #47046, Sonny Jones #24376, Steve Sutherland #27073, Joe Sabella #26077, Walt #27223 & Cathy Cahoon, Bill Craft #38316, Earl Sawyer #28243 and Karen MacCannell #49497.

It takes a great group working

together to put together everything needed to make the program inviting and interesting to our members and non-members as they bid on items; all in the name of scholarships for our high school graduates taking the next big step in their lives.

For those present in Colorado, we announced to again award a total of 50 scholarships in 2023 and to increase the academic amount to \$1500 (45). We will keep the vocational & industrial scholarships at \$1000 (5). Each Fall Board meeting we will continue to review our financials and hope we will continue to give more and larger amounts.

We hope you will continue to support the foundation and if not a member, please consider joining. It only takes \$150 to start a membership and grow from there at your own pace.

Thank you so much for your continued belief and support as we continue assisting education through scholarships. Please continue to remain humble and kind.

SCHOLARSHIP PROGRAM
SHERI MENENDEZ #47839
scholarship@usjcisenate.org

Great news!! Because of your continued support in our fundraising efforts, at the last foundation meeting in Colorado, the trustees voted to increase the amount of the regular scholarships to \$1,500. We will be presenting 45 of these scholarships in April 2023. The updated application form is available on the website(s). The vocational / industrial scholarships will remain at \$1,000 each. Five of these scholarships will be presented again this year.

The deadline for national submission is postmarked Friday, February 17, 2023. Please let me know if you need any assistance with your program.

 Dear Foundation Friends,

Thank you so much for your donations and purchases at Fall Boards. We cannot do this or make the Foundation be successful without each of you.

Our next meeting will be in Louisiana! Hopefully some warm weather for the chilly Northerners. Again, we would appreciate any and all donations for our Silent Auction. If you are not able to attend, please consider donating through the website. We also have a way to set aside money in your Will to be designated for the Foundation. What a wonderful lasting legacy in your name.

As the Foundation board we are very conscientious about our fund's and strive to make the best decisions regarding investments. Our main purpose to continue the scholarships is to make them grow and invest in our future with the best and brightest students to be found.

In the next weeks and months have a safe Thanksgiving and remember all those who help with the Foundation in your Christmas blessings.

The MS JCI Senate has a close relationship with JCI Mississippi. We have continued to support their activities. They had over 1,500 people attend the 2nd Annual Food Truck Festival on 10.1.22 in Hattiesburg.

The Hattiesburg Jaycees will be holding their 72nd Christmas Parade. The Petal Jaycees knows the Man in Red and he asked for help to send letters to all the boys and girls in Petal, MS. The Petal Jaycees will also celebrate with Donuts with Santa.

We are excited to be making a difference in our communities. Happy Holidays!

While at the JCI USA National Convention, I hosted a Senate Table during the States Party. To enter a chance to win a bottle of Jack Daniels, I asked the Jaycees to provide one piece of advice about how the Senate can better help the Jaycees. The number one response received was “better communication – just have a conversation with us, one on one.” This really ties back to the “Coffee Talk Program” of just having one or two Senators meet with one or two Jaycees and just talk.

If you are interested in attending the next JCI USA National Convention, mark your calendars now to be in Nashville, TN over St. Patrick’s Day weekend. More information will be provided in e-news and Facebook.

Please contact me to learn more about helping Jaycees in your area.

WOW! What a journey this year has been. It seems like yesterday that it was January and we were all starting this fantastic experience together with nervous anticipation. It has been truly my pleasure to work with my fellow Senators and Senate Leadership to make the most of the year I was honored to serve as National President of JCI USA. From the beginning to the end, I would have not been able to provide some of the AMAZING experiences and R.I.S.E. to the occasion time after time without

the assistance of my senate family. Starting in December with a one of a kind SPR in TN at Camp Discovery, to helping with both JCI USA national convention, and much more supporting our individual chapters/states; Senators have been there every step of the way.

It has been my pleasure to work with JCI USA Senate IPP Mike for the first part of the year and then finishing my year with a wonderfully collaborative relationship with JCI USA Senate President Susan. I was able to attend my first national senate event and was treated as family from that start. The Senate has supported JCI USA add over 1,050 members to our organization, and have actively helped us extend our Alumni base to start the process of starting more chapters in states without an organization presence. As we continue to work together to grow both organizations, we R.I.S.E. to the best of both as well. I hope that we can continue to work together to Recruit. Inspire. Support. And Empower the members of our Jaycee Family!!

Aloha Kakou! My name is Nathan “Nate” Martin and I have the honor of serving as the 2022 JCI USA Deputy National President. I hail from the great Rising Phoenix Jaycees Chapter in the beautiful state of Hawaii. On September 17, 2022 at the JCI USA Annual Meeting in Virginia Beach, Virginia, I was humbled and blessed to be elected as the next National President for JCI USA in 2023.

My theme for 2023 is “Push

Your Potential” because I feel the Jaycees organization provides many development opportunities that our members can and should take advantage, especially from the four areas of opportunity (individual, business, community, and international). We have developed an exciting, expansive, and aggressive Plan of Action that is focused on continuing the positive momentum of the Jaycees movement, while continuing to make this the greatest young persons organization in the world. Using data, research, and various analyses, our goals will allow us to be more external facing, engage young change makers, and build partnerships and programs.

Our mission is to provide development opportunities that empower young people to create positive change. I am honored to be able to help lead this organization in 2023. I look forward to many interactions and collaboration with the Senate, in order to achieve our goals, uplift our mission, and move our organization into the next 100 years.

thank them for their service and say their name. I hope that you have already went to the website www.wreathscrossamerica.org. and you have found your way to help either by donating or being a volunteer to help place wreaths. There are 172 National and 149 V. A. Funded cemeteries in our country. Last year with the help of many volunteers like you and I, we placed 2.4 million wreaths at 3137 locations around the country. They say that you die twice, once in the physical and again when you are forgotten. I pray that when someone places a wreath at my father's grave in Indiana and my uncles in Ohio, that they thank them for their service and say their name. So, they are not forgotten. Thank You

Hawaii maintenance is present by Senators/ JCI Alumni at Jaycee events, a kind comment on social media, donating to their causes and inviting them to join our events. I learned from Beth Fujishige #69219 that maintenance doesn't have to be in one's own State.

Please join me on 2/19/23 in Hawaii at our Outstanding JCI Alumni Recognition Banquet. You can help me with some Jaycee relationship maintenance. Visit us at <https://www.facebook.com/groups/hawaiijcisenate>

SOCIAL MEDIA
KIM MELACHRINOS #66672

Why is it so important that we have a Facebook page for social media? Facebook is the most prominent social media platform. According to a report by Donorbox from April 2022, Facebook has over 2.89 billion monthly active users and increases 10 percent year after year. 1.84 billion people on average log onto Facebook daily

and are considered daily active users and five new profiles are created every second.

Although other platforms are expanding in reach and influence every day, Facebook still reigns over other social media networks. So, it makes perfect sense for us to have a page!

We want to show Senators enjoying themselves and spending time together. Everyone loves to see pictures. Having the Facebook page is a great opportunity for everyone to see what our regions & states are doing.

I would love to see all regions & states on the page, so please email me your pictures. Or you can give me permission to share from your pages.

Remember, our **ONLY** official Facebook page is the one titled US JCI Senate with President Susan's #58143 logo. Don't forget to **LIKE** the page!

If you haven't been to the website for a while, please take some time to visit the site and check it out.

During our meeting in Colorado, we discussed how to tighten the security settings on your individual Facebook accounts to help prevent cloning/hacking. The below steps will not stop 100%

of the cloning/hacking but cut it down significantly.

- Settings tab
- Under privacy set everything to friends only
- For the setting "Do you want to search engines outside of Facebook to link to your profile" set that to NO.

Be sure to send your Registration forms for State and Regional meetings to webmaster@usjcisenate.org. We will upload the form and add it to the calendar with a link to the form and send it to Kim Bode #62467 to be included in E-News. Many of our JCI Senators travel and this would give them an opportunity to find out about events in the area. Here is a QR code to share with your members that will take them directly to the US JCI Senate web site to help them experience the senate.

We would appreciate your suggestions, ideas and even criticism. This helps to make the site better for the US JCI Senate members.

Meetings is noticed well in advance so calendars can be cleared.

Always distribute items that must be voted on ahead of the meeting. (Reports, Minutes, resolutions)

Start Meetings on time and close the bar with the gavel to order.

All Offices should be prepared to summarize written reports, not read them.

Have People lined up in advance to move action items.

Controversial items should be vetted by a committee before brought to the floor.

No one can speak twice on the same motion before everyone who wants to have spoken once.

The more controversial an issue, the more formal the process.

FUTURE DIRECTIONS
DAVID TEACHOUT #68700
 dteachout@charter.net

The Future Directions Committee would like to wish everyone and their families a Merry Christmas and a Happy New Year. We had been able to submit the condensed strategic plan to President Susan Hatcher #58143 in time for it to be reviewed at the BOD meeting in Golden, Colorado. It has since been made into a working document that we can utilize.

The committee is currently drilling into a few of the key bullet points. Our goal is to be able to implement or move forward on some of this plan before the end of the year.

We are currently working on enhancing communications between the national, region and state Senate organizations. We will be looking at how we can continue to support and strengthen our relationships with JCI USA.

If anyone would like to pass along a suggestion on these topics, feel free to contact myself or any other member of this committee. I hope to see and visit with a lot of you in the coming months. Be safe.

50th Anniversary pins and the video done of the displays and the Past Presidents.

If you, or your State/Region have items that help tell the history of our organization, we would like to include it in the archives. The reason we had the many items for display at the Louisville meeting was because many Senators/States/Regions as well as Past Historians saved those materials over the years. This is how we are able to tell the story of our birth, growth and successes. Please save your agendas, minutes and newsletters and anything else that tells your story to keep adding to our storied history.

ATTRIBUTE TO OUR DEPARTED MEMBERS

(A Brief History of Our Memorial Service)

Compiled by: Dave Habershaw #17879 and Randy Young #46420 (Past Presidents), Mike Sawyer #36403 and Ray Ainslie #44136 (Past Chaplains)

One by one, in small and large groups, members of the US JCI Senate filed into the assembly hall. Quietly they took seats, more than 250, to begin the annual Memorial Service. They were there to pay tribute to those JCI Senators who had passed away during the previous year.

In a somber but humble appearance Senate Chaplain Scott Kingsley #67932 called the assembly to order. He then called Wayne Kiefer #36498 forward to present an open eulogy to our 45th US JCI Senate President, Jim Mammon #37122, who had just recently passed away. Following Wayne's comments, the Chaplain then called forward, in order, each of the Region Vice Presidents who then read off the names of the JCI Senators from each of their states who had passed away during the year while simultaneously, their names and photos were displayed on the giant screen video monitor. Each in turn, the departed Senators were recognized and their names recorded for posterity. Finalizing the event came the recognition of our neighbors to the north. Canadian JCI Senators who had departed. All-in-all it was a memorable and beautiful service.

In retrospect, the JCI Senate didn't always have a Memorial Service for our departed. During the early years, if a "known senator" had departed, a moment of silence was held for him during the BOD Meeting. However, in 1989, that all changed thanks to an innovative JCI Senator, Tom Selmer #14563, who was the Chaplain under President Jim Hall #16055.

During the 1988 annual mid-year meeting in Tulsa that year (actually Jan 1989), a number of us were seated in the hospitality room doing our usual chit-chat. During the conversation, Tom brought up the idea of wanting to do something to recognize the Senators who had passed away since the last meeting. At that time there were no official records of the Senators who passed away and Tom felt that it would be appropriate to do so. However, he didn't feel any specific religious rite was an appropriate method. As an avid firefighter in Indianapolis, he realized the importance of recognizing the departed. At that point it was mentioned that the BPO Elks held a non-denominational memorial service at each state's year-end meeting. Tom asked this writer if it were possible to get a copy of the service that the Elks held. This was done and sent to Tom.

Over the course of the next few

months, Tom used the Elks service and his knowledge of the firefighter's service as a platform to develop a service for the JCI Senate. While it is patterned after the Elks service, is quite different. Upon arrival in Memphis in June 1989, Tom met with several of us to go over his plan. We made a few tweaks but maintained his original intent. One of the things Tom had done was to develop a generic eulogy to honor all the departed Senators. This was read at the start of the service and then each departed member's name was read aloud. Simultaneously, live candles, which had been lit, were extinguished. In the first few years there weren't many departed senators to recognize (only 10 – 15) for two reasons: There weren't that many who passed away and it was not easy to get the names from the states of those who had departed. This mostly was accomplished via phone calls and requests published in the Senate Scene. No email in those days.

What is interesting is that during those first years the attendance was a bit sparse. It was usually held before the BOD Meeting and started at 7:00 am in order to finish before the 8:00 am start of the BOD Meeting. Therefore, only about 15-25 brave souls managed to drag themselves to the service. Another interesting tid-bit is that most of the attendees came in jacket and tie or dresses for women, as the case may be.

The purpose and meaning of the service changed significantly in 1994 in Orlando. At the outset of the year, then Chaplain/Rabbi Mike Sawyer #36403 made a concerted effort to improve the presentation. Since this was pre-internet time, he sent out snail-mail letters to every state senate President with a pre-paid return post card, requesting the names and numbers of any deceased Senator from their state. The response was very rewarding; he received 48 names. He even received a last-minute call from Maryland's President notifying him of a wheel-bound Senator that had been murdered during a home invasion.

All 48 names were printed in a Memorial Booklet and distributed during the service. Several notable facts from that meeting were: Pennsylvania had the most names (10) and it included the name of Hal Krekorian #9695. Thus, Hal became the first of our Past Presidents to be recognized at a Memorial Service. It was a very humbling and moving service with more than 150 members

and spouses in attendance. They came, not just to pay tribute to Hal, a man truly loved and respected by his peers, but to pay tribute to the other 48 people on the list.

At the beginning of the service Amazing Grace was sung by a young lady from the Orlando area. There were 49 lit candles on the table in front, one each for the deceased member and one extra for any deceased senator(s) whose name(s) weren't submitted in time. Past President Darryl Watts #9776 was tasked with reading the names of each departed Senator, while John Clarke #1856 (later Chuck Fries #18344) extinguished a candle. After all the names were read, the 49th candle was extinguished. This practice of having one candle for each deceased member continued into the late 1990s when it was decided to revise the practice. It was decided to change to using one lit candle for each state that submitted the names of their deceased Senators and this was later changed in the mid 2000's to using a single candle for each region.

Over the next decade or so, the service began to develop traction. Each Chaplain did his/her best to provide a strong sense of decorum during each year's service. As a result, more and more Senators and spouses turned out for this event. For example, during Randy Young's #46420 year as Chaplain, he had a single individual from each Region read the names from their Region. This was later changed to having the NVPs read the names from their Region. Concurrently, Daryl and Chuck continued their service as ushers. Live music was introduced whereby Angie Struttmen sang and was accompanied by Bev Moss on piano. Randy also implemented a program to recognize Region and State Chaplains who had performed exceptional services. Later Ariel Jones #65423, as Chaplain, introduced the use of photos during the slide presentation. However, it was during the 2013 Annual Service that then Chaplain Ray Ainslie #44136 provided a significant improvement for the service.

As mentioned previously, obtaining names of departed senators depended on receiving the information from the state Presidents or chaplains. While this was effective, it wasn't very thorough. During Ray's year a policy was implemented to compile a list throughout the year of the departed Senators. By promoting the process through the NVP's, a

very composite list from each state was obtained. It also was capable of obtaining a list of previously departed Senators who had been missed in the previous years. Most of this new effort came about via a newly developed position of Membership Services Director chaired by Larry Ferguson #45060. Also, beginning that year, the video presentation program was introduced which has been used since. In addition to the video program, which eventually included pictures of the departed, hand programs were passed out listing the departed by Region/State of the deceased Senators. Also recognized that year were the Senate families that had children in the active military. With the calling of each name a gong was struck using a suspended copper pipe and hammer. Canadian Senators, as well as ASAC and ASE Senators were also recognized.

The idea of the sounding of a tone after the names read lead to a new development. The following year a bell was specially cast in Sandusky, Ohio, sponsored by Ray, for the US JCI Senate. It took three castings before the bell was correct. It was then presented to the organization as a gift from Ray #44136 and Melodie #69200 Ainslie. A hand carrying case made of Illinois Cherry accompanied the bell.

The list of departed Senators has continued to grow each year; unfortunately. Thus, additional changes were needed to control matters. As a result, it was decided that any Senator to be recognized needed to be a dues paid member of the states and national organization. This helped to streamline the logistics of the service. Also, coordination with the regions and states increased which meant compiling the annual list was much easier.

As we enter our second half century for the US JCI Senate, a very important and humbling activity has become an integral part of our annual gathering: THE MEMORIAL SERVICE. What started as a simple idea by Chaplain Tom Selmer #14563 in 1988-1989, has become a significant part of our heritage - paying tribute to our departed members.

NOTE: There are no factual records in the US JCI Senate Archives that exist that mention the events described above. However, the 4 compiling individuals each did, at different times, participate in the events as written; thus, these events are as factual as can be expected.
