ADMINISTRATIVE VICE PRESIDENT

Hal Williams #43912
hwilli8@tampabay.rr.com

Well, another Senate year is almost over. It seems like only yesterday we were in Louisville at the Annual Meeting. As the old saying goes, time flies when you are having fun! This has been a wonderful year to "Experience the Senate." It has been a pleasure to serve you as Administrative Vice President this year.

We have had a great group of NVP's this year who have truly bonded together as a team. They have really traveled, not just within their regions, but around the country as well attending each other's regional meetings. It has been a pleasure working with them.

I would like to thank all the Program Managers and Committee Members who have worked so hard to serve you this year. Without their efforts, our organization could not operate as it does and we would not be the outstanding organization we are today.

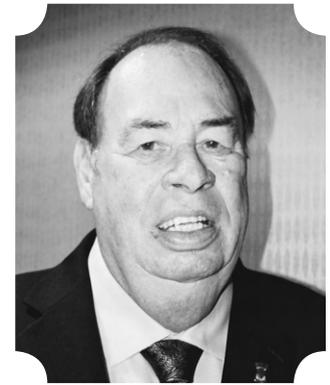

Additionally, I would like to thank the Convention and Bid Review Committee – Carol "CJ" Jordan #45857, Carolyn Smith #64564, Nan Holzer #63882 and Julie Morff #71917 for all their work in reviewing the bids for Fall 2023, Winter 2024 and our 2024 Annual Meeting. Also, thank you to the committees who put the bids together. We have some great locations lined up, including two cities we have not met in before – Greenville, SC and Tampa, FL!

The 2023 National Convention in St. Louis Committee has been hard at work planning an exciting and fun national meeting for us. Stacey Rawls #63600 and her team have got a lot of great things planned for that week. Don't forget, the dates are June 25 – June 29, 2023 in St. Louis, MO – the birthplace of the Jaycee movement.

It has been an honor serving you as your Administrative Vice President this year and serving on the "Experience the Senate" team under the leadership of President Susan. I look forward to seeing everyone in St. Louis!

SECRETARY

Gary Pittenger #24804
gpitt1@comcast.net

We are moving into the latter innings of our year of Experience The Senate. It has certainly been a memorable year while serving as your Secretary. I have truly enjoyed serving with my fellow Exec Committee members. It has allowed us to work together in the betterment of this organization while establishing lasting friendships and memories.

I want to thank the Iowa JCI Senate for a great Winter BOD Meeting in Kenner. Being in that part of the country, it enabled us to attend the Alabama meeting. Boy they love to eat.

I especially want to thank the outstanding Communications Team we had this year for all of their hard work and accomplishments. I appreciate their attendance and participation in the two communication sessions held this year. Thanks to Mentors Chief Editor Angie Jelinek #60570 who overcame some financial challenges this year by making some positive changes to Mentors for the last two issues.

As supportive members of her team – Mary Allred #46602, Tanis Friedman #70297, Jackie Julien #74251, Eldon Bowers #45999, Maureen Niedenthal #67669 and Newton Standridge #29407 – who went beyond the call of duty in providing a quality and informative product.

Your E-News Editor, Kim Bode #62467 has done an excellent job making sure the E-News newsletter is distributed in a timely manner.

Kim Melachrinis #66672, our

Social Media Program Manager, is still looking for pictures of your Senate activities. She has done a great job communicating through pictures.

Finally, thanks to Webmaster Allison Geddes #74777 and Assistant Webmaster Lowell Vahl #40315 for continuing to maintain our website and other updates.

As we enter the second half of the administrative year, it means that elections are just around the corner. As Secretary, I am responsible for creating the National directory for next year. As your state and region elections are completed, State Presidents and Region NVPs are reminded to submit their officers for 2023-24 to me using the New Officers form on the website. You can also email the information directly to me. Also include any known scheduled events to appear in the calendar.

Hopefully, the Communications Team has provided you with positive information you need on a timely and professional manner. I hope to see many of you in St. Louis as we celebrate our accomplishments and the fantastic year of Experience The Senate! If you have any questions or comments, please feel free to contact me.

meeting in June.

You should have already received your June dues kits by the time this issue reaches you. Make sure to get them in on time so we can close the books before the St. Louis meeting. I want to thank Dawna Norfleet #61999, your Membership Information Services Program Manager for all the hard work she has done this year keeping the roster and getting the dues kits out in a timely manner.

The Presidential Sweepstakes team has been hitting home run after home run, providing you with the fundraising results to help keep the US JCI Senate operating.

Coach Sabitha Venkatesh #71858 has the team working hard to achieve their goals for the program in time for the year end meeting.

Remember to have your membership checks to me by the membership due date of June 1st.

I look forward to seeing you at the Year End Board meeting in St. Louis.

Remember to keep "Experiencing the Senate".

palpitations of panic, have no fear! Your Senate leadership has seen the future and prepared for this event. A worthy apprentice has worked tirelessly to learn the secrets and spells of the Office of Legal Counsel and is prepared to seamlessly transition into assuming the burdens of this great office! So, to my successor, Jon Badeen #73089, who has carried my files, beverages and cigars, I leave a few words from Kipling:

So I'll meet 'im later on at the place where 'e is gone-

Where it's always double drill and no canteen.

E'll be squattin' on the coals giving drink to poor damn souls,

An' I'll get a swig in hell from Gunga Din!

Yes, Din! Din! Din!

You Lazarrushian-leather Gunga Din!

Though I've belted you and flayed you,

By the livin' Gawd that made you,

You're a better man than I am, Gunga Din!

It's been fun and quite the experience! I look forward to once again observing things from the audience! On that note, let's close for the last time with some final words from the immortal Shakespeare:

"The first thing we do, let's kill all the lawyers."

the elections of our Senate organization at the Board Meeting in St. Louis. We have a full slate of qualified candidates with Hal Williams #43912 President, Gary Pittenger #24804 Administrative Vice President, Bruce Sostak #52655 Treasurer and Gary Duell #48384 Secretary. I hope that you will be in attendance when we elect the Board for the 2023-2024 Senate year.

Finally, I would like to commend President Susan and her staff for an outstanding year. Susan has worked hard for all of you as your President and has been an exemplary example of what our organization is all about. I look forward to seeing many of you at the year-end celebration of our Senate group in St. Louis! In the words of Elmer Fudd "That's all Folks!"

It is hard to believe that this "Experience the Senate" year is almost over! Although I have not done a lot of traveling this year, I feel that I have experienced the Senate through all the photos that have been shared on Facebook. It looks like everyone is truly enjoying themselves whether it be in the hospitality room, working with Jaycee chapters or just out and about experiencing the community around them! President Susan has truly been living out her theme of Experience the Senate and taken everyone with her!

My final duty as Chairman of the Board will be to preside over

CHAPLAIN

Nancy Salopek #47610
nmsalo@yahoo.com

Our year-end Memorial Service will be held on Monday (June 26) at the National Convention in St. Louis. We will honor all US JCI Senators who have passed from June 1, 2022 through June 2023. Our service will celebrate the lives of dues paying, as well as those who are non-dues paying members.

The deadline date to submit information to me is June 10th. Submissions must include the Senator's name, number, state and picture for the slide show.

Those remembered in the "Celebrating the Lives of Our Senators" in the E-News Chaplain's Reports throughout the year are already included in the Memorial Service.

This year we have mourned the loss and celebrated the lives of more than 130 Senators. We have reported Senator's family members who have passed, asked for prayers, shared some birthdays, anniversaries, accomplishments and good news. All of this has been possible because of the dedication of the State and Region Chaplains and I thank them for their commitment.

Thank you, President Susan #58143 for believing in me and asking me to serve as Chaplain. I have been able to "Experience the Senate" and am blessed to have been able to serve in this capacity.

"With God all things are possible." Matthew 19:26

As we complete the final part of this Experience the Senate Year, I'm happy to report that things are swell right now legal-wise as far as the Senate goes. We haven't been sued and no one's been arrested. Another year of success. But all good things must come to an end, and so it is with my run as Legal Counsel for the US JCI Senate! I've been thirteen years in this position and it's time for younger and probably brighter talent to take over.

I'd like to thank the thirteen Presidents from Mike O'Connell #40225 to Susan Hatcher #58143 I've served under, and the uncountable number of officers, committee and program chairpersons and especially, the membership of the Senate for this opportunity to serve as your Legal Counsel. It has been a great ride, often challenging, sometimes humorous but always interesting. You meet some remarkably interesting people in this job! Once again, I say thank you!

But wait! There's more! For those of you experiencing early

AMBASSADOR TO CANADA
KAREN MacCANNELL

CanadaAmbassador@usjcisenate.org

What a wonderful year to Experience the Senate. I was fortunate to travel to some wonderful events this year with a trip to the Canada Senate Meeting at the top of the list. Was great to see our Canada Senate and JCI Canada friends in person and go on so many adventures.

We are so happy that Ambassador Linda Blanchard #44776 has had great health improvements and was able to join us at our Winter Meeting in New Orleans and again at the Mini National in Pigeon Forge, Tennessee with our friends from Region VII.

The next Canada Senate meeting is being planned as I write this, JCI Canada is actively working on their NATCON. Dates are 9/13 - 9/17 in Edmonton, Alberta. While there, you can visit some of their wonderful attractions.

The North Saskatchewan River Valley (22 times the size of Central Park) is a natural attraction where

In closing, I would like to mention the untimely passing of Morag Browning #51767 wife of Peter Browning #49104 the longtime editor of the European Senate Magazine. Morag was a dear friend to us and most European Senators and will be sadly missed.

Drumming Out of Penny Gill, the current British Chairman. Those who are politically correct might say she should be called Chairwoman, but Penny made it clear that she is the Chairman.

We are still contemplating attending the European Conference in Bucharest, Romania in late May, hoping we can tie the trip in with other meetings in the area. Information has started to flow from the World Congress in Zurich, Switzerland (Nov. 14-18/23) and we can now confirm that the new Senate Hotel is the Acasa Suites, Binzmuhlestrasse 72, Zurich. This hotel is between the Airport and the city and is a 7 minute walk from the train station and a 14 minute walk from the main venue.

Other meetings of particular interest are the 66th Crayfish Conference in Halmstad, Sweden, Aug 11-13 and the European Senate Golf in Mount Garni, Belgium Aug 25-27.

AMBASSADOR TO EUROPE
RUSS COOPER #4638

Lots of activity in Europe as they continue to be active and hold meetings in all Countries. I am sad to report that since the Winter Board meeting has been moved forward that in 2024 it will conflict with the British Drumming Out. Maxine and I will probably be at Sheffield, England for the

you can hike, bike, kayak, skate, canoe, Segway and in winter, cross country ski or snowshoe.

- The West Edmonton Mall is 48 city blocks of shops, restaurants, roller coasters and more.

- The Royal Alberta Museum (RAM) is located downtown in the Arts District, tells the stories of Alberta's people and natural environment.

- Visit Rogers Place, the home of the Edmonton Oilers, located in the heart of the city's Ice District.

- University of Alberta Botanic Garden where you will be amazed by the wealth and diversity of nature.

- Fort Edmonton Park, where history comes to life where you can learn about four time periods: 1846, 1885, 1905 and 1920.

- Edmonton Valley Zoo is home to more than 350 animals.

- While we will be in town, Edmonton will also be hosting Edmonton Comic and Entertainment Expo and the Kaleido Family Arts Festival.

More details will be coming soon, but this will be a great event in another beautiful city in Canada.

President Susan #58143, thank you for the opportunity to Experience the Senate and serve as the Ambassador to Canada. It has been a privilege and honor, thank you.

The room rate is \$125 a day with some availability three days before and after the meeting. This registration includes a welcome BBQ, a business meeting lunch, a banquet on Thursday evening and hot breakfast every day. If you have not booked a room yet, please do so ASAP as the block is filling up fast!

You can go online and book your room at www.JCISenate2023.com or directly with the Marriott by calling 877-264-8771 (request room block for JCI Senate 2023). The final cutoff for the room block is May 25, 2023.

On Wednesday evening we will be heading to Busch Stadium to see our redbirds take on the Houston Astros (Star Wars Night). Tickets are available first come first serve to those who have already completed

their registrations. If that block fills up, we will do our best to secure another block.

There are many places to visit in just the St. Louis area with our Jaycee founder Henry Giesensbier's grave site in North County, the Aquarium and Wheel at St. Louis Union Station, our beautiful Botanical Gardens,

Grant's farm and many other places. Not too far is our awesome Wine Countries in places like, Herman, Augusta, and New Haven.

Volunteers!!!

We are looking for people who like to bake to make desserts or snacks for everyone to enjoy! We are also looking for volunteers to sign up to help work hospitality during the week. Just check our MO JCI Senate page or our Facebook page soon for the Signup genius!

We are looking forward to hosting you and your families in June.

Thank you to everyone for your support.

FALL BOARDS SEPTEMBER 21-24, 2023 HOUSTON, TEXAS

Houston is the place to be this September, so lets get to the details. See the full registration in this edition.

Facebook: Need details or ideas, go to our event Facebook page, the best way to find it is to go to Facebook and search of "2023 Fall BOD". It that does not work, type the following: <https://www.facebook.com/groups/742266237283126> breaking that up, so you can read it: 742 266 237 283 126

Airport: The hotel has a free shuttle for George Bush International Airport (IAH), we will NOT have a shuttle from Houston Hobby (HOU). There are a few Southwest flights directly to IAH (Dallas, Nashville, Orlando, Midway, Denver).

Hotel: Call 281 875 2222 block is "JCI Senate 2023" rate: \$139 + tx/fees. If you are having an issue getting the room type you need, ask the hotel to transfer you to the Sales department. Ask for LeShunda Rogers, but anyone in Sales should be able to assist.

Professional Baseball: The Astros will play the Kansas City Royals on Friday, September 22. This would be a great place for your state or regional group outing but plan in advance and we can get group discount tickets, however we will not be providing transportation to game. Contact logangiesie@yahoo.com.

Food: Houston is the most diverse city in the United States and is impacted by its close location to the Gulf of Mexico for a seafood influence. While you can find everything, there is also no shortage of BBQ, Mexican, Soul, Asian, Cajun, German, Czech, Southern and Steaks.

The brewery tour we selected is called Karbach, a German style event with lots of options. It features a restaurant and beer garden. The distillery on our tour list is very close to Karbach, the tasting that comes with the tour is a very good bargain of straight and blended drinks.

Golf: Bring your clubs, we are in North Houston a very flat, wet and green area, perfect for golf. We will be at the River Plantation Golf Club in Conroe, TX.

Let us help you select a restaurant for your state/regional meeting.

So, get your boots and cowboy hat out or come down to Houston and buy them.

PRESIDENT
WAYNE KIEFER #36498
wayne.kiefer@gmail.com

Your Foundation had a great meeting back in New Orleans. Special thanks to the Iowa Senate, especially Newt #29407 & Carol #80700/FR#18 Standridge and Lisa #67973 & Dan #67974 Badger for a great meeting.

Because of the location and time during the Winter BOD, your foundation decided to forgo our winter auction. This permitted the foundation trustees, region reps and our volunteers the opportunity to enjoy the happenings in NOLA.

We still were able to recognize our members and welcomed more new members while in NOLA. We welcomed and recognized the 20th Named Scholarship during the noon luncheon and received many contributions during the luncheon and many will be recog-

nized in St Louis. Your continued generosity for the scholarship program is outstanding.

Speaking of St Louis in June, we will continue our golf tournament on Tuesday of convention week. With the passing of our Charter Foundation President, Doug Hincker, the trustees have changed the name of our tournament to "The Hincker Open"

By the time you read the Mentors, details of the location of our tournament will be on the web site and those who wish to either play, be a sponsor or both will be available. We are looking for 60 golfers to play in the inaugural Hincker Open on Tuesday morning at the Florissant Golf Club. Karen Voshel #62305 is once again taking care of our sponsorships and Tom King #59642 with Bill Patterson #47979 is once again taking care of the golf.

Speaking of scholarships.... by the time you read this we will have awarded 45 - \$1500 academic scholarships and 5 - \$1000 trade school scholarships. So, your continued support of the golf tournament is greatly appreciated.

One final announcement is in regard to our 400 club, NOW it's the 500-club program. No change in cost and we now will give out \$500 a month beginning in the month of July. See you in St. Louis....

SECRETARY
JULIE RIECKMAN #60573
senaterieckman55@gmail.com

Dear Foundation Friends,

Thank you for what you did for the Foundation in New Orleans, even though we didn't have a scheduled event. We appreciate the continued support of our mission to provide scholarships to deserving students.

Now we are into the season of Regional meetings and 500 CLUB

TICKETS! We have upped the payouts but not the price. You still only pay \$50 for 6 or \$10 for 1! The payouts will come about the 20th of the month starting July 20th, 2023 which there will be 2 - \$100 and 6 - \$50. PLUS, your ticket goes back in for the next round of drawings! Contact any Foundation member for the tickets. I am sure there will be plenty to buy at the Regional Meetings!!

The foundation also has many sponsorships available for the Hincker Open, contact Karen-Kopp Voshel #62305 for one of the possible sponsorships.

St. Louis in June, time for the Foundation Day!!! There will be a Brown Bag Auction, Silent Auction and the ever popular LIVE AUCTION!!! The team will start taking donations Monday.

Looking forward to seeing everyone when the weather is better and the traveling is safe.

TREASURER
EARL SAWYER #28243
maryearl@swbell.net

Dear Senators

I want to thank all of you for your support of the Foundation. We have been very fortunate that we have such great supporters and were very successful in New Orleans even though we did not have an auction. Thanks again to all of you who supported us.

I am happy to report the 400 club was so popular. We sold out of tickets and we have 7 happy winners a month. We have decided we are going to have a 500-club starting in July 2023 for the 2023-2024 year. Get with

a Foundation trustee or region rep and get your 500 club tickets for next year. We will be giving 2 \$100 and 6 \$50 prizes each month and you can win every month on the same ticket (if you are really lucky). Tickets are 6 for \$50 or \$10 each. If you buy \$50 worth it adds to your Foundation account.

I want to share a very special item. Unfortunately, we lost one of our very special past Presidents recently, so we have named the Senate Foundation golf tournament the Hincker Open. If you are interested in playing in the open in St. Louis, contact Tom King or if you would be willing to be a hole or cart sponsor, please contact Karen Voshel.

If you would like information on the Foundation, the Scholarship program, how to donate or what level you are, please feel free to contact me at the usjcisenatefoundation@gmail.com or call me at 314-560-2927 and I will be glad to help you. Remember if you need a copy of your donations, they are on the web and you can print them individually by clicking on the invoice after the donation.

Thanks again for your support of our Foundation.

JCI USA

**JCI USA PRESIDENT
NATE MARTIN**
NMartin@jciusa.org

Aloha Senators! It is truly my honor to be serving as the 103rd National President for JCI USA. The 2023 "Push Your Potential"

year got off to a fast start with our changemakers ready to serve our organization.

On March 16-18, 2023, the state of Tennessee welcomed current and past Jaycees from all across the country for the JCI USA Spring Convention. It was an exciting time in which attendees were able to partake in developmental sessions, fellowship, celebrate the accomplishments of the 2022 year, and install the 2023 officers. We were especially honored to have U.S. JCI Senate President Susan Hatcher in attendance, which allowed the members to "Experience the Senate." At the awards banquet, we were even able to capture an epic picture with all the senators in attendance. It took multiple camera angles,

but we got it! I extend a mahalo nui loa (thank you very much) to President Susan and all the senators who helped make it a great convention and provided that memorable experience for our Jaycee members.

Looking ahead, JCI USA will be in Santa Marta, Columbia on May 3-6 for Conference of the America. It is going to be an opportunity to represent the United States, and meet with members and senators from other countries. On September 7-10, JCI USA will be heading to Minnesota for the JCI USA Annual Meeting. We will be hosting more developmental sessions, providing opportunities for members and senators to fellowship, conducting the business of the organization, electing our

leaders for 2024, and honoring individuals through our Ten Outstanding Young Americans program.

I would like to commemorate the 102nd JCI USA National President, Margo Dirkson, and her team for an outstanding 2022 "R.I.S.E. Up" year. It is because of her leadership, and those of the past, that has allowed the 2023 leaders to continue the positive momentum.

Here's to a great year, and to the many interactions and collaborations with the Senate. I look forward to working together to continue to build our leaders, achieve our goals, and fulfill our mission.

Aloha and Mahalo.

PRESIDENT MAINE

Eleven Maine Senators spent a January Saturday in Lewiston, ME judging scholarship nominees. Maine recognized three individuals.

Twenty Maine Senators traveled to Auburn, ME. for a meeting/social in mid-March. Heard about what the state has been doing, enjoyed a great meal and shared wonderful stories. Small-item silent auction was held to benefit Maine's scholarship program.

Committee of Maine Senators met with an archivist from the Maine State Library to learn how to preserve/protect our collection of documents, publications, newspaper articles, etc. to preserve our Jaycee history. We hope these records will be available to others in an online format.

Big-item silent auction is planned for the Annual Meeting in Ellsworth, ME in June. Discussions will include a camping weekend, August meeting at President Joyce and First Gentleman Mike's camp, co-hosting with NH on the Lobster Lunch and a brand-new surprise event!

Being Maine's President for 2022-23 has been a great experience. I've been blessed to have an incredible team working with me! Thank you to all who have taken on chairmanships, programs and offices. You've done a tremendous job! It's been my honor to serve with you helping lead the way.

Join the fun, enlarge your circle of Jaycee friends.

Greetings from Massachusetts! We are still conducting zoom meetings as it works out best for our older members who prefer not to travel at night.

Our December Social was a great time! President Susan Hatcher #58143 joined us as well as Region I VP Peter Jordan #54684. Thank you to Martha Lariviere and Martha Fraser for chairing this event.

We are working on a potential Senatorship and will share more info when it is confirmed.

Scholarship Chairperson Marilyn Lariviere announced this year's scholarship winners: Olivia Hansen, Ryan Christensen and Emily Allen. Thank you, Marilyn, for chairing this project. We hope to see these amazing young people at our May meeting.

As many of our veteran members are aging, we are looking for some of the younger Senators that we haven't seen in awhile to step back into the fold so we can ensure the legacy that the veteran senators kept alive for so long.

I am planning on attending the Region I Spring Caucus hosted by the NH Senate May 5-7th. Hope you can join us as we celebrate Cinque DeMayo!

Wishing everyone a Happy Spring!

Greetings from Region I "Family By Choice"! It's really hard to believe that this incredible Senate year is coming to an end. We truly had some amazing events that brought us all together for some great food, beverages, stories and most important friendships. Thank You to all my states for stepping up for their many special socials and fabulous hospitality. I had the best team that any NVP could hope to work with this year. Region I Presidents were Allison Forsythe #61452 CT, Joyce St. Pierre #44818 ME, Debra Daley #67167 MA, Dick St. Jean #38089 NH, Arthur Plitt #22075 RI and Bob King #36581 VT. They worked hard all year promoting their states with numerous special events and gatherings. I'm truly appreciative and very proud of all of them.

Thank You Region I Exec. Committee who made a positive impact for us in everything that they did:

- Bonnie St. Jean #42864 (NH) Region I Handbook & so much more

I'm truly amazed that Region I "Weekend of Giving" netted us \$1410. We were able to give all six states a check for \$235 at "Fall Frolic" 2022. First time that Region I had a "Weekend of Giving" and hopefully it will continue in the future.

Thank You Region I for the great hospitality that everybody has shown me during my visits to your states and for the many ZOOM calls that we all have had so far. If there is anything I can do to help in any way, please don't hesitate to call or send me an email. THANKS AGAIN EVERYBODY! See You in St Louis

Quiet times in RI as we enjoyed wonderful springlike weather, almost like Floridians but without humidity. Dave Roderick almost thought of swimsuit time in Newport, he didn't want to tip-toe thru the tulips. Holiday times and scholarships judging were Andy Riley, Dave Roderick, Ron Grandchamp and Charlie Dick efforts with 2 good candidates.

Miriam and I celebrated our anniversary at CAV Restaurant which was a real treat of special food and drink. We celebrated our grandson Joshua with his bar mitzvah, one looks back at these great memories of growing younger.

Thankfully, healthy recovery for Jack Lancellotta from long term Covid and been blessed to have seen minor health issues from all others. We are fortunate to be free of those bugs.

Hoping to hear more drumming stories from the English trip Charlie Dick, Kathleen Collins and Ellen Jost had in Jan. Birthday celebrations for Charlie and Herb Jeschke as he tours The Northeast for places to eat and drink. Sending blessings to those around the US and abroad for surviving weather and illness problems.

SURPRISE!!!

Dear Senators,
 Recently, personal letters were sent to all VT JCI Senators that our club has been carrying on our membership roster for several years. We have made numerous attempts at reaching such members along with personal phone calls to some; we've had mixed results but were able to obtain a new lifetime member and several others are in the process of sending in their dues. We plan to continue this process throughout the year so that we have made every effort to bring our membership rolls up to date and all members will be current on our roster. We are working towards having two databases, one containing complete information on each Senator and their spouse or partner to include birthdays and anniversaries. Second database is an up-to-date email group to better help us communicate with all paid members. In addition, each paid member receives our newsletter in paper and electronic form. We feel this will help us with improving communications with all Vermont Senators.

Our annual meeting will be held on May 11th at the American Legion Post #3, Main Street in Montpelier. Annual elections will be held with some new officers being elected for the 2023-2024 Senate year.

BOB McDONALD #58286

"HERE WE ARE"

Timonium, MD. Replacements for the Region III NVP and myself were elected. They will be sworn in at the Year-End meeting in St Louis, MO. The Maryland JCI Senate put on a successful MAI.

I would be remiss if I did not tell my 4 presidents how extremely proud I am. They have all stepped out of their comfort zones and have overcome many obstacles while doing an outstanding job. They have led their states to new heights and have grown every quarter, adding to their numbers. They have shown me such hospitality every time I have gone into their states and have made me feel like one of their own. They are truly "JAKK"d up this year. Joan Travis #76201, Ann Harrison #75822, Katy Lemmer #75822 and Krista Shafer-Vazques #77862, thank you from the bottom of my heart.

This year is winding down and it's a bittersweet time. I am happy for all the memories I made, Experiences I shared with my Region and with my fellow NVPs and the friends I have made and reconnected with. I am sad because my year will be over, but I leave the Region in the hands of the new NVP. We have truly shown the US Senate that We Are Region II and HERE WE ARE!

These past couple of months, NJ has been busy preparing for MAI 2024 Contract signing with our sister State of Delaware. Many thanks, after many zoom meetings, a lot of leg and hard work by NJ Past State Senate President Bob Friedlander, a venue has been chosen. Please, when we reach out for committee members, offer whatever you feel you can. No task that you could perform is too small as such a large task is ahead of us.

A NJ Contingent attended Winter Boards in New Orleans. I was honored to be invited to the Presidential Reception by National President Susan Hatcher #58143.

The JCI New York Senate has been showing fellowship and traveling. Our Senators have been seen at Mini National in Tennessee, MAI, New Jersey, JCI USA Year end and so many other places. Even if we haven't been traveling, it was great seeing people at our meeting on zoom.

The March Madness challenge was a success and thank you to everyone for participating. It was great to hear how people reconnected and shared fellowship, looking at the pictures you could tell the joy.

I am so thankful we have a working website again! A big shout out to all that helped launch our new website and offered to continue to assist.

The last few months we continue to work as a team, be a resource and grow as an organization and we are not done.

We will have a few more gatherings, a few more travels for this year. I am excited to see many at the June meeting (the weekend of June 16-18) and at the year-end meeting in St Louis.

Let's keep going strong, share fellowship and keep experiencing what the senate has to offer.

Greetings from Region II
 After a great Winter Board Meeting hosted by the Iowa JCI Senate in Kenner, LA where Region II had a lot to be excited for. It was the top growth region for the second quarter. PA was #1 and NY was #3. PA was named the RTF top state, Nancy Salopek #47610 and Katy Lemmer #73037 from PA were named to President Susan's All-Star Team. Joan Travis #76201 from NJ was announced as the NVP for next year. Our own Gary Duell #48384 from PA announced his candidacy for National Secretary. We showed everyone that Region II is for real.

Events in Region II included elections and meetings in PA, NY, NJ and DE as well as socials in PA and DE. We created a charcuterie board in PA, social with President Susan in DE, March Madness Member Activation Program in NY and an election social in NJ which was scheduled around the Region II/ III Middle Atlantic Institute meeting in

"BUILDING BRIDGES"

The Maryland JCI Senate hosted this year's MAI on March 30th – April 2nd and they did a great job showing hospitality to the eight states in our two regions, as well as those visiting. It gave me the opportunity to make a list of all the wonderful things Region III states had done and the many places I have traveled.

I feel honored and privileged to have represented Region III. Thank you from the bottom of my heart for making me feel welcome. A huge thank you to Presidents: Kelly, Greg, Beth and Randy for putting up with the many calls, text and email reminders about deadlines and actions we take for our organization.

We are preparing ourselves for the final months of this year's board. They have been traveling across the country, promoting the ideas and visions for the next year. I wish all of them luck in fulfilling their goals but more importantly remembering to enjoy the many experiences that they have along the way.

Keep "Building Bridges" because today is our bridge to tomorrow, a span we walk for a lifetime.

As the year-end is approaching rather fast, I would like to thank everybody for supporting the WV JCI Senate. Throughout the time I spent as the WV JCI Senate President, I have learned and experienced so much that I cannot express it all in 150 to 200 words.

This Senate year is coming to an end. We have shared many experiences with our local friends and those who have traveled. I have truly enjoyed meeting a lot of new people along the way. This year has provided me with new friends I am sure I will have for many more years to come. To me, that is the true meaning of Experience the Senate. It's not just in the moment but it's in the memories you will keep. It may be patting ourselves on the back, but I think we do a wonderful job at making sure everyone has a good time.

What an awesome year it has been! We had fun at the Winter Meeting in New Orleans visiting Mardi Gras World, eating beignets and drinking hurricanes.

Had a fantastic meeting in VA Beach with President Susan #58143 & Region III NVP Judy Nuessle #62267. We stamped our passports with an Evening in Paris. Delicious fondue dinner by Brenda Yankey #49720 and Martini Mix-off chaired by Tom Cramer #61597. Presented 8 new Senatorships coordinated by Senate Liaison Karen Gage #78980. Throughout the year, we've engaged with service projects aiding Hilton Baptist, Atlantic Outreach and Samaritan House

For all the Senators that could not make it in Feb., you missed a good time with a lot of good friends. I would like to see everybody in May for our meeting on Saturday. We will be working with the Parkersburg Area Jaycees on Friday evening with some training.

I would like to welcome our new team that is ready to take over on June 1st. Good luck to everybody and I wish everyone will enjoy the experience as much as I have. I am looking forward to being your chairman of the board for the year 2023/2024.

I hope to see everybody in St Louis at year-end National Convention. I really don't know how to thank everybody that I have met along the way to my next adventure. The past 3 years of being the WV JCI Senate president have been fun and exciting. SO AS ALWAYS, ENJOY THE MOMENT

thanks to John Mosesso #71551. MAI, an environmentally conscious group of Virginia Senators armed with water flasks/ beverage bottles gathered in Timonium. Great time was had by all.

My passport was stamped with international travels: British Senate's Drumming Out and German Senate's Gold Rausch. Great fun connecting with Senators from throughout Europe. Senate has truly been my Passport to Adventure this year!

Thank you to the entire team of VA Senators serving on the board this year which made it possible for me to serve while living in California.

Year isn't finished yet, come visit us for our year-end meeting in Glen Allen (Richmond) May 5-6.

"WTH - WE'RE THE HEROES"

I have made this year. It is hard to believe that we are near the end of the year. We have held our winter meetings, our regional conferences and are headed into our year-end state meetings before heading to St. Louis, MO to celebrate our "Senate Experiences". If you happen to be traveling in the Region IV area the weekend of May 19 - 21, 2023, you have four opportunities to attend a meeting in the region. The Alabama JCI Senate will be meeting in Dothan, AL, the Florida JCI Senate will be meeting in Melbourne, FL, the Georgia JCI Senate will be meeting in Jekyll Island, GA and the North Carolina JCI Senate will be meeting in Pinehurst, NC. Reach out to someone in these states for more information if you are in the area.

I am sad to see the year end, but happy for what we have accomplished in Region IV.

Thank you, Region IV for the continued support! This has been a year of making memories and one that I will cherish forever. It has been an honor and privilege to serve as your NVP this year. Remember the year of, WTH – "We're The Heroes", and always remember that each of you are my HEROES.

PRESIDENT
GEORGIA
jc61276@gmail.com

Greetings Senators,
 As our year comes to an end, the Georgia Senate is proud to say that we have truly "Experienced the Senate" this year. Our members traveled all around the country for National, Regional and State Meetings and functions. Old favorites were visited, and

new ones were found. We are grateful for our friends around the country and look forward to seeing them in St. Louis.

Here at home, we have re-connected with many members who had wandered away and are continuing to work on our communication within the state. We've said good-bye to a lot of old friends this year and they will be forever missed. We have welcomed new members and look forward to making memories with them.

Our Year-end meeting at Jekyll Island reminded us of both where we have come from and where we are heading, as well. We elected new offices and presented our Steve McMath Memorial Scholarship. Our newly elected officers are already preparing to lead the Georgia Senate into its 50th year. No matter what the future holds, the Georgia Senators are "Never Gonna Stop Believing".

The NC Senate has had a very busy few months participating in both Jaycee and Senate activities in NC and across the Nation. We entertained visitors from our State, National and International organization.

We celebrated with the NC Jaycees at their Year End meeting inducting 4 new Senators into the NC Senate.

We celebrated Valentines with the girls at our Jaycee Cottage at Lake Waccamaw doing a Spa Day and dinner at a local Mexican Restaurant.

Fun was had by all at the Region IV meeting at Calabash including participating in the Jim Ollis/Bobby Saunders Golf Tournament and First Annual Putt Putt Tournament

hosted by the NC JCI Senate with lots of help from Senators from across the country.

We invite everyone to join us for our upcoming events including a cookout with the girls from the Jaycee Cottage in conjunction with the NC Jaycees in the spring and our Year End Meeting May 19-21 in Pinehurst, NC.

Tomlin #62797 who led Indiana for the second year encouraging new leadership to rise in Indiana and Wendy Taylor #71712 who has a remarkable style of leadership that Linda and I appreciate her handling a large group of young Senators becoming involved with the Michigan Senate.

On a sad note, Illinois has continued to be hit hard this year with Senators who now occupy the empty chair. Charlie Gouveia #18294 and Jim Mathis #32168 both served as Presidents of the Illinois Senate. I knew both gentlemen and observed through the years the contributions they made to our great organization. I salute them as they were great examples of how Jaycees develop leaders. They were both Senators who will never be forgotten in the annals of our organization. I want to thank the Lord for giving me the privilege to have known and worked with these Senators.

Finally, I want to say never reject an idea because people say it is impossible or it cannot be done. Every idea may seem impossible when it is first born. Senators who have great ideas and turn the impossibilities into possibilities make progress in our organization. Remember the days of Jaycees when we would take a project that seemed impossible and turn it into a successful possible. Our goals should be to take an idea and develop it into a success. These ideas will be more successful when working as a team by defeating the negative and grow the positive.

"Patience and perseverance have a magical effect before which difficulties disappear and obstacles vanish." John Quincy Adams.

Linda and I want to thank all the support we have been given this year and we are both looking forward to National Convention in St. Louis where we can all thank our leaders for volunteering their time and efforts toward our organization.

Greetings from the Illinois Caddyshack!

I hope that many of you will attend the TOYP and Hall Of Fame Awards at the May 5-7 meeting in East Peoria. It would be great to have a strong show of support for the Illinois Jaycees.

Please consider this to be your invitation to join us for the Illinois Senate Picnic in Savoy, Illinois on July 27-30. You won't want to miss all the fun! There will be Bar-B-Que, two days of golf on the University of Illinois courses, "Bar-Burgers" an Illinois tradition, outstanding Steak Dinner and some of the best hospitality that you will enjoy anywhere!

We have only a short time left in this Senate year. It took a great deal of hard work to be honored with a Senatorship. Receiving a Senatorship should not be the end of the story; it should be the beginning of a new chapter in your story. Please take the time to invite one of our less active Senators to get back involved with our group. We need them and they will appreciate that you cared enough to ask. Please help others to "Experience the Senate".

Keep them in the fairway!

Greetings fellow Senators! It is hard to believe this year of Senate experiences is nearing the end. I want to personally thank my team, including long-standing friends, supporters, instigators, mentors and influencers. The year wouldn't be complete without you and fellow Region V Senators who have visited, attended our meetings, served as travel buddies and provided guidance, advice and a few shenanigans. Special thanks to NVP Norm Hoffman #25676 who attended all three IN JCI Senate meetings this year! It's been the experience of a lifetime; none more exciting than the return to French Lick for our annual meeting and elections. It had been years since most of us experienced this historic small town and we were elated to experience new attractions and venues with our special guest President Susan #58143. Lastly, best wishes to next year's team. The sky is the limit and I've no doubt you'll do amazing things.

Y'all are invited to join us August 18 - 20, 2023 in Portage, Indiana for our Summer Board meeting.

Until then, Drive it Like You Stole (part deux)

Hello fellow Senators, we are well into the third quarter of the year and heading for the finish line where Region V celebrated their Spring meeting in Galena, Illinois. In January, Linda and I traveled to Florida and then over to Winter Board in New Orleans where we saw Bill Patterson #47979 announce the Candidacy of Gary Pittenger #24804 for the office of AVP for the US JCI Senate. Jon Bruner #58932 (OH) announced his candidacy for Region V NVP who will take over for me July 2023. Congratulations to Laura Harrin #68753 for being recognized as first timer at Winter Board. It was very refreshing to meet a wonderful young Senator into our ranks. I gave her one of my Region V Challenge coins and wished her well in the future of our organization. End of January, I attended the Indiana/Kentucky joint meeting where fun was in the air with "Long Island Ice Tea's". February, Linda and I were in Mt. Pleasant, Michigan to celebrate the Michigan Jaycees year-end banquet. We then traveled to Pigeon Forge, Tennessee Region VII meeting where the mountain air was a wonderful break from the winter of Illinois.

In the upcoming months Linda and I look forward to traveling to Maryland, Indiana, Illinois TOYP, Ohio and St. Louis. I want to take a second to thank all the Senators who helped make this year a success for Region V. The five state Presidents of Region V: Amanda Turner #65613 who has Ohio Senate as a growth state, Bill Patterson #47979 who took the lead for Illinois and continued the Illinois Senate programming, Brad Blaine #39993 who again had stepped up this year to represent the great state of Kentucky, Lori

Where has the time gone? It's been an awesome year in Michigan. With our push for activation, we are getting to see members we haven't seen in years, meeting new people and having a great time reminiscing with old friends. I personally want to thank all of the out-of-state visitors too. Don't worry if you haven't gotten to visit yet, there is still more to come!

Our Spring meeting will be May 6th in Lansing. The BOD has decided to make it a weekend affair with some fun activities planned. Likewise, our year-end celebration July 15 in Ypsilanti will include some additional events if people want to make a weekend of it, they can!!

Just click the link to our new public Facebook page Michigan JCI Senate and give it a follow to get the scoop on all of our upcoming events! Thank you again to all the wonderful folks who have made this year so amazing!

Greetings from Ohio!

It's hard to believe the year is almost over and this is my last article for the Mentors. In January, I finally made it to New Orleans!! Thank you for a wonderful winter board meeting. I made several new friends, had some wonderful food and enjoyed many terrific experiences with my Senate friends. A special shout out for those who drove and were very kind and understanding chauffeurs. I'm looking forward to Ohio's year-end in Fairborn, OH June 2-4. Be sure to keep an eye on the Ohio Senate Facebook page and website for detailed information. Heads up for you pig roast fans, be aware this year we have moved the location to Goughler Park in Kent, OH (the other side of the state). There will be many new events including a live band Friday night. Ohio is starting the year off right and I hope you can join us. Last, but not least, thank you to all of my Senate friends for a year of unforgettable and wonderful experiences. I'm truly proud to have served as Ohio's 55th JCI Senate President.

It was just a little while ago we were in Corydon, Indiana sharing a weekend with Indiana for our joint meeting. Thank you Indiana for hosting the meeting.

We lost Jim Gambill in October and then found out recently that we lost Kentucky and Tennessee Senator Jim Thomas in February 2022.

I look forward to traveling to Galena for our Region V Spring Fling. There is no telling the stories we may have to tell in St. Louis as we venture to the Northwestern Territory of Illinois in the middle of March.

We will be holding our Annual Elections Meeting on May 20th in Bardstown, Kentucky. We will be meeting at Talbott Tavern at 11:30 for lunch and fellowship and then hold our meeting at 1:30.

We have replaced the Bourbon Bash with the Fall Frenzy on October 20 & 21. Holding our attendance to 75 will allow us to host everyone under the pavilion and not require the many tents we needed for the BB which all took several hours to dry on Sunday before being stored away. Registration is full with a waiting list for now.

that meeting and enjoy the ride together.

I visited our Spring Region VI election meeting. This was held the weekend of April 14th in Yankton, South Dakota. This happened at the NFAA Easton Yankton Archery Center. Just for the record, no you cannot shoot an apple off anyone's head. At that same regional meeting, South Dakota celebrated their 50th Anniversary.

The weekend of April 21st I headed to Bismarck, North Dakota to have dinner and visit with some of our comrades to the north.

The weekend of May 5th I will be Crystal Falls New London, Wisconsin for the Wisconsin JCI Senates election meeting. This also will be their 50th anniversary.

The weekend of May 19th will be a busy one in region VI as Missouri will be holding their election meeting in St. Charles, MO. That same weekend I will be heading up to Rochester, Minnesota for the Minnesota JCI Senate Spring meeting.

Reach out to me if you have any events, you'd like me to attend. As of now, I still have some open spots in June before the year end meeting in St. Louis. Can't wait to celebrate with everyone on a successful year.

Greetings from Region VI, Spring is here! Hopefully that means we can start enjoying some of that outdoor weather without much of the white stuff. Much of the region will probably have not seen the end of it but we can always hope.

January and February ended up being a very productive month for me as mentoring has been a key to my goals for the year. Not only did I get to attend several Jaycee events, but in February I was able to spend some time with JCI World President Victor Omarsson to discuss some of his goals for the organization. The following weekend I was able to follow that up at the Iowa JCI senate meeting and do the same with JCI USA President Nate Martin as well as visit with IVP Nikki Schaul and US NVP Breanna Wetzler.

Wow! Here it is year-end and we are ready to elect new leaders to move the Senate forward in Nebraska.

What a wonderful year it has been for me, serving Nebraska as their President. Thank you, Nebraska Senators for blessing me with this opportunity. In this last article of the Mentors for the year, I also want to take a moment to thank my entire board and the entire membership for their continued support of the Nebraska Senate.

On March 11th we met in North Platte at the Jaycee Hall and we were blessed to have President Susan and NVP Paul and His lovely wife Tonya. We had a great meeting and dinner time with Jaycees and Senators from across the State. It was wonderful to reconnect with old friends and great to meet new friends.

In April, the Nebraska Senators had a wonderful time at the Region VI meeting in Yankton, SD. As always, it's so fun to see old friends and to meet new friends.

In June, we are heading to South Bend for a cookout and maybe some camping going on for the weekend. This will also be our election meeting for next year's board of directors.

At the Region VI meeting in Yankton, SD it was great to see many of you there. In Missouri we are gearing up for our May Board/Elections Meeting on May 20th in St. Peters, MO. As the weather starts to improve many chapters will start holding their spring projects which we are looking forward to as well.

As this year draws to an end, I will be attending the US JCI National Convention in St. Louis, MO. I encourage all of you to attend as well and let's celebrate the accomplishments of the year.

Thank you to all those who encouraged me this year and all who believed in me. I am so thankful for my Missouri Senators who always are willing to step up and help wherever and whenever is needed. We are blessed to have such an active Senate.

Greetings from the great state of Texas. My theme for this year was "Don't Mess with Texas". When you hear that, you probably think of some old cowboy that just called you into the street. That couldn't be further from correct. About 35 years ago, Texas was a mess with litter everywhere. A group set out to correct this problem. They

started an ad campaign that used billboards and Red, White and Blue barrels with "Don't Mess with Texas" placed in all public areas. The litter problem was reduced by 75% in a couple of years. Many Jaycee chapters were involved in placing the barrels and displaying signs. So, the Jaycees helped stop the mess in Texas.

This is my last article of the year. First Lady Candy and I enjoyed the ride. We've gone to new places, met new friends and renewed old friendships. Thanks to my hard-working Board for making the year a success.

Hello from Montana!
 Well, here we are at the end of another Senate year. Or is it just the beginning? Sometimes, it's kind of hard to tell especially since we still have a few events to take care of in the next few months. Kicking things off, we will be

heading to Great Falls the weekend of May 5-7 to watch the mermaids swim at the Sip and Dip during our Year-End Senate Convention.

Then, summer finds us once again towing trailers and boats to Kim's Marina on Canyon Ferry Lake for our annual campout the weekend of July 7-9.

Both of these weekends promise to be filled with fun, food, beverages and people who know most of the same lies about the past as you do. Information for these events can be found on our website.

On a side note, the Walt Rucinski Pin Collection has been donated to the MT JC Foundation for sale. More information will be forthcoming as it becomes available.

Finally, thanks to the Montana Senate, especially the board, for putting up with my questions, suggestions and ideas for the past year. I've enjoyed the trip.

Best Wishes and Thanx,

Hello fellow senators,
 Spring finally arrived along with baseball and Senate activities in Region IX. The Idaho Senate had their winter meeting in Riggins, Idaho. It was at the Salmon Lodge and ran from April 20-23. The Oregon Senate held their state meeting the following weekend April 27-30 at 7Feathers Casino and Resort in Canyonville, Oregon.

Canyonville is a nice town and we had lots of laughs and fun along with some gambling thrown in for good measure. There is also an RV park with a shuttle running to the main building.

The Montana Senate will hold their state meeting May 5-7 in Great Falls at the O'Haire Hotel. It is held at the hotel every year and the prime rib is always superb. The month of May ends with the Washington Senate hosting the Region IX Regional and their state meeting in Tacoma, Washington. It will be held at the La Quinta Inn directly across from

April 28th to 30th we hold our annual meeting at the Seven Feathers Resort and Casino, link: Seven Feathers Casino Resort - Exit 99 - Canyonville Oregon . They are offering discounted Spa packages and we may go wine tasting and golfing. If you wish to join us, book your room early; mention that you are with the Oregon JCI Senate. Please send your \$70 (per person) registration to Bob Highfill, #23612 at 2830 NE Iler St., Newport, OR 97365.

looking westward, this will be a great time. California JCI Senate year end meeting will be held in conjunction with the Region X meeting as well and it is their first in person meeting in over 2 years!

I will be ending my year as Region X VP in St. Louis. I have had a fantastic year meeting new friends, getting to know old friends better and truly enjoying life as a Senator.

There are so many people who mentored me, assisted me or just listened when it was time to vent - you do not know how much you all are appreciated. Thank you for helping me to meet my goal of a having a great year as Region X VP.

See you all soon (hopefully in May, Check out the registration on the National website).

I'm a lifelong learner. Granted I like experiencing, exploring and expecting to learn about things, issues and ideas that I like, not things I don't.

But, when the UNfortunate, UN-expected or UNwanted occurs, it is normal to be scared, angry and look for the offender first. I'm not sure why we do this. Perhaps, we're human.

So, to all you lifelong learners out there, the best way to get good at responding to the "UNs" is to expect to experience and explore them, too. Then, we can do some 'experience aikido' by seeking the lesson, finding the silver lining and, if it involves another person, by asking this power perspective question to gain deeper understanding: "What happened to you (so that you and I are here right now)," rather than the victim perspective question, "Why did this happen?"

UPCOMING Hawaii JCI Senate events:

PRESIDENT

Well, it has been a long year and I am a little sad to see that our time has come to a close. We haven't done as much as I wanted to accomplish but due to the pandemic, we have had to cut back a lot on our activities this year. With our major cities and state taking major hits for forest fires and now blizzards, California has not fared well. Hopefully we can turn it around for next year.

Our first in-person meeting will be our year-end Installation and Awards gathering held May 5-7th at the Delta Marriott in Santa Clara, CA. Flier is in the Region X's announcement for further details.

I know as a State we were represented at all the US JCI Senate's meetings this year while unfortunately for me, I underwent major health issues and couldn't be there. Recovery has been slow, but it looks like I will survive. I wanted to thank our Past Presidents and Board members for attending in my stead and even though this is a short article, I appreciate all your efforts for us this year. I wish you all well and hope to see you come out in May.

Hello Senator Friends,
 After heading back from New Orleans, I headed to Hawaii where I participated in a Double Hour of Power with the Hawaii Jaycees and attended the Hawaii JCI Senate and Alumni Recognition Banquet. What a great time! I strongly encourage everyone to try and attend this function in Hawaii, they really know how to Experience the Senate!

Next up is the Region X meeting in Santa Clara, CA May 5 - 7. That is a busy weekend across the country, however, for those

Arizona was busy with socials thanks to Lillian Cheng #72962 & Vicky Dempsey #58206 popping in.

In between rounds of snow, we were able to travel to Mesa, AZ for our 3rd quarter meeting hosted by Lowell #40315 & Debbie FR#42 Vahl. Then met up with

Senate friends in Las Vegas the weekend after.

Mike Schmitt #39725 chaired the Ahwatukee Easter Parade on April 8th. Great contingent from AZ for volunteering.

In celebration of Earth Day on April 22nd, AZ cleaned up Rio Salado Parkway in Tempe, AZ for our Adopt-A-Street. Thank you, Art Shane #27322 & Cathy O'Hara FR#77 for setting these up.

Greetings US JCI Senate

This year's game is at the seventh inning stretch. Thanks to all of you who have submitted articles, pics and sponsorships for each issue this year. Without your input we wouldn't have such a great magazine. Thank you for abiding by the new article lengths so more info can be added to each issue.

Thank you, President Susan and Secretary Gary, for all their assistance and advise. Big thanks to Mary and Tanis for editing each article, empty chair and new senators. Also thank you Jackie for her hard work in persuading so many Senators to place ads in each issue and collect the Mentors sign in sheets. Finally thank you to Newton for all his assistance to find a new paper type as a cost saving method.

Once the celebrating is completed in St Louis all new officers, presidents and program managers will need to submit their articles by the **July 10 deadline**. **For this issue, please include events from September to December 2023.**

Thank you all again and hit that grand slam.

Hello fellow Senators,
 I would like to say a Big Thank You to President Susan for allowing me to be apart of the "Experience the Senate" Team.

I have always lived an experience by doing the Empty Chairs, New Senators and Friendship Winners.

While typing up the Empty Chairs, New Senators and the Friendship Winners I am amazed at the programs and organizations that they have been involved with and it explains why they have been recognized by their local chapters. I have learned so much from all of them. Go back to your local chapters or state organizations and recognize those individuals who are deserving of the honor of being a Senator.

Remember the new deadline will be coming up soon, so don't forget to get your articles in on time.

receiving emails, or bounces, temporarily decreased after changing to Constant Contact, but over the last four issues, it has increased again. So, it is important for Senators to check their spam folder for emails from e-News@usjcisenate.org. Please mark this email address as safe so that the E-News will safely reach your email inbox.

To submit an article, calendar entry, or a link to a registration form, please email them to e-News@usjcisenate.org by 5 PM on the last day of each month and the 14th of each month. A confirmation email will be sent upon receipt of your article.

Happy Spring Senators,
 As we have "Experienced the Senate" this year, thank you to those that continue to support Mentors Magazine through your ads: Sign in sheets, campaign, thank you and Christmas. Because of your support, we are able to produce a quality magazine three times a year.

Please remember that your ad will not appear unless the funds have been received by Treasurer Bruce. If you have submitted your check and your ad does not appear, please let me know so I can be sure it is printed in the next issue. This happens occasionally due to human error and we always want to be sure to correct it.

I would like to thank President Susan for allowing me to serve in this capacity once again. A special thank you to all of the Mentors editors: y'all have no idea how much time and energy goes into producing each issue.

Thanks to Treasurer Bruce, Secretary Gary and AVP Hal for being incredibly easy to work with. I don't think I've ever done this but thank you to Anne Johnson #49625, advisor to Virginia and Region III. Business Manager was not on my radar but Anne suggested I give it some thought in the only way Anne knows how: with consideration and without pressure. Virginia and the Region are lucky to have you.

I hope that everyone finishes up the year strong. See you in St. Louis.

The final article of every year is always a challenge. It always seems the year just started and too soon it is over. At this point we have 4-6 weeks left in this Senate year. You have probably elected your new board members for the 2023-2024 Senate year. Please take the time to share the appropriate protocol you have learned and used this year.

One more reminder our website is a great source of info. Protocol details are available at <http://usjcisenate.org/index.php/programs/protocol-2022-23/download>. Treat your guests as special friends and your friends as special guests.

Thank you to President Susan for asking me to be a part of this "Experience the Senate" year. I hope each of you look back on your experiences and remember them with joy. See you at the year end celebration in St Louis.

Enjoy every day!

CONSTITUTION/BYLAWS
ALAN RICHARDSON #50550
lar50550@cox.net

While I was not able to physically be in Kenner for the Winter Board Meeting, I hear it was a resounding success and I want to thank the Constitution and By-Laws Committee for meeting and for dialing me in! The Committee has continued to review the By-Laws and has had several robust discussions, but to date, we are not bringing forth any changes that would need to be voted on.

It has been a pleasure to serve as Chair of the Committee this year and to work with my fellow Committee Members Bianca Deal #71182 (Florida), Elizabeth McInnis #54219 (Massachusetts), Melissa Sleeth #69220 (Virginia), Nick Woods #62735 (North Carolina), Legal Counsel Stu O'Hara #39768 (Ohio) and Assistant Legal Counsel John Badeen #73089 (Michigan).

I thank each of them for their commitment to the US JCI Senate! And we look forward to seeing everyone in St. Louis as we celebrate President Susan and her year of "Experience the Senate!"

Most importantly, I need to thank this group of Presidents for everything they have done this year. Thank you to all of you for welcoming me as your PIE Chair and going along with some of my untraditional ideas. Thank you for the countless hours you have put in to enhance the Senate experience of your members and for all of your hard work.

Louie and I look forward to seeing everyone in St. Louis, where we will continue to Experience the Senate!

The Senators 2 Senators Business Directory is available for JCI Senators to promote their businesses. Be sure to check the website out at <http://biz-directory.usjcisenate.org/> Please support these JCI Senators that are currently listed on our Business Directory.

There are other JCI Senators providing products and services across the country that could be promoting their business to our members and at the same time helping to support the U.S. JCI Senate. If you have a business that has products or services that other JCI Senators could use, please consider a listing in the U.S. JCI Senate Business Directory.

This listing would promote your business to over 8000 members plus help raise funds for the U.S. JCI Senate. The cost is \$100 for a 12-month listing that includes your business card and a 30-word description of the business and products. Greetings!

It is hard to believe our Senate year is coming to an end already! Our Senate Presidents have worked hard all year and have much to be proud of.

I had a great time in New Orleans, meeting both formally and informally with our Presidents. We continued to learn quite a bit about each other at the Presidents social, where a fun time was had by all.

Thank you to President Susan for allowing me the honor of serving in this role this year. Serving as PIE Chair has been an amazing experience and I am thankful for that and the relationships it has allowed me to build.

Hello Senators!

WOW! A year goes by fast. THANK YOU for your support of the 2022-2023 US JCI Senate Presidential Sweepstakes program! Because of YOU, our members, we achieved our goal! Thank you also for all the prize donations. We look forward to the drawing at our Annual Meeting on Monday, June 26, 2023, in St. Louis, Missouri.

The Sweepstakes team aka "Sluggers" made it all possible! We organized the team to focus on both the tickets sales and prize donations by regions. They took this concept and kept hitting "home runs". THANK YOU Sluggers - Assistant Chair & Region III representative Lori Palo, Melodie Ainslie (Celebration Event Lead), Kim Hubbell (Region IX/X), Pat McLaughlin (Region VIII), Nancy Cardwell, (Region VII), Phyllis Bowers (Region VI), Ron Kimmet (Region V), CC Ackerman (Region IV) and Bob Cairns (Region I/II). A special thank you to President Susan and GM (Treasurer) Bruce Sostak for your all your guidance.

We invite you to "Experience the Senate Fair Celebration" at our Annual Meeting. We look forward to the various games the ten regions will have at the event... and most of all the FUN we will all experience.

Best Regards,

FUTURE DIRECTIONS
DAVID TEACHOUT #68700
 dteachout@charter.net

The Future Directions Committee had submitted our seven-point strategic plan to President Susan Hatcher #58143 before we met in Kenner, for the Winter BOD. During the Executive meeting in Kenner, the plan was adopted by the Executive team. We are currently looking further into the three top points we submitted:

- 1) Support and Mentor JCI,
- 2) Communication for All Generations, and
- 3) Social Focus & Sustaining Membership.

While addressing point #1 with JCI USA Liaison Jennifer Ray #68957, we discovered that there is a breakdown in communication between the Executive Branch of JCI USA and the local chapters. We have ideas on this situation as well as the other two topics that we are currently putting into a plan we will be submitting to President Susan before we meet in St. Louis.

As always, if anyone has questions or suggestions for our committee, please reach out to myself or your region representative. I hope to see a lot of you in the coming months. Be safe.
